THE REVEREND R. BRUCE BRANNON (Imperial Chaplain): Let us pray.

The Lord is our life and our salvation, whom shall we fear. The Lord is the strength of our lives, of whom shall we be afraid.

O eternal light, shine into our hearts. O eternal goodness, deliver us from evil. O eternal power, be thou our support. O eternal wisdom, scatter the darkness of our ignorance; eternal pity, have mercy upon us; grant unto us that with all our hearts, minds and strength we may evermore seek Thy faith.

So do we approach Thee and seek Thy blessing upon our assembly in order that whatever we may think, say and do may receive Thy approval.

Guide us, O light of life.

We make this our prayer, in the name of our Lord and Master. Amen.

NOBLE THORNTON: Captain John Sayles, will you please present the colors.

... At this point, Captain John Sayles and the color guard retired ...

NOBLE THORNTON: Ladies and gentlemen, let me please have your attention.

Let us give a great big hand to this wonderful band, the Hella Temple Band. (Applause) We at Hella are proud of this band. Yesterday they won the Texas competition for the ninth consecutive year. (Applause)

Also, I am sure that many of you, on television, have seen these Rangerettes. I would like to pay respects to Gussie L. Davis and her Rangerettes, who did the escorting for today. (Applause)

Now, I suppose you are wondering who I am. (Laughter)

Well, I am Bob Thornton, Jr., the Potentate of Hella Temple, one of the co-hosts. I am filling in for George Terry, the Director General. George has spent two years getting ready for this momentous occasion. He has worked day and night. He has had a big staff working with him but they do not know him in his office anymore because he has not been there.

Unfortunately, a few weeks ago, he had to go through some painful surgery and he is standing around like this, with upraised arms, and, therefore, he was a little bit embarrassed to be up here.

However, let's give a great big hand to George Terry, Director of the Shrine-temnial.

... Cheers and applause ...

NOBLE THORNTON: On behalf of the Director General, I now declare this Ninety-Eighth Imperial Council Session opened. (Gavel)

It is now my honor to present to you the Potentate of Moslah Temple, Fort Worth Texas, Illustrious Potentate James Fry, who will introduce our distinguished guests.

the other eleven Temples of the Texas Shrine Association, I extend to you a hearty Texas Shrine greeting to our Oasis.

... At this point the gavel was returned to Noble Thornton ...

NOBLE THORNTON: Today we also have with us a number of leaders from government and Masonry.

First of all I am pleased to announce my own present Mayor of the city of Dallas. You know, he doesn't have a Fez on but if I have to pay for it myself, he will be one before the year is over. (Laughter)

I am happy to present to you at this time the Mayor of Dallas, the Honorable Wes Wise.

HONORABLE WES WISE (Mayor of Dallas): Thank you very much.

I do want to tell you I appreciate the kind words that you have given me just on the way into the room here. I am going to have to go right back. I had to leave a city council meeting here today and so I am going to have to get right back.

If you know Dallas politics, you know that I am on an eleven-man city council and all ten of the other members are members of an organization of which I am not a member. (Laughter) You see, I am not worried about you putting something over on me but I am worried about them putting something over on me.

Soon after my election, I went to my friend Bob Thornton, who is the son of a great mayor of another era in this city, and who was one of the originators of that organization, and I said to him, "Bob, look, I want you to go to the members of this organization and tell them we should all get together for the good of the city of Dallas in a unified effort and continue the great progress of this city." He promised he would do that, as I knew he would. I knew that he would do a good job. However, some time later, I became sick and the council voted six to four to send me a get well card. (Laughter)

You know, this job also has a way of keeping you humble.

One day, at a meeting at which I was speaking, a fellow who was a bit drunk in the back of the room, got up and yelled "You're stupid." Well, of course, I am always happy to be recognized. (Laughter) At any rate, I went ahead with my speech and this fellow in the back, again took a couple of more sips out of a dixie cup, got up wavering a bit more and again said, "You know, you're stupid."

Well, I was going to be ready for him the next time and so sure enough, in a few more seconds, after taking a few more sips out of his dixie cup and becoming a bit more inebriated, he again got up and said, "Do you know, you're really stupid."

I replied, "Okay, buddy, but you're drunk."

He replied, "Yes, I know, but tomorrow I will be sober and you will still be stupid." (Laughter)

You know, if you keep applauding me like this I just may stand up here doing this all day long. (Laughter)

Delegates to the 1972 Imperial Council Session of the Ancient Arabic Order of the Nobles of the Mystic Shrine (and, as a matter of fact, I think I did that right) (applause), Senator Tower, Mayor Stovall, ladies and gentlemen: Welcome back to Dallas. It has been much too long since your last meeting and last national convention here in 1930 and it was too long before that back in 1898. Our city is proud and

happy, together with Hella and Moslah Temples, in hosting you. Also, I am happy to say, from the reports that I have received since I have been in this room, that we are all in this great city very happy to have you with us.

Also, I am sure you will find that the spirit of Dallas here and its name, is spreading nationwide—a spirit which will be encouraging both to your serious activities and your fun activities during this week.

About you you can view great signs of progress. The new convention center—the city hall complex (now just a cavern in the ground) and also a little way from here, the largest and greatest airport to be finished next year, all of this likewise in evidence of the unity between Dallas and Fort Worth.

Of course, all of this is merely mortar and skill. However, the quality of life and the quality of our people are much more important to Dallas, Texas and to Fort Worth, to us, than quantity. You will see this quality of life everywhere—in our well dressed ladies, for example, and that is because they have their charge cards at Neiman-Marcus and all those other places (laughter)—clear skies and clean streets. Therefore, we are ready to have one heck of a good time with you. Also, please don't stay away so long the next time.

Now, we are going to do something very special, just for this particular occasion. For those of you who are wearing the red Fez, if you should get a parking ticket, when you get back home, just slip the ticket into an envelope, address it to me, Wes Wise, care of the city hall, along with three bucks, and I will get it fixed for you. (Laughter)

At this time, it is my honor to confer upon Mr. Henry B. Struby honorary citizenship of the Dallas community:

"Be it hereby known that Henry B. Struby has, on this day, been made an honorary citizen of Dallas, Texas and under this charter shall hold and enjoy a place of high esteem in the minds and hearts of the people of this city."

This is dated July 10, 1972 and signed by myself as Mayor and one of your own members.

Congratulations, Mr. Struby.

... Presentation of certificate and applause ...

IMPERIAL SIR STRUBY: This is quite an honor. Thank you very much.

NOBLE THORNTON: The Imperial Sir desires to make the meeting as short as possible and so I would merely like to say that the other members of the Imperial Divan will receive their honorary memberships immediately after the meeting.

Up until yesterday I would have liked to say to you that I would like to introduce to you the Mayor of Fort Worth but yesterday I was made an honorary citizen of Fort Worth and so I would like to present to you, Past Potentate, Sharkey Stovall, Mayor from Fort Worth. (Applause)

HONORABLE R. M. STOVALL (Mayor, Fort Worth): Imperial Sir, Imperial Sirs, Nobles, ladies and gentlemen of this Imperial Council Session: Fort Worth is also proud to co-host this convention with the city of Dallas. We are particularly proud because we have brought from Fort Worth to the Imperial Council Session of North America one of the noblest of citizens of our city of Fort Worth and the Nobility at large. I speak, of course, of none other than C. Victor Thornton, our Imperial Potentate, who is a product of Fort Worth.

I can recall that back in 1955 (and this is pretty hard for me to remember that far back) that C. Victor Thornton was elected our Oriental Guide of Moslah Temple in Fort Worth. The only reason I remember this is because I was then Potentate. (Laughter)

All of you Potentates and Past Potentates know how difficult it is on occasion to find an Oriental Guide. However, we knew this man had a great future and in seventeen years he has risen to the highest office that the Shrine can give him.

At this time, before I present an honorary citizen certificate to the Imperial Council members, I would like to ask C. Victor Thornton, my Potentate, to step forward.

Vic, I am going to present to you (and I have already engaged in a little collusion with Mayor Wise) a gold medal representing the city of Fort Worth. There are fifty of these gold medals which make a set. They were struck for the fifty mayors of the

fifty largest cities in the United States. I am going to call on the Potentates assembled here today to prevail upon their mayors to secure a gold medal of their city and send one to Vic here so that he will have a complete set. Vic, you have one now and you will soon have another when Mayor Wise gives you another one.

... Presentation of gold medal and applause ensued ...

MAYOR STOVALL: Also, Imperial Sir Struby, just one more time, we are delighted to have you and all the Imperial Officers as citizens of the city of Fort Worth. We are delighted to have you in Fort Worth and Dallas and hope you will come back again to be with us.

... At this point, Imperial Sir Struby was presented with a plaque ...

IMPERIAL SIR STRUBY: Again, sir, I am sure we are all quite honored. Thank you very much.

NOBLE THORNTON: And now, Nobles, ladies and gentlemen, it is a genuine pleasure to present to you the senior citizen from the state of Texas, a Republican in a Democratic state, the Honorable John Tower.

... Cheers and applause ...

HONORABLE JOHN TOWER (Senator, state of Texas): Imperial Sir, C. Victor Thornton, distinguished Imperial Past Potentates and other members of the Imperial Divan, my fellow Nobles: It is a great pleasure to be here. Of course, this does not include being introduced by Bob Thornton and called a "senior citizen". I think what he meant to say was "senior Senator". (Laughter) Bob is a little more the senior citizen size and bit himself. (Laughter)

However, it is a great pleasure to have an opportunity to welcome this distinguished group to Texas.

Now, I understand that we Texans have something of a credibility gap. You are probably all familiar with that bit of history, about the time when George Washington was a little boy, living with his father on their ranch in west Texas. (Laughter) George's father had a mesquite tree that he loved very much. (Laughter) Now, it wasn't just because of the beautiful foliage on that mesquite tree, but it was because it was the only tree within a hundred mile radius. (Laughter)

One evening, while George's father was out riding the open range and rounding up a few mavericks to brand for his own herd (laughter) George took the new Bowie knife he had gotten for Christmas and he whittled that tree to the ground. (Laughter)

That evening, his father came in, tired and dusty, got off his horse and went into the back yard to look at that beautiful tree and found it there lying on the ground. (Laughter) He then summoned his son, George, to him and said, "You know, George, I loved that tree. Can you tell me who cut it down?"

George looked his father squarely in the eye and said, "Father, I did, I cannot tell a lie."

George's father put his hat back on and said, "Son, pack your stuff, we're going to move to Virginia because you will never get along in Texas that way." (Laughter and applause)

So I know that all of us Texans labored under some difficulty here today but I hope that you will lend some credibility to what I say when I tell you that we really do glory in your presence here and although you are convening in the Dallas-Fort Worth area, I can say that from Texarkana to El Paso and from Parrington to Brownsville, we of the great state of Texas are delighted that you are within our borders.

We hope that you will be treated to our traditional Texas hospitality and we hope you will feel that you have basked not just in the warmth of our sunshine but in the warmth of our hospitality as well. We are also happy that you spend a great deal of money here. (Laughter)

I would also like to second what my good friend Wes Wise said, don't stay away so long. We really are delighted to have you here and we hope that you have a great and successful convention.

This is an organization that is characterized by and known for its good works.

You are great people—you are the salt of the earth and I am proud to be one of you and I hope that you will hurry back again.

Thank you very much.

... Rising applause ...

NOBLE THORNTON: Senator, bless your heart, and I hope you live long enough to earn that title that I inadvertently put upon you. (Laughter) You know, I can hardly wait to hear how I am going to mess up the next introduction. (Laughter)

I now have the honor to present to you the Most Worshipful Grand Master of the Grand Lodge of Texas, Jack E. Hightower.

... Rising applause ...

MOST WORSHIPFUL JACK E. HIGHTOWER (Grand Master, Grand Lodge of Texas): Thank you.

Imperial Sir, Imperial Sirs, distinguished guests, Nobles, Brethren, ladies and gentlemen: You know, he knew he had better not foul me up because I would make an Entered Apprentice out of him before he could get out of the state. (Laughter)

You know, the Senator mentioned that there is something of a credibility gap when a Texan starts to talk. Well, I don't know about that but I do know that the problem is this—that it is very difficult for us to be honest and modest at the same time. (Laughter)

However, I am sure you know that we are honest when we say that on behalf of almost a quarter of a million Master Masons in the state of Texas that we are very proud to welcome you to Texas today. We have been looking forward to this for a long time.

We are also very proud of Vic Thornton and so appreciative of all that he has done and what he has meant to the Fraternity.

I want to tell you that the state of the Order is good.

I was thrilled a few moments ago when I heard all of my fellow Grand Masters introduced up here and realized how many we had. I think this is an indication of the great support that the Shrine enjoys in all of Free Masonry because of what the Shrine does for Free Masonry.

We are so proud of you and, therefore, as you come to Texas, enjoy your stay and come again.

... Rising applause ...

NOBLE THORNTON: Thank you, sir I am glad you did not put me back because I don't think I could have made it the next time.

Will all of the Potentates of the thirteen Temples of Texas please come forward.

I would like to present to you Lloyd E. Church, Potentate of Almas Temple, Washington, D.C., who has some presentations to make to you Potentates.

... Whereupon, the Potentates of the Texas Temples approached the rostrum ...

NOBLE LLOYD E. CHURCH (Potentate, Almas Temple): Imperial Sir, Imperial Sirs, Representatives, Potentates, Divan Temple Officers, distinguished guests, Nobles all and ladies and gentlemen: As the Potentate of Almas Temple from the nation's capitol, it is my very great honor to present to the Potentates of the Texas Temples here in Texas and also to our Imperial Potentate an American flag that has been flown over the nation's capitol.

In every box, along with the flag, there are three letters. These letters all contain the same language, except for that of the Imperial Potentate. I would like to say that the first letter certifies that his flag was flown over the United States capitol on the Fourth of July, 1972, the Centennial year of the Shrine.

The second letter indicates that the members of the House of Representatives from the state of Texas are pleased to provide this flag to each of the thirteen Shrine Temples of the state of Texas and that they have asked our Temple to arrange for delivery and presentation of these flags. This second letter goes on to say "Our great country is beset with many problems and we feel that this is a time for all Americans to join in encouraging a spirit of patriotism among all of our citizens."

The third letter is from Almas Temple and reads: "The Nobility of Almas Temple, located in Washington, D.C., our nation's capitol, and the Capitol Hill Shrine Club,

are most pleased to present to you and the Nobles of your Temples this United States flag which was officially flown over the capitol of the United States on July 4, 1972, the Centennial year of the Shrine. The Shrine is not only a philanthropic organization for crippled children and those suffering from burns, but it also embodies the concept of duty to our country. It is hoped that as this flag flies over your Temple that it will be a constant reminder of the many blessings we have as citizens of the United States and will equally remind us of our duties and responsibilities as loyal and patriotic Americans."

Gentlemen, I take great pride in presenting each of you with your flag, an American flag flown over the United States capitol.

... The presentation of these flags to the various Texas Temple Potentates ensued ...

NOBLE CHURCH: This one letter in relation to the Imperial Potentate is a little bit different and I would like to read it at this time.

"Dear Imperial Sir, the Nobility of Almas Temple and the Capitol Hill Shrine Club are most pleased to present you with this United States flag. It was officially flown over the United States capitol on July 4, 1972, the Centennial year of the Shrine. A letter of authentication is enclosed.

"You have served the traditions of the Shrine in a most impressive manner. We are most grateful. You have upheld the patriotic gains of our great country in an equally impressive manner.

"It is hoped that you will display this flag with pride as an American and that you will be constantly reminded of your many blessings as a citizen of the United States.

"With all good wishes to you as Imperial Potentate of the Shrine of North America and for the greatest possible success in your future endeavors."

This is signed by myself as the Illustrious Potentate, by Noble Jacobs, the Recorder and Lew Case, President of the Capitol Hill Shrine Club.

Illustrious Sir, your flag.

... Presentation of flag to Imperial Potentate and applause ensued ...

NOBLE THORNTON: And now, for we Texans, a great honor. I would like to present Major Guy Smith, filling in for the Governor of the state of Texas, to present some certificates for membership as Admirals in the Texas Navy. (Laughter) Yes, we have one.

Major Smith is a Past Most Worshipful Grand Master of the Grand Lodge of Texas. (Applause)

MOST WORSHIPFUL (Major) SMITH: Thank you, Illustrious Potentate.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Senator Tower, ladies and Nobles: I am pleased to bring you the greetings from the Governor of the state of Texas who would like to have me tell you that he would like to have been with you on this occasion and he would hope that you have a very fine time here in our state.

We are proud of you and proud to have you here and we are also extremely proud of our Imperial Potentate who led you to Texas.

Imperial Sir, I would like to present you with this certificate stating that you are now an Admiral in the Texas Navy. These will likewise be given to all of the Imperial Officers at a later time.

... Presentation of certificate and applause ...

NOBLE THORNTON: And now, Imperial Sir, I am proud to present to you the gavel of the Ninety-Eighth Imperial Council Session.

... Whereupon the gavel of the convention was presented to Imperial Potentate C. Victor Thornton ...

... Rising applause ...

IMPERIAL POTENTATE THORNTON: Cousin Bob (laughter), Imperial colleagues, in absentia, John Tower; Mayor Wise; Mayor Stovall; my Grand Master, Jack Hightower; distinguished Masonic guests; ladies and my fellow Nobles all: About a year ago, at Miami, all of you saw a movie. I think it was entitled "The Land of

the Twelve Texas Temples". Well, since then, as you may know, Texas gave birth to another Temple, so that movie today would be called "The Land of the Thirteen Texas Temples".

I think the theme of that movie was "You all come". Aren't you glad you did?
... Cheers and applause ...

Also, as you can tell from the statements made here, we are happy that all of you are here and we want you to have a wonderful time during this 100th birthday celebration of our great Order.

I want to add one word of thanks at this moment to our great Director General, whose plight has been mentioned to you. However, he is attending all of our meetings. He has done a magnificent job over the past two and a half years. Thank you again, George Terry. (Applause)

I have one message which I take pleasure at this time in reading to you. I received a telegram addressed to the Imperial Potentate, AAONMS, Annual Convention, Statler Hilton Hotel, Dallas, Texas:

"The celebration of 100 years of Shrinedom is most appropriately referred to as the Shrinetennial. Few organizations have touched the daily lives of as many citizens and fewer still can claim such an extensive record of humanitarian service. As the members of the AAONMS assemble for their annual convention, I wholeheartedly applaud the high purpose that has characterized your good works over these ten decades. It can give you a great sense of satisfaction to know that you have enriched the lives of so many disabled children and their families and that by so doing you have continued to contribute to the vitality and strength of our society. May you have a most successful and memorable meeting."

That is signed "Richard M. Nixon".

... Applause ...

IMPERIAL POTENTATE THORNTON: And now may I make one or two announcements.

Tomorrow morning, at 9:30, our great parade will step off. Please be sure that you are familiar with the rules regarding the parade and that you are ready, in your turn, to be a part of that parade.

At 2:30 p.m., in this room tomorrow afternoon, the Representatives will gather for the opening business session of the Ninety-Eighth Imperial Council Session. Please be present and have your ballots with you.

Tomorrow night we have fun. This is the evening during which we celebrate the 100th birthday party of the Shrine and we have Bob Hope, Meredith Wilson and other great stars and acts at the Texas Stadium beginning at nine p.m. If you have not yet secured your tickets, do so before they are all gone.

Therefore, until tomorrow afternoon at 2:30 o'clock p.m., we stand adjourned. Thank you very much.

... Whereupon, at 4:20 o'clock pm., the Public Opening Session was adjourned ...

AFTERNOON SESSION

Tuesday, July 18, 1972

Two-Thirty p.m.

The Ninety-Eighth Annual Session of the Imperial Council A.A.O.N.M.S., convened in the Grand Ballroom, Statler Hilton Hotel, Dallas, Texas, Tuesday, July 18, 1972 at two-thirty o'clock p.m., Imperial Potentate C. Victor Thornton opening the meeting.

IMPERIAL POTENTATE THORNTON: Will you please take your seats. We are about to begin the meeting. Nobles, please come to order.

Representatives, waiving all forms and ceremonies, I declare this Ninety-Eighth Imperial Council Session called to order for the conduct of business.

I will first call upon our Imperial Chaplain, Dr. R. Bruce Brannon for the invocation.

DR. R. BRUCE BRANNON: Nobles, let us pray.

We will bless the Lord at all times. His praise shall continually be in our minds. Our souls will make their bows in the Lord. The meek shall hereafter be glad.

O God, take all our sorrows and use them to show us the nature of Thy joy. Take all our sins and forgive them. Use them to show the ways of truth, pleasantness and the paths of true peace.

Take all our broken purposes and disappointed hopes and use them to make Thy perfect rainbow upon us.

Take all our clouds of sadness and calamity and from them make Thy sunset glorious.

Take our night and make it bright with stars.

Take our ill health and pain until they accomplish in Thy purpose as much as health could achieve.

Take us as we are, with impulses, strivings, longing so often frustrated and thwarted and even with what is broken and imperfect. Make Thy dreams for man come through, through Him who made of human life a sacrament, of thorns a crown, of a cross a throne, all of this through Him, who is our master. Amen.

IMPERIAL POTENTATE THORNTON: Thank you, Bruce.

We will now have the report of the Committee on Credentials, Noble W. Howard Millington, Chairman.

NOBLE W. HOWARD MILLINGTON: Imperial Sir, members of the Imperial Divan and Representatives of this Session of the Imperial Council: I will not read all of the names but I will give you the total figures and the names will be placed on file with the Imperial Recorder.

. . . Whereupon, Noble Millington summarized the report of the Committee on Credentials as indicated below . . .

That having been accomplished, I now proclaim that the Session is open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and we will remain in session open for business until the Session is adjourned.

I would like to announce at this point that the Parliamentarian, with your permission, will be the Chairman of our Jurisprudence and Laws Committee, Noble Robert J. Turley.

In order to conserve time, and this will be a busy Session, I will not read an annual report. I refer you to the copy of the annual report which each of you received in the envelope at the time you registered. If there are any questions concerning it, please contact me or bring them to the floor at the appropriate time.

Thank you very much.

RESOLUTION

WHEREAS, in compliance with Section '332.5 of the Imperial By-Laws Tadmor Temple has voted to change its location from Akron, Ohio to Coventry Township, Ohio, and

WHEREAS, Coventry Township is within the exclusive territorial jurisdiction of Tadmor Temple as provided by Section 483.3 of the Imperial By-Laws, and

WHEREAS, it is in the best interests of the Order that the location of Tadmor Temple be changed from Akron, Ohio to Coventry Township, now

THEREFORE be it resolved, that the Imperial Council, A.A.O.N.M.S., does hereby approve and change the location of Tadmor Temple from Akron, Ohio to Coventry Township, Ohio and does hereby order and direct that at the time of such change of location the charter of Tadmor Temple be revised to reflect such change of its location.

Seminar School of Instruction

RESOLUTION

RESOLVED, that the Imperial Potentate-elect is hereby authorized to appoint a Committee to make all necessary arrangements for a Seminar School of Instruction to be held in New York City during the month of September 1972.

RESOLUTION

WHEREAS, the laws of the Province of Quebec preclude continued operation of the Montreal Unit upon the same basis as heretofore, in that they provide for the payment of all medical and hospital expenses by the government so that there are no longer any medically indigent patients in Quebec; and

WHEREAS, there remain vast opportunities of service to crippled children in the areas of clinical research and basic research into the causes of crippling; and

WHEREAS, the Montreal Unit is ideally located within the environs of medical schools and universities which can provide the professional personnel necessary for medical research in our hospital;

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors and Trustees of Shriners Hospitals for Crippled Children be authorized to negotiate and enter into an agreement with the Province of Quebec to establish a program of clinical and basic research in the Montreal Unit in affiliation with one or more of the medical schools or universities in Montreal, on terms that the annual expenditure of funds of this corporation will not exceed the amounts that would have been necessary to continue our present type of operation;

FURTHER RESOLVED that, if such an agreement cannot be made, the Boards of Directors and Trustees are hereby authorized to close the Montreal Unit and to dispose of the property in a manner consistent with the purposes of Shriners Hospitals for Crippled Children.

RESOLUTION

WHEREAS, the Houston Unit of Shriners Hospitals for Crippled Children is located within an outstanding medical center of research and teaching, as well as patient care; and

WHEREAS, the personnel and facilities of the Houston Unit of Shriners Hospitals for Crippled Children are admirably suited for affiliation with the research and teaching programs of other institutions in the Houston Medical Center; and

WHEREAS, great opportunities for service to crippled children are thereby presented;

NOW, THEREFORE, BE IT RESOLVED, that the Boards of Directors and Trustees of Shriners Hospitals for Crippled Children are hereby authorized to negotiate and enter into agreements with one or more medical schools, universities, or other institutions in the Houston Medical Center for affiliation with such other facilities in jointly conducted programs of research, teaching, and patient care.

The purpose of the Resolution is to terminate the separate corporate existence of two corporations heretofore affiliated with this corporation by merging them into this corporation so that, of the three, the sole remaining corporate entity will be this corporation, viz: Shriners Hospitals for Crippled Children, a Colorado corporation.

RESOLUTION

RESOLVED: That the duly elected Members of Shriners Hospitals for Crippled Children, a Colorado corporation, hereby approve the adoption of those certain Articles of Merger adopted on June 22, 1971, by the Board of Directors of this Corporation and the Members of Shriners Hospitals for Crippled Children, Inc., a Georgia corporation, and Los Angeles Unit of the Shriners Crippled Children's Hospital, Inc., a California corporation, which Articles of Merger describe the terms and conditions of the proposed merger of this Corporation and Shriners Hospitals for Crippled Children, Inc., a Georgia corporation, and Los Angeles Unit of the Shriners Crippled Children's Hospital, Inc., a California corporation, and the mode of carrying the same into effect.

BE IT FURTHER RESOLVED: That the Directors and Officers of this Corporation are hereby authorized and directed to take whatever proceedings and to execute and deliver whatever instruments and to do whatever acts may be necessary or expedient to consummate and carry out said articles of Merger.

RESOLUTION

WHEREAS, Directive No. 18 issued by the Secretary of Shriners Hospitals for Crippled Children on March 12, 1969, provided for the purchase of corrective shoes for outpatients from hospital funds only when the family of the patient is unable to assume the financial responsibility for the purchase of such corrective shoes; and

WHEREAS, at the last annual meeting of Shriners Hospitals for Crippled Children a Resolution proposed by Past Potentate Robert Rainey of Moolah Temple was adopted whereby Directive No. 18 was rescinded; and

WHEREAS, rescission of Directive No. 18 has resulted in additional expenses for Shriners Hospitals for Crippled Children of approximately \$300,000; and

WHEREAS, upon reflection it appears that the rescission of Directive No. 18 was hasty and ill considered;

NOW, THEREFORE, **BE IT RESOLVED** by the members of this corporation that the Resolution proposed by Past Potentate Robert Rainey and adopted on July 17, 1970 be itself hereby rescinded, set aside, and nullified so that Directive No. 18 may be reissued.

RECORDERS PLEASE NOTE

CORPORATIONS

The Recorder of each Temple shall send to the Imperial Recorder at the close of each calendar year a copy of the audit report, (preferably by a C.P.A.) and a copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations:

1. Temple Corporation and/or Temple Holding Corporation;
2. Shrine Club Corporations and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporation of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital bequests and gifts, it is **ORDERED:**

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the Imperial Recorder of all bequests and gifts of which they

may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1972 IMPERIAL COUNCIL SESSION

The next Session of the Imperial Council will be held in Dallas-Fort Worth, Texas, the week of July 17, 1972. The Director General is George S. Terry (Hella Temple) 7560 Stonecrest, Dallas, Texas 75240. Telephone Area 214, 741-3191.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Dallas-Fort Worth area as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Dallas-Fort Worth, Texas. In accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Recorders to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee, and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1972 Session in Dallas-Forth Worth, Texas.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) official Imperial Representatives (2) Uniformed Units, (3) the General Nobility and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered, contrary to their desires, in third rate, back street hotels, merely to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner

the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at Dallas-Fort Worth, are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Dallas-Fort Worth is contacted through the Director General, George S. Terry, 7560 Stonecrest, Dallas, Texas. Telephone Area 214, 741-3191. The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

Grandstand seat tickets for both parades will be in Representatives' envelopes.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by George S. Terry, Director General of the Convention, whose office is located in the HILTON HOTEL. The attention of all Potentates and heads of Uniformed Units is specifically directed to the explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamor

of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which retard the forward movement of the parade as a whole.

As a result, many of our newer and small Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units “marching” near the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall “march” at the end of the column.

Most recently, direct orders forbidding any but “forward marching movements,” although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Dallas and Fort Worth, Texas, may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Dallas-Fort Worth, Texas will be parades throughout, and in no part a pageant. Only so-called “forward marching movement” will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Dallas-Fort Worth, Texas the short distance and nature of the proposed route of the parades and the congestion of traffic will demand the elimination of other than **ONE CAR for the officers of each Temple**

with uniformed units in the parades. Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. At the Reviewing Stand, Temple Divans will give hand salute, or eyes right, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for eyes right or salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order, Uniformed Bodies, and male servants accompanying the Temples. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Unless and until Shrine custom is changed to the contrary, no children, no woman or girl, has any place in a Shrine parade. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to all Shrine parades, it is ORDERED:

1. The parade reviewing stand shall be at the right of the parade movement.
2. No national Flag shall be lowered when passing the reviewing stand.
3. Neither candy nor other objects shall be thrown to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.
5. Motorcycle and scooter units shall obey local laws regarding the use of hard helmets instead of the Fez.
6. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as to not give the impression that they are drinking intoxicants.
7. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is ORDERED:

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.

3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

If your Uniformed Units attend the Imperial Council Session in Fort Worth-Dallas, Texas, it will be necessary for you to supply two members of your Temple (preferably law enforcement officer members of your Temple), to act as Provost Guard during the Imperial Council Session. Each Potentate will kindly advise George S. Terry, Director General, the names of the two Nobles who will serve on the Provost Guard, and the names must be submitted in duplicate. Correspondence with George S. Terry, Director General, should be addressed to him in care of the Shrine Convention Headquarters in the HILTON HOTEL, Dallas, Texas.

IMPORTANT

FOR THE PURPOSE OF AVOIDING POSSIBLE CRITICISM AT THE DALLAS-FORT WORTH, TEXAS 1972 IMPERIAL COUNCIL SESSION, NO NUBIAN SLAVE COSTUMES OR BLACK-FACED CLOWNS, OR ANY SIMILAR COSTUME OR MAKE-UP, WILL BE PERMITTED IN PARADES, ON THE STREETS OR IN HOTELS OR OTHER PUBLIC PLACES IN DALLAS-FORT WORTH, TEXAS.

POTENTATES ARE ADVISED THAT THE USE OF WATER PISTOLS, ELECTRIC CANES, ELECTRIC BRIEF CASES, SNAKES OR OTHER REPTILES, FIRECRACKERS, CANNONS, SIRENS OR SCREECH WHISTLE OR ANY ILLEGAL DEVICE, FLASHING LIGHTS OF ANY COLOR, AND OTHER OBJECTIONABLE DEVICES WILL NOT BE PERMITTED. MEMBERSHIP ATTENDING IMPERIAL COUNCIL SESSIONS SHOULD BE CAUTIONED REGARDING THE ABOVE. THE DIRECTOR GENERAL IS INSTRUCTED BY THE IMPERIAL POTENTATE NOT TO PERMIT ANY SUCH VIOLATIONS IN THESE PARADES.

UNAUTHORIZED EQUIPMENT ON MOTORIZED VEHICLES

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

GENERAL OBSERVATIONS

It is suggested that it would simplify the details of registration if the Representatives of the various Temples will arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIALS, his CURRENT CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy with him.

All members of the Shrine are extended a special invitation. The meeting will be held in the GRAND BALLROOM of the HILTON HOTEL, and the Imperial Council will convene immediately following the close of this meeting.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of Masonry and the Shrine, and he will be glad to speak to audiences of not only Shriners and their families, but also Master Masons and their families.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

It is suggested that no breakfast or morning engagements be planned since the Imperial Potentate will need the morning for rest and personal correspondence work.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resume of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Imperial Recorder) as

far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE IMPERIAL RECORDER'S OFFICE, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED BE SENT TO THE IMPERIAL RECORDER.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples, chartered by the Imperial Council operate, i.e., United States, Canada and Mexico. These three National flags should also be properly displayed at all Shrine meetings. National flags should never be dipped at any time.

Information concerning the proper display of these national flags may be obtained from the Office of the Imperial Recorder.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward eight pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions please write the Imperial Recorder.

TOURS & CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Imperial Recorder of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises and pilgrimages.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour by supplemental air carrier, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of such carrier and/or its

insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property.

5. All pilgrimages, tours and cruises when sponsored by a temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

TAX RETURN INFORMATION—RECORDS AND REPORTING

The Tax Reform Act of 1969 will affect United States Shrine Temples and their title-holding, affiliated and appendant corporations. Informational tax returns will be required and the Unrelated Business Income Tax will apply. There are penalties for failure to file returns; and the penalties are assessed by the government against the *person or persons* in the Temple who are responsible.

It appearing that the interests of the Order would be well served by the issuance and observance of the following, it is ORDERED:

1. That each Temple shall appoint Legal Counsel and an independent Auditor, whose names and addresses shall be immediately furnished to the Imperial Recorder.
2. That all Potentates shall see that all title-holding corporations, Units, Shrine Clubs, Shrine Club Holding Companies, and other appendant and affiliated organizations of the Temple maintain adequate accounting records of all financial transactions.
3. That all U.S. Temple Potentates shall ascertain the need for and, *where necessary*, secure a separate Employer identification number for the Temple, its title-holding corporations, Units, Shrine Clubs, and other affiliated and appendant organizations.
4. That all informational tax returns filed for years after 1969 for each U.S. Shrine Temple shall include the financial transactions of *all Units and Shrine Clubs* (except those which are separately incorporated and/or have their own federal tax-exempt status and will be required to file their own returns) regardless of the amount of their annual gross receipts. For informational tax return purposes, all Units and Shrine Clubs are integral parts of the Temple.
5. That all title-holding corporations, any Shrine Clubs having their own tax-exempt status and/or which are separately incorporated, all Shrine Club Holding Companies, and all other appendant and affiliated organizations which are required by law to file tax returns or informational returns do so timely and with the advice and assistance of the Legal Counsel or independent Auditor who prepares the Temple informational tax return.
6. That copies of all Temple returns and returns of all Temple-related organizations shall be sent to the Imperial Recorder at the same time they are filed with the Internal Revenue Service; and they shall be accompanied by a certification of the Potentate and either the Temple's Legal Counsel or independent Auditor that they are true and complete to the best of their knowledge and belief.
7. That the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order.

Individuals required to pay U.S. income taxes are entitled to list certain charitable contributions or gifts as deductions on their income tax returns. Under the proper circumstances, contributions or gifts made to Shrine Temples may be included in the list of deductible charitable contributions. By the terms of §170 (c) (4) of the Internal Revenue Code, deductibility is recognized for a contribution to "a domestic fraternal society, Order, or association, operating under the lodge system, *but only if such contribution or gift is to be used exclusively for religious, charitable, scientific, literary, or educational purposes*, or for the prevention of cruelty to children or animals."

In the Specific Instructions which accompany the annual informational return (Form 990) required to be filed by all United States Shrine Temples, the following statement appears:

Organizations described in section 501 (c) (8) or 501 (c) (10) that receive contributions or gifts to be used exclusively for the purposes described in sections 170 (c) (4), 2055 (a) (3), or 2522 (a) (3), must attach a statement with respect to all gifts which aggregate \$1,000 from any one person showing (a) the name of the donor, (b) the amount of such contribution, (c) the specific purpose for which such contribution was given, and (d) the specific use to which such contribution was put. If the contribution or gift is transferred to another organization, the statement must include (a) the name of the transferee organization, (b) a description of the nature of such organization, and (c) a description of the relationship between the transferee and transferor organizations.

It appearing that the interests of the Order would be well served by the issuance and observance of the following, it is ORDERED:

1. That each United States Temple shall comply with the specific reporting instructions and requirements referred to above in filing their annual (Form 990) return.
2. That each United States Temple shall keep and maintain a separate set of financial records and a separate bank account for the receipt and disbursement of all contributions to the Temple which qualify as deductible contributions under §170 (c) (4), 2055 (a) (3) or 2522 (a) (3), of the Internal Revenue Code.
3. That, notwithstanding the provisions of paragraph 2, the annual levy for the support of Shriners Hospitals for Crippled Children remains subject to the provisions of §332.3 of the Imperial by-laws and shall still be treated as a segregated trust fund.

HOSPITAL PAMPHLETS—MOVIES—MATERIAL INSTRUCTIONS

Various Hospital Units, Temples, Shrine Clubs, and Units have undertaken the commendable and praiseworthy task of producing public relations material concerning Shriners Hospitals for Crippled Children. In order to coordinate these efforts and to insure that such material is in all respect accurate, it appears that the best interests of the Shrine would be served by the issuance and observance of the following General Order.

THEREFORE, IT IS ORDERED: Before any pamphlets, brochures, movies and film strips pertaining to Shriners Hospitals for Crippled Children, its affiliates and hospitals are printed, written approval must be secured from the Board of Governors of the Hospital involved and except for those publications to be used for professional training purposes only, written approval must also be secured from the Chairman of the Public Relations Committee of Shriners Hospitals for Crippled Children, the Director of Medical Affairs, and General Counsel as to its form, content, place and method of printing.

USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN"

THE NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN" SHALL NOT BE USED IN ANY PROMOTION WITHOUT THE PERMISSION OF PAST IMPERIAL POTENTATE HARVEY A. BEFFA, CHAIRMAN OF THE BOARD OF TRUSTEES, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN.

You may address Imperial Sir Beffa in care of the Office of the Imperial Recorder.

Given under our hands and the seals of the Imperial Council and Shriners Hospitals for Crippled Children this 17th day of August, A.D., 1971, and of the Order A.H. 1391.

Appointments made by Imperial Potentate C. Victor Thornton

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular matter. Embarrassing situations have resulted.

Refer to Section 208.8 of the Imperial Council by-laws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will result in more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

IOWA CORPORATION**PROPOSED AMENDMENTS**

A special committee appointed by Imperial Potentate C. Victor Thornton consisting of Peter Val Preda, Cairo Temple, Chairman; and Charles J. Claypool, Antioch Temple, propose the following:

Amend Section 101.3 of Article I of the By-Laws of the Iowa Corporation, by adding a new paragraph (p) reading as follows:

§101.3 DEFINITIONS

(p) "*Associations of Units*" means regional, national, or international organizations of Temple uniformed units or of Nobles who, as a prerequisite for their membership in such organizations, are members of Temple uniformed units.

Thomas E. Lucas, a Past Potentate and a Representative of Al Chymia Temple, proposes the following:

Amend Section 205.2 of Article 5 of the By-Laws of the Iowa Corporation by adding certain language and deleting certain language so that the section, as amended, will read as follows, to be effective at the end of the 1972 Session but not for the 1972 Session, with new language italicized and deleted language bracketed.

§205.2 PER DIEM

Each Representative who attends a session of the Imperial Council shall be paid per diem expenses at the rate of [\$35.00] *\$40.00* for each day he attends the session.

Mahlon W. Hessey, a Past Potentate and a Representative of Boumi Temple, proposes the following:

Amend Section 209.1 of Article 9 of the By-Laws of the Iowa Corporation by adding certain language and deleting certain language so that the section, as amended, will read as follows:

§209.1 ASSOCIATIONS OF TEMPLES

Any number of Temples may form a Shrine Association, for holding conventions for purely [social] *fraternal* purposes, when and if the Imperial Council issues a charter therefor.

A special committee appointed by Imperial Potentate C. Victor Thornton consisting of Peter Val Preda, Cairo Temple, Chairman; and Charles J. Claypool, Antioch Temple, propose the following:

Amend Article 9 of the By-Laws of the Iowa Corporation, by adding a new Section 209.3, reading as follows:

§209.3 ASSOCIATIONS OF UNITS

(a) *No Association of Units now existing shall continue in existence after January 1, 1973, without the express written permission of the Board of Directors.*

(b) *No Association of Units shall be organized without the express written permission of the Board of Directors.*

(c) *Every Association of Units is subject to regulation by the Imperial Council, any Association of Temples to which it is appendant, and the Potentates of the Temples in the jurisdictions of which it meets from time to time.*

(d) *The By-Laws of an Association of Units shall be effective only after having been approved by the Imperial Potentate; and, likewise, amendments thereto shall be effective only after his approval.*

(e) *For violation of Shrine Law or for other cause, the Imperial Potentate may arrest the charter and suspend the activities of any Association of Units.*

Harold G. Baker, Jr., Potentate and a Representative of Ainad Temple, proposes the following:

Amend Section 211.5 of Article 11 of the By-Laws of the Iowa Corporation by adding certain language and deleting certain language so that the section, as amended, will read as follows, with new language italicized and deleted language bracketed.

§211.5 PAYMENT OF PER CAPITA TAX.

The annual per capita tax [may] *shall* be paid to the Imperial Recorder as follows:

- (a) [With the annual return, but] *Not later than March 31, 50%;*
- (b) *Not later than June 1, 35%; and*
- (c) *Not later than October 1, the remaining 15%*

A special committee on Associate Membership Study appointed by Imperial Potentate C. Victor Thornton, of which Paul B. McCray, a Past Potentate and Representative of Kaaba Temple, is Chairman, proposes the following:

Amend Section 323.7 of Article 23 of the By-Laws of the Iowa Corporation, by adding certain language and deleting certain language so that the section, as amended, will read as follows, with new language italicized and deleted language bracketed:

§323.7 [MEMBERSHIP IN ONLY ONE TEMPLE. A Noble may hold active membership in only one Temple.]

ASSOCIATE MEMBERSHIP

(a) *Any Noble may apply for membership by affiliation in a second Temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.*

(b) *Applications for associate membership shall be subject to the same requirements as those relating to affiliation by demit, including jurisdiction, except that the applicant need not hold a demit to make an application for associate*

membership. An application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

(c) Upon election of an applicant for associate membership, the second Temple shall notify the other of which the Noble is a member that he has associate membership; and thereafter he shall be considered an active member of both Temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second Temple shall not affect his membership in the Temple to which he first belonged; but his suspension for nonpayment of dues to the first Temple shall ipso facto effect his suspension in the second. His suspension for any other cause or his expulsion from either Temple shall ipso facto effect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either Temple shall be given to the other Temple and to the Imperial Recorder.

(e) Each Temple in which a Noble holds associate membership shall collect and remit the hospital levy for an associate member unless he has been issued a Permanent Contributing Membership certificate by the Recorder of that Temple.

(f) Election of an associate member to life membership in one Temple does not constitute his election to life membership in the other.

(g) An associate member shall have all the rights and privileges of membership in both Temples except that he may not hold elective office in the second.

Graves H. Trumbo, a Past Potentate and a Representative of Beni Kedem Temple, proposes the following:

Amend Section 325.6 of Article 25 of the By-Laws of the Iowa Corporation by adding certain language and deleting certain language so that the section, as amended, will read as follows, with new language italicized and deleted language bracketed.

Harold G. Baker, Jr., Potentate and a Representative of Ainad Temple, proposes the following:

Amend Section 327.3 (a) of Article 27 of the By-Laws of the Iowa Corporation by adding certain language and deleting certain language so that the section, as amended, will read as follows, with new language italicized and deleted language bracketed.

§327.3 RECORDER.

(a) It is the duty of the Recorder to: . . .

(9) Before [February 1] *January 15* each year, transmit to the Imperial Recorder in the form prescribed, the annual returns for the Temple.

- (ii) *Before June 1st*, 35%; and
- (iii) *Before October 1st*, the remaining 15%.

Everett H. Trunk, Chairman of the Jurisdictional Lines Study Committee, and an Emeritus Representative of Moila Temple, proposes the following:

Amend Section 328.4 of Article 28 of the By-Laws of the Iowa Corporation by adding certain language and deleting certain language so that the section, as amended, will read as follows, with new language italicized and deleted language bracketed.

§328.4 WAIVERS

(a) *Except as provided in subsection (f), a [A] Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.*

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

(f) *If a request for waiver be made by certified or registered mail upon a form provided by the Imperial Recorder for such purpose, the Temple receiving such request shall have a period of 90 days after such request was mailed in which to itself solicit a petition for membership from the prospective candidate named in such request; and, if a petition is not made to such Temple within the 90 days, the Temple which requested the waiver may receive the prospective candidate's petition and initiate him in the same manner as if the request for waiver had been granted. Provided, however, that this subsection shall not apply to any prospective candidate who has been rejected by the Temple from which a waiver is requested; and, provided further, that no Temple may offer or give any award or other inducement to its members who procure or sign petitions of prospective candidates for whom waivers are requested hereunder.*

Leonard E. VanDyne, George W. Weimer, Charles E. Kalkreuth, F. Kermit McIntyre and Matthew Homola, Representatives of Osiris Temple, propose the following:

Amend Section 328.4 of Article 28 of the By-Laws of the Iowa Corporation by adding certain language so that the section, as amended, will read as follows, with new language italicized:

§328.4 WAIVERS.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple. *A Temple receiving a request for a waiver from another Temple, must grant the request and issue the waiver.*

Everett H. Trunk, Chairman of the Jurisdictional Lines Study Committee, and an Emeritus Representative of Moila Temple, proposes the following:

Amend Section 328.6 of Article 28 of the By-Laws of the Iowa Corporation by adding certain language and deleting certain language so that the section, as amended, will read as follows, with new language italicized and deleted language bracketed:

§328.6 WHERE PETITIONER MUST APPLY.

1972 IMPERIAL COUNCIL SESSION

The next Session of the Imperial Council will be held in Dallas-Fort Worth, Texas, the week of July 17, 1972. The Director General is George S. Terry (Hella Temple), Room 426, STATLER HILTON HOTEL, Dallas, Texas. Telephone Area 214, 651-0957.

Potentates of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Dallas-Fort Worth area as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Dallas-Fort Worth, Texas. In accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Recorders to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—**CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY**—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1972 Session in Dallas-Fort Worth, Texas.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) official Imperial Representatives (2) Uniformed Units (3) the General Nobility and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered, contrary to their desires, in third rate, back street hotels, merely to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at Dallas-Fort Worth, are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Dallas-Fort Worth is contacted through the Director General, George S. Terry, Room 426, Statler Hilton Hotel, Dallas, Texas. Telephone Area 214, 651-0957. The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

With reference to the matter of appointing Representatives. POTENTATES PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

The Day Parade will be held in Dallas and will start promptly at 9:00 A.M. on Tuesday, July 18, 1972.

The Night Parade will be in Fort Worth and will start promptly at 6:00 P.M. on Thursday, July 20, 1972.

Potentates will instruct commanders of their Uniformed Units that all movements in both Parades must be forward movements. By instruction of the Imperial Potentate nothing will be permitted in the Shrine parades that is a violation of any laws of the land. This regulation will be enforced. Grandstand or coliseum seat tickets for both parades will be in Representatives' envelopes.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by George S. Terry, Director General of the Convention, whose office is located in the STATLER HILTON HOTEL. The attention of all Potentates and heads of Uniformed Units is specifically directed to the explicit parade regulations quoted below.

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamor of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which retard the forward movement of the parade as a whole.

As a result, many of our newer and small Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours

—as a result of the cumulative loss of time due to repeated features specialties and street maneuvers by units “marching” near the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall “march” at the end of the column.

Most recently, direct orders forbidding any but “forward marching movements,” although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Dallas and Fort Worth, Texas, may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Dallas-Fort Worth, Texas will be parades throughout, and in no part a pageant. Only so-called “forward marching movement” will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Dallas-Fort Worth, Texas the short distance and nature of the proposed route of the parades and the congestion of traffic will demand the elimination of other than **ONE CAR for the officers of each Temple with uniformed units in the parades.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than **ONE CAR in the parades**—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. At the Reviewing Stand, Temple Divans will give hand salute, or eyes right, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for eyes right or salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order, Uniformed Bodies, and male servants accompanying the Temples. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Unless and until Shrine custom is changed to the contrary, no children, no woman or girl, has any place in a Shrine parade. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to all Shrine parades, it is ORDERED:

1. The parade reviewing stand shall be at the right of the parade movement.
2. No national Flag shall be lowered when passing the reviewing stand.
3. Neither candy nor other objects shall be thrown to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.
5. Motorcycle and scooter units shall obey local laws regarding the use of hard helmets instead of the Fez.
6. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as to not give the impression that they are drinking intoxicants.
7. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is ORDERED:

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.
3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

If your Uniformed Units attend the Imperial Council Session in Fort Worth-Dallas, Texas, it will be necessary for you to supply two members of your Temple (preferably law enforcement officer members of your Temple), to act as Provost Guard during the Imperial Council Session. Each Potentate will kindly advise

George S. Terry, Director General, the names of the two Nobles who will serve on the Provost Guard, and the names must be submitted in duplicate. Correspondence with George S. Terry, Director General, should be addressed to Room 426, STATLER HILTON HOTEL, Dallas, Texas.

IMPORTANT

FOR THE PURPOSE OF AVOIDING POSSIBLE CRITICISM AT THE DALLAS-FORT WORTH, TEXAS 1972 IMPERIAL COUNCIL SESSION, NO NUBIAN SLAVE COSTUMES OR BLACK-FACED CLOWNS, OR ANY SIMILAR COSTUME OR MAKE-UP, WILL BE PERMITTED IN PARADES, ON THE STREETS OR IN HOTELS OR OTHER PUBLIC PLACES IN DALLAS-FORT WORTH, TEXAS.

POTENTATES ARE ADVISED THAT THE USE OF WATER PISTOLS, ELECTRIC CANES, ELECTRIC BRIEF CASES, SNAKES OR OTHER REPTILES, FIRECRACKERS, CANNONS, SIRENS OR SCREECH WHISTLE OR ANY ILLEGAL DEVICE, FLASHING LIGHTS OF ANY COLOR, AND OTHER OBJECTIONABLE DEVICES WILL NOT BE PERMITTED. MEMBERSHIP ATTENDING IMPERIAL COUNCIL SESSIONS SHOULD BE CAUTIONED REGARDING THE ABOVE. THE DIRECTOR GENERAL IS INSTRUCTED BY THE IMPERIAL POTENTATE NOT TO PERMIT ANY SUCH VIOLATIONS IN THESE PARADES.

UNAUTHORIZED EQUIPMENT ON MOTORIZED VEHICLES

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

GENERAL OBSERVATIONS

It is suggested that it would simplify the details of registration if the Representatives of the various Temples will arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIALS, his CURRENT CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy with him.

Official notice has been received that the following Illustrious Nobles, listed alphabetically by Temple name, will be candidates for Imperial Office.

Dr. Daniel E. Bowers, Mohammed Temple
Randolph R. Thomas, Morocco Temple

A request has been received from the Nobles of AL AMIN Temple, U.D. for a Charter to open a new Temple in Corpus Christi, Texas.

A request has been received from the Nobles of Columbia, South Carolina, for a dispensation to open a new Temple titled JAMIL in Columbia, South Carolina.

IMPERIAL POTENTATE THORNTON: I would now like to recognize the Chairman of the Committee on Transactions of Imperial Officers, Imperial Sir, Robert Gardiner Wilson, Jr., Past Imperial Potentate.

IMPERIAL SIR ROBERT G. WILSON JR. (Past Imperial Potentate):

Imperial Potentate and Nobles, your Committee on Transactions of Imperial Officers, to whom the more detailed report of the Imperial Potentate, C. Victor Thornton, was referred, submits the following recommendations:

1. That all matters relating to finance, revenue, budgets, expenditures and bonds be referred to the Committee on Finance and Accounts.
2. That all matters relative to edicts, orders, decisions and recommendations as to statutes and laws be referred to the Committee on Jurisprudence and laws.
3. That all matters pertaining to grievances and appeals be referred to the Committee on Grievances and Appeals.
4. That all matters pertaining to dispensations and charters be referred to the Committee on Dispensations and Charters.
5. That all matters pertaining to jurisdictional lines be referred to the Committee on Jurisdictional Lines.

It is a distinct pleasure for this committee to express the genuine gratitude of the Representatives to this session for the great contribution to the welfare of the Shrine as a Fraternal Organization as well as the World's Greatest Philanthropy in the work of Shriners Hospitals for Crippled Children. Imperial Sir Vic and his flying partner Peg, have given so much of their lives and living to us down through the past years, and they deserve the genuine thanks and appreciation of all Shrinedom for their most unselfish and dedicated service to the Shriners ideals.

Their year of travels has provided more Temple and Hospital visitations than ever before because of the use of their own private airplane. They have enjoyed a wealth of personal friendships throughout the year and have endeared themselves to the hearts of all with whom they have come in contact. Truly, it has been a great year for our Noble Order, even at the personal sacrifice to each of them.

The Shrine will long remember their year of service as leaders, and certainly revere each of them as dear ones who will soon enter the ranks of past leaders. We recognize Vic's continued service in all fields of Masonic, as well as Shrine endeavor and join with Masonry in all of our Jurisdictions in our words of thanks and appreciation to them.

We, your committee, know that the Representatives to this Shrinetennial Session would be glad to join in a word of warm personal greeting that bears with it the warmth of the spoken word.

This report is respectfully submitted by the Committee on Transactions of the Imperial Officers, in whose behalf I now offer this report and would move for its adoption.

Respectfully submitted,

. . . The motion was severally seconded. . .

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. All in favor of the adoption of this report of the Committee on Transactions of Imperial Officers indicate by saying "Aye"; contrary by the same sign. It is carried and so ordered.

Imperial Sir Robert Gardiner Wilson, thank you for your kindness and generosity.

There are several proposed amendments to the Bylaws of the Iowa Corporation as printed in the Call for the Session and I now refer these to the appropriate committees for consideration and report as follows:

The proposed amendment to paragraph 209.1, proposed by Illustrious Noble Mahlon W. Hessey, to the Tax Act Committee.

The amendment to Article 450.1 proposed by Illustrious Noble Myron D. Bodam, to the Jurisdictional Lines Committee.

The proposed amendment to Section 488.1, proposed by Illustrious Nobles Floyd F. Graham and Drue H. Floyd, to the Dispensations and Charters Committee and to the Jurisdictional Lines Committee.

I will now call on the Chairman of the Jurisprudence and Laws Committee, Noble Robert J. Turley, for a report on the method in which our business will be transacted. Noble Turley.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: In years past, without expressing any opinion for or against proposed legislation, the Jurisprudence and Laws Committee has reported to the Imperial Council on the form of each proposed amendment and upon its consistency with the other provisions of the Bylaws and the Articles of Incorporation of the Iowa Corporation or the Colorado Corporation, as the case may be.

It was customary for the members of this committee who made each report to move the adoption of the amendment simply to bring it on the floor for action and to conserve time.

That procedure was not followed last year, nor will it be followed this year.

The Jurisprudence and Laws Committee will simply present its report as to the form and legality of each proposed amendment and whichever member of the committee presents the report, will simply move that our report be accepted.

Assuming favorable action upon that motion, the Imperial Potentate will then tender the floor to the Representative who has proposed the amendment. It will be left to that Representative then to move the adoption of his proposed legislation and to argue its merits.

Therefore, the reports of the Jurisprudence and Laws Committee are not meant to indicate to you that the Jurisprudence and Laws Committee as such is either in favor of a proposed amendment or against it. In his capacity as a Representative, each of the members of the committee may have strong feelings as to the merits of a particular proposal and any of us, like you, may wish to participate in the debate concerning one or more proposed amendments. In so doing, he will speak as an individual Representative and not for the Jurisprudence and Laws Committee as such.

Finally, we hope that you will understand that the Jurisprudence and Laws Committee is prepared to answer questions concerning the legal effect of proposed legislation or other questions that we are able to answer during the course of the Session

which will be propounded to this committee. We will make every effort to serve this Imperial Council as you see fit.

Now, are there any questions about this procedure? Do you understand it? Very well.

Now, Imperial Sir, there is in the Call a proposal to amend Section 205.2 of Article V of the Bylaws of the Iowa Corporation. It is listed on Page 10 of the Call.

It was presented by an Imperial Representative from Al Chymia Temple, Illustrious Sir Thomas E. Lucas.

I am advised, Imperial Sir, that this proposal will be withdrawn.

I ask the unanimous consent of the convention that it be withdrawn and I move that your Jurisprudence and Laws Committee be discharged from the responsibility of making a report in connection therewith.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. All in favor indicate by saying "Aye"; those opposed by the same sign. The motion is carried.

Nobles, I now call again on the Chairman of the Jurisprudence and Laws Committee, Robert J. Turley, for the presentation of some legislation.

NOBLE ROBERT J. TURLEY: Imperial Sir, I yield to Illustrious Sir Walter S. Jeffries of my committee.

NOBLE WALTER S. JEFFRIES: Imperial Sir, Imperial Sirs and Representatives: This is the report of the committee on Jurisprudence and Laws on general and special orders.

To the Representatives of the Imperial Council:

The Imperial Potentate's General and Special Orders issued pursuant to §206.5(a) (4) and 5), consisting of General Orders Nos. 1 and 2 (series of 1971-1972) and Special Orders Nos. 1 through 3 (series of 1971-1972), having been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers and in accordance with §206.5(a)(14), your Committee now reports that all of such General and Special Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and the By-Laws of the Iowa Corporation.

WHEREFORE, this Committee recommends that the Imperial Potentate's General and Special Orders be approved.

Respectfully submitted,

NEW AND AMENDED TEMPLE BY-LAWS DISAPPROVED

"§ 332.6 LIFE MEMBERSHIP IN TEMPLES.

(c) A Temple may not issue a life membership certificate to a member for having paid dues for a term of less than 35 years."

IMPERIAL POTENTATE THORNTON: All those in favor signify by saying "Aye"; those opposed by the same sign. I declare the motion carried.

I will now call upon the proposer of the legislation, Noble E. J. Hosch from Yaarab Temple, to present the legislation. Is Noble Hosch present?

Apparently he is not present and we will call upon him at a future time in the meeting to present this legislation.

NOBLE ROBERT J. TURLEY: Imperial Sir, Imperial Sirs and Representatives: I am going to now present reports on different proposals which are related to one another and you will find them on Page 11 of your Call, about the middle of the page, where it says "Payment of Per Capita Tax;" on Page 12 of your Call, just below the middle of the page, where it says "Recorder" and on Page 13 of your Call, at the bottom of the page, where it says "Hospital Levy".

These are related to each other and I presume the sponsor will tell you what he expects in relation to these amendments. However, I shall present them one at a time.

The first has to do with Section 211.5 on Page 11.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Harold G. Baker, Jr., Potentate and a Representative of Ainad Temple, a proposal to amend §211.5 of Article 11 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

"§211.5 PAYMENT OF PER CAPITA TAX.

The annual per capita tax shall be paid to the Imperial Recorder as follows:

- (a) Not later than March 31, 50%;
- (b) Not later than June 1, 35%; and
- (c) Not later than October 1, the remaining 15%."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE ROBERT TURLEY: Imperial Sir, I move that the report of your Jurisprudence and Laws Committee be accepted.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that this committee report be accepted. Is there discussion?

If not, all in favor signify by saying "Aye"; those opposed by the same sign. The motion is carried.

NOBLE EDWARD G. MAAG: Imperial Sir, Imperial Sirs and Representatives: I address you now not as a member of the Jurisprudence and Laws Committee but as a Representative of my Temple and I address you in the absence of my Potentate.

The sole or only purpose of this proposal is to correct a discrepancy on reporting dates which existed between the Code of the Iowa Corporation and the Colorado Corporation with respect to reporting.

There is one portion of this, namely that which has been presented to you, which I term a housekeeping amendment, if you don't mind. I don't believe it is controversial.

This one portion of it does change a reporting date and that change in the reporting date, if you will examine the Call of your Session and these proposals, you will see was a change from a February first reporting date to a January 15th reporting date on the annual report. This particular change was made at the specific request and with the approval of our Imperial Recorder, George M. Saunders, to whom I now yield the floor to explain to you assembled Representatives the reason for this change.

It accelerates the reporting date by 15 days and really affects Recorders and I now yield the floor to our Imperial Recorder if I may.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives, the proposed amendments will provide consistency in the dates of reports from Temples for reaching the Imperial Council and they are needed in order to eliminate the hold-up of information needed in printing the Imperial Directory and getting it into your hands at the earliest date in the year.

The business of each Temple is reported at the close of business of the Temple at year's end. That is December 31.

Statistics on membership on your Temple records as of that date should be sent to us at once. This information is needed for the Directory, as it is the information of your Temple elections. You should not delay sending this information to us as early as possible after the first of the year and these reports should not be held up for your check in payment of what you owe the Imperial Council. The check can be done at a later date, as is provided in Shrine Law.

The proposals are appropriate for good business practice and lets us be of greater service to all Temples in getting the Directory to you as early as possible.

NOBLE EDWARD G. MAAG: Thank you, Imperial Sir.

I think you now know, by that explanation, that these proposed amendments are desirable, necessary and they do have the approval of our Imperial Recorder.

I therefore, Imperial Sir, Imperial Sirs and Representatives, move you the adoption of the proposed amendments to Section 211.5 of the Iowa Corporation regarding the payment of per capita tax.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, which is to adopt the proposed amendment. Is there any discussion?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: All those in favor of the motion signify by saying "Aye"; those opposed by the same sign. The motion is carried. I declare the motion carried by a more than two-thirds vote. As a matter of fact, I declare it a unanimous vote.

NOBLE ROBERT TURLEY: Imperial Sir, with regard to the second of these three companion proposals, this is the report of your Committee on Jurisprudence and Laws.

To the Representative of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Harold G. Baker, Jr., Potentate and a Representative of Ainald Temple, a proposal to amend paragraphs (9) and (10) of subsection (a) of § 327.3 of Article 27 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

"§327.3 RECORDER

(a) It is the duty of the Recorder to: . .

(9) Before January 15 each year, transmit to the Imperial Recorder in the form prescribed, the annual returns for the Temple.

(10) Arrange to remit to the Imperial Recorder the per capita tax on the basis of \$1.10 per member as follows:

- (i) Before March 31st, 50%;
- (ii) Before June 1st, 35%; and
- (iii) Before October 1st, the remaining 15%."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE ROBERT J. TURLEY: Imperial Sir, I move you that the report of your Committee on Jurisprudence and Laws be accepted.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that this report be accepted. Is there any discussion?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: All those in favor indicate by saying "Aye"; those opposed by the same sign. The motion is carried.

The Chair will recognize Noble Maag to also speak on this proposal.

NOBLE EDWARD G. MAAG: Imperial Sir, Imperial Sirs and Representatives all: I address you again as an individual Representative and not as a member of the Jurisprudence and Laws Committee and in the absence of my Potentate, who is the proponent of this legislation.

What I said to you regarding the matter which you have just adopted, I could say to you again. However, it would be time consuming.

Again, this is a housekeeping amendment. It ought to be non-controversial and I would also assume that the Imperial Recorder's remarks regarding the previous question would be the same regarding this one.

I therefore, move you, Imperial Sir, that the proposal set forth in the Call of this Session, to amend Section 327.3 of the Iowa Corporation be adopted.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that the proposal as outlined be adopted. Is there any discussion?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: All those in favor indicate by saying "Aye"; those opposed by the same sign. The motion is unanimously carried. This legislation then has been adopted.

NOBLE ROBERT J. TURLEY: Imperial Sir, the third element of this proposal and the report of your Committee on Jurisprudence and Laws in relation to it is as follows: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Harold G. Baker, Jr., Potentate and Representative of Ainad Temple, a proposal to amend §332.3(c) of Article 32 of the By-Laws of the Iowa Corporation so that said section will read as follows:

"§332.3 HOSPITAL LEVY.

(c) The hospital levy received from the membership must be remitted to the Imperial Recorder by separate check as follows:

- (1) Not later than March 31, 50%;
- (2) Not later than June 1, 35%; and
- (3) Not later than October 1, 15%."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that this report of the Jurisprudence and Laws Committee be accepted. Is there any discussion?

... The question was called for ...

IMPERIAL POTENTATE THORNTON: All in favor indicate by saying "Aye"; those opposed the same sign. The motion is carried.

Now, Noble Maag, would you also like to speak on this legislation?

NOBLE EDWARD G. MAAG: Imperial Sir, Imperial Sirs and Representatives all: I now address you regarding the proposal to amend Section 332.3 of the By-Laws of the Iowa Corporation with respect to the remission of the hospital levy. I speak to you again as a Representative and not as a member of the Jurisprudence and Laws Committee and I also address you in the absence of my Potentate, the proponent of this legislation.

This is a companion proposal to the two previous proposals which you just adopted. It is again a housekeeping proposal to clean up a discrepancy that existed in the Code and I also assume that the Imperial Recorder's remarks with regard to the first two of these three proposals will likewise be applicable to this one.

IMPERIAL SIR GEORGE SAUNDERS: As they say in French *la mime chose* (the same thing). (Laughter)

NOBLE EDWARD G. MAAG: Imperial Sir, I therefore move the adoption of the proposed resolution to amend Section 332.3 of the By-Laws of the Iowa Corporation as indicated.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second—is there any discussion?

... The question was called for ...

IMPERIAL POTENTATE THORNTON: All those in favor signify by saying "Aye"; those opposed by the same sign. I declare the motion unanimously carried.

Are there any committees whose Chairmen are here and ready to report at this time. While we are waiting for another committee report, I will then make an announcement or two.

Tonight at nine p.m., the one hundredth birthday celebration, maybe a little premature by a month or two, will be held in the Texas Stadium in Irving, Texas. There are still some tickets available, I understand, in the lobby.

This is the big Bob Hope and Meredith Wilson show. It will be an exciting show. It will be one of entertainment.

We have seen parades all day. This will not be a Shrine parade in any sense—it will be a family variety show.

The public has been invited to attend with us. It is a beautiful place.

If you want to enjoy this great evening of fun, please get your tickets soon because within the next hour or so all the remaining tickets will be sent to the Texas Stadium where, if you should happen to go there, hopefully you may be able to get a ticket—at least hopefully, on my part, they will all be sold before you get there. (Laughter)

Tomorrow we have the election of officers. For those Imperial Officers who expect to be advanced one notch, who have not yet submitted the name of their nominators, please let me know who you will have nominate you tomorrow so that we may call upon the nominator at the appropriate time.

To you who hope to elect some of these officers, please bring your ballots with you without fail. You will need them.

I believe that Noble Turley is now ready with some further legislation.

NOBLE ROBERT J. TURLEY: Imperial Sir, Imperial Sirs and fellow Representatives: This relates to a proposal not printed in the Call but that was furnished, a copy of which was furnished to each Representative at the time he registered at this Session.

As a result of the discussion held last week at the joint meetings of the Board of Directors and Trustees, the Imperial Potentate, pursuant to his power under Section 101.5(a) of the By-Laws of the Iowa Corporation, proposes this amendment, which will repeal Section 335.15.

I am going to read you the committee report and then I am going to read you the section to which it relates.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal submitted pursuant to § 101.5(a) by the Imperial Potentate to amend Article 35 of the By-Laws of the Iowa Corporation by repealing § 335.15.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE ROBERT J. TURLEY: Now, before making the motion to accept the committee's report, I want to read you the section. Some of you have it. Each one of you was given a copy of this when he registered.

However, the section to which this relates is on Page 77 of your By-Law book. It is also on the sheet of paper given to you by the Registration Committee at the time you registered.

The title of it is "Memorializing of Individuals Prohibited", and the language is:

"The use of the individual name of any person, living or dead, on or about any building owned by any Temple or any of its affiliated corporations, clubs or units, or held by another or others for the use of any such Temple, corporations or organizations, for the purpose of memorializing such individual for his connection or assistance with the construction, establishment or operation of any such building is prohibited."

Now, the report of your committee has been made and has been read.

I now move you, Imperial Sir, that the report of your Committee on Jurisprudence and Laws be accepted.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. Is there any discussion?

All those in favor of the motion please indicate by saying "Aye"; opposed by the same sign. The motion is carried unanimously.

For your information, we were merely then receiving the report of the Jurisprudence and Laws Committee.

Now then, let me make my position clear.

I am neither for nor against this legislation. In order that it might be brought to the floor, I, as your Imperial Potentate, who has the power to bring such legislation before the body after the sixty-day period has expired, am permitting this to be brought here. I am neutral on the matter.

The proposer of the legislation will now come forward and explain his position to you on it. It is our Imperial Chief Rabban, Imperial Sir Jake Wingerter.

IMPERIAL SIR JAKE WINGERTER: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives: You have heard the provisions read by the Chairman of our Jurisprudence and Laws Committee. The reason for the recommendation of rescinding that law is in order to permit the Temples who are building new Temples to accept contributions to the building of rooms and things of this nature.

There are many Temples throughout North America who have these little plaques all over their Temples and as such today they are illegal.

It does not permit the placing of plaques of similar nature to that on the outside of buildings or on any hospital. It does permit, with the permission of the Potentate and Divan or officers of the Temple, the memorializing of an individual in a certain room.

Imperial Sir, I move that the law as stated by the Chairman of the Jurisprudence and Laws Committee be rescinded.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. Is there any discussion?

I would like to point out one thing—that this does not apply to our hospitals. This is only on Temple buildings. Are you ready for the question?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: All those in favor indicate by saying "Aye"; those opposed by the same sign. We will have to have a hand ballot. All those in favor of the proposed legislation, which means rescinding the article as it appears in the present By-Laws, please raise your right hand; hands down; all those opposed to the legislation please raise your right hands. I declare the motion carried by a more than two-thirds vote.

... Cheers and applause ...

IMPERIAL POTENTATE THORNTON: I will now call upon the Chairman of the Tax Act Committee, our Imperial Oriental Guide, Imperial Sir Peter Val Preda, for a report.

IMPERIAL SIR PETER VAL PEDA: (Reading)

To the Imperial Potentate and Officers and members of the Imperial Council, A.A.O.N.M.S.

The Tax Act Committee has considered the proposal offered by Past Potentate Mahlon W. Hessey of Boumi Temple to amend Section 209.1 of Article 9 of the By-Laws of the Iowa Corporation to change the word "social" to the word "fraternal" so that this section on ASSOCIATIONS OF TEMPLES will now read: "Any number of Temples may form a Shrine Association for holding conventions for purely fraternal purposes when and if the Imperial Council issues a charter therefore."

It is the recommendation of the Tax Act Committee that this amendment be approved for the following reasons:

(1) From a tax standpoint, the word "fraternal" is more in keeping with our new modified group exemption status under Section 501 (c)(10) of the Internal Revenue Code which has been broadened to now include all Shrine Associations.

(2) The Internal Revenue Service could view the word "social" in terms of an exempt Social Club which would not truly reflect our fraternal purposes and could possibly create a tax liability.

Respectfully submitted,
Peter Val Preda, *Chairman*
TAX ACT COMMITTEE

IMPERIAL SIR PETER VAL PEDA: Imperial Sir, I would move for the acceptance of this report.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that the report of the Tax Act Committee be accepted. Is there any discussion?

All those in favor signify by saying "Aye"; those opposed by the same sign. The motion is carried.

The matter will now be referred to the Jurisprudence and Laws Committee for a report.

NOBLE ROBERT J. TURLEY: Imperial Sir, we are ready to report. (Laughter)

Noble Maag, a member of our committee, will make the report.

NOBLE EDWARD G. MAAG: Imperial Sir, Imperial Sirs and Representatives all: The legislation to which this report refers can be found at the bottom of Page 10 and the top of Page 11 of the Call of this Session.
To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Mahlon W. Hessey, a Past Potentate and Representative of Boumi Temple, a proposal to amend § 209.1 of Article 9 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

"§ 209.1 ASSOCIATIONS OF TEMPLES.

Any number of Temples may form a Shrine Association, for holding conventions for purely fraternal purposes, when and if the Imperial Council issues a charter therefor."

The Committee reports that, for the purpose of clarity and to avoid any possibility of conflict with other provisions of the By-Laws, or long established policy of the Imperial Council, another Sentence should be added to the proposed amendment, as follows:

"No Association formed hereunder shall endorse, by resolution or otherwise, any candidate for elective office in any Temple or the Imperial Council, or adopt any resolution or take any action suggesting, advocating, proposing, endorsing, or opposing any legislation or action by the Imperial Council."

The Committee reports that with the addition of the foregoing sentence the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE EDWARD G. MAAG: Imperial Sir, I move that the report of the Jurisprudence and Laws Committee be accepted.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, for the acceptance of the report. Is there any discussion?

All those in favor indicate by saying "Aye"; those opposed by the same sign. The motion is carried.

Is Noble Hessey present?

NOBLE MAHLON HESSEY: Imperial Sir, Imperial Sirs and Representatives: I am Mahlon W. Hessey, a Past Potentate and Representative of Boumi Temple.

I move the adoption of the resolution as it appears in the Call, as amended by the recommendation of the Jurisprudence and Laws Committee.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, which is to adopt the proposal as offered, as amended. Is there any discussion?

... The question was called for ...

IMPERIAL POTENTATE THORNTON: All those in favor indicate by saying "Aye"; those opposed by the same sign. I declare the motion unanimously carried.

IMPERIAL SIR HARVEY BEFFA (Past Imperial Potentate): May I add one word on that now that the motion is carried?

It might behoove the various Shrine Associations to review their internal documents, charters and By-Laws, to see that they are in conformity with the restated purpose of this section as amended.

They will secure, as Imperial Sir Val Preda has indicated, beneficial tax consequences as a result of these amendments but they do have a housekeeping problem at the local level.

IMPERIAL POTENTATE THORNTON: Thank you, Imperial Sir.

I will now again call on Noble Robert J. Turley.

NOBLE ROBERT J. TURLEY: Imperial Sir, Imperial Sirs and fellow Representatives: I will now bring you the report of your Committee on Jurisprudence and Laws with respect to two companion proposals and they appear on Pages 10 and 11 of your Call. The first is in the middle or just below the middle of Page 10 and has to do with "definitions", and what this would do is to add another definition, and then near the top of the second page, Page 11, we have "associations of Temples".

These are companion proposals as I am sure you will recognize from examining these. In order to adopt the second one, you will have to have a definition which includes the adoption of the first one.

However, I shall present to you the proposal with regard to Section 209.3 first because that is the substance of the proposal and then the definition would be presented in the event of your adoption of this proposal.
To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by a Special Committee appointed by Imperial Potentate C. Victor Thornton, consisting of Peter Val Preda of Cairo Temple, Chairman, and Charles J. Claypool of Antioch Temple, a proposal to amend Article 9 of the By-Laws of the Iowa Corporation, by adding a new Section 209.3, which will read as follows:

"§ 209.3 ASSOCIATIONS OF UNITS.

(a) No Association of Units now existing shall continue in existence after January 1, 1973 without the express written permission of the Board of Directors.

(b) No Association of Units shall be organized without the express written permission of the Board of Directors.

(c) Every Association of Units is subject to regulation by the Imperial Council, any Association of Temples to which it is appendant, and the Potentates of the Temples in the jurisdictions of which it meets from time to time.

(d) The By-Laws of an Association of Units shall be effective only after having been approved by the Imperial Potentate; and, likewise, amendments thereto shall be effective only after his approval.

(e) For violation of Shrine Law or for other cause, the Imperial Potentate may arrest the charter and suspend the activities of any Association of Units."

The Committee reports that, for the purpose of clarity and to avoid any possibility of conflict with other provisions of the By-Laws, another Subsection should be added to the proposed amendment, as follows:

“(f) Nothing done pursuant to this Section shall affect the powers of any Potentate with respect to control of Temple units.”

The Committee reports that, with the addition of Subsection (f), the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL SIR PETER VAL PREDA: Imperial Sir and Illustrious Sirs: I move the adoption of this legislation as proposed, including the amendment as proposed by the Jurisprudence and Laws Committee. I make that in the form of a motion.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that the legislation as proposed, including the amendment, be adopted. Is there any discussion?

... The question was called for ...

IMPERIAL POTENTATE THORNTON: All those in favor indicate by saying “Aye”; those opposed by the same sign. I declare the motion carried by a more than two-thirds majority.

NOBLE ROBERT J. TURLEY: Imperial Sir, the companion measure to that one just adopted is the one which I would now like to report on.
To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by a Special Committee appointed by Imperial Potentate C. Victor Thornton, consisting of Peter Val Preda of Cairo Temple, Chairman, and Charles J. Claypool of Antioch Temple, a proposal to amend § 101.3 of Article 1 of the By-Laws of the Iowa Corporation, by adding a new paragraph (p) which will read as follows:

“§ 101.3 DEFINITIONS

(p) ‘Associations of Units’ means regional, national, or international organizations of Temple uniformed units or of Nobles who, as a prerequisite for their membership in such organizations, are members of Temple uniformed units.”

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND
LAWS

Robert J. Turley, *Chairman*
John D. Cochran
Edward G. Maag
Walter S. Jeffries
Frank H. Cathey
Warren L. Jones
William H. Knowlton

NOBLE ROBERT J. TURLEY: I move you, Imperial Sir, the acceptance of this report of your Jurisprudence and Laws Committee.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that this report of your Jurisprudence and Laws Committee be accepted. Is there any discussion?

All in favor signify by saying "Aye"; those opposed by the same sign. The motion is carried.

IMPERIAL SIR PETER VAL PREDA: Imperial Sir, Illustrious Sirs and Nobles: I move the adoption of this proposal.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, which is with regard to the adoption of the proposal. Is there any discussion?

... The question was called for ...

IMPERIAL POTENTATE THORNTON: All in favor of the motion signify by saying "Aye"; those opposed by the same sign. I declare the motion carried by a unanimous vote.

I understand now that Representative Chick Hosch is in the room. Would you like to come forward and present your legislation?

NOBLE E. J. HOSCH: Imperial Sir, Imperial Sirs and Representatives: I want to apologize for my delay in getting here. We had an emergency at the hospital and I was over there.

The proposal that I have submitted is at the top of Page 14 of the Call and the sum and substance of it is to amend Section 332.6, Life Membership in Temples, to remove the word "consecutive".

The idea behind the proposal is that the legislation, as it now exists, provides that a man could serve for 34 years and miss one year and he would have to start all over again before he could be legally declared a Life Member of his Temple.

If it is in order for me to do so, I would move for the adoption of this resolution.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, is there any discussion?

NOBLE GEORGE LEVY (Mecca Temple): Imperial Sir, I have a point of information.

Will this conflict with an existent by-law of a Temple which presents a Life Membership to a Past Potentate?

If I read the proposed law correctly here, a Temple may not issue a Life Membership certificate to a member for having paid dues for a term of less than 35 years.

IMPERIAL POTENTATE THORNTON: Noble George, that is an excellent question. I will refer it to the Chairman of the Jurisprudence and Laws Committee. He will make a report on it.

NOBLE ROBERT J. TURLEY: Imperial Sir, Section 323.1(3) of the Imperial By-Laws provides that Life Membership may be granted for meritorious service or upon payment of the fee prescribed in Section 332.6, and it has been held that the creation or

making of a Past Potentate a Life Member was done for presumably meritorious service. (Laughter and applause)

IMPERIAL POTENTATE THORNTON: We may need to stretch a definition now and then.

NOBLE ROBERT J. TURLEY: Also, Imperial Sir, as a point of further information, the Imperial By-Laws do not require a Temple to issue a Life Membership certificate to anybody. It just prohibits the issuance of a Life Membership certificate on the basis of longevity for any period of less than 35 years and as it presently reads, for less than 35 consecutive years.

The proposal here is to delete the word "consecutive". That is the only effect it will have. This does not require a Temple to issue a Life Membership certificate to anybody.

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: The question has been called for.

All those in favor of adoption please indicate by saying "Aye"; those opposed by the same sign. I declare the motion unanimously carried.

I now call upon the Chairman of the Election Tellers Committee, Noble W. Clyde Oliver, for instruction with regard to the elections.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives: As you have previously been advised and as you already know, tomorrow is election day.

For the benefit of the new Representatives and to refresh the memories of the older Representatives, I would like to briefly explain to you the procedures that we would like to follow in connection with the voting tomorrow.

Voting will take place for the office of Outer Guard immediately at the close of tomorrow morning's session. We will attempt to tabulate the ballots during the noon hour, the luncheon hour, and the report should be the first order of business tomorrow afternoon.

Now, the voting will be handled by the members of the Election Tellers Committee and balloting will be done while you are seated, not in the aisles, not in the corridors, not in the washrooms but in the position in which you are now seated.

The members of this committee will wait on you with ballot boxes—they will pass up and down the aisles so that you may cast your ballot at that time.

Now, the Imperial Potentate, just prior to the voting, will advise you of the number of the ballot that will be used and should there be any other ballots other than the one announced by the Imperial Potentate, should others be used, they will be termed invalid.

Now, are there any questions that I may answer for you?

I would also admonish you and tell you that without your ballot book you are not going to vote. The ballot books were included in the envelopes you received at the time you registered and they will be necessary at all times throughout the entire Session. This is not only for tomorrow but for each and every day until the Session adjourns on Friday. The ballot books are just as important as your pocketbook.

Now then, are there any questions? If not, thank you, Imperial Sir.

IMPERIAL POTENTATE THORNTON: Thank you, Clyde.

I would now like to ask our Imperial Recorder to present any announcements he may have.

... Several program announcements were made by Imperial Sir George M. Saunders ...

IMPERIAL POTENTATE THORNTON: I now declare this meeting recessed until nine o'clock tomorrow morning.

... The Ninety-Eighth Annual Session of the Imperial Council A.A.O.N.M.S., recessed at 3:55 o'clock p.m., to reconvene at nine o'clock a.m., Wednesday, July 19, 1972 at the Statler-Hilton Hotel, Dallas, Texas ...

MORNING SESSION

WEDNESDAY, JULY 19, 1972

NINE O'CLOCK A.M.

The Ninety-Eighth Annual Session of the Imperial Council, A.A.O.N.M.S. re-convened at the Statler-Hilton Hotel, Dallas, Texas, Wednesday, July 19, 1972, at nine o'clock a.m., Imperial Potentate C. Victor Thornton presiding.

IMPERIAL POTENTATE THORNTON: Nobles, the meeting will please be in order. It is nine o'clock and time to resume business.

I will first call upon our Imperial Chaplain, R. Bruce Brannon, for the invocation.

DR. R. BRUCE BRANNON: Nobles, let us pray. O Lord, during this day, let the words of our mouths and the meditation of our hearts be acceptable in Thy sight, our Lord, our rock and our redeemer.

O God, we beseech Thee, guard our souls, sustain our bodies, exalt our senses, direct our courses, bless our undertakings, fulfill our petitions, inspire us with holy thought. Pardon what is past, rectify what is present, order what is to come that in this session this day Thy holy name will be blessed by us, through our Master we pray. Amen.

IMPERIAL POTENTATE THORNTON: Thank you, Bruce.

We will now proceed with the election of officers. Nominations are in order for the office of Imperial Potentate. I will call on Illustrious Noble Gaylon L. Clark, Potentate of Hadi Temple.

NOBLE GAYLON CLARK (Hadi Temple): Mr. Chairman, Illustrious Sirs and fellow delegates, Imperial Sirs: Hadi Temple of Evansville, Indiana is honored to place in nomination its most illustrious Shriner for the office of Imperial Potentate of the Shrine of North America.

This gentleman is known to all of you as a most warm, friendly, generous and dedicated member of our beloved fraternity. He has brought honor and glory to our Temple, for which we are certainly grateful.

On behalf of the 4,500 members of Hadi Temple, I proudly nominate Henry B. Struby for the office of Imperial Potentate of the Shrine of North America for the ensuing year.

Hearing no other nominations, I move you, sir, that nominations be closed, the rules be suspended and that Chief Rabban Melvin W. Kallenbach of Hadi Temple be instructed to cast a unanimous ballot of this convention in favor of Imperial Sir Henry B. Struby for the office of Imperial Potentate for the ensuing year.

IMPERIAL POTENTATE THORNTON: You have heard the motion, is there a second?

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: All in favor of the motion indicate by saying "Aye". The motion is unanimously carried. (Cheers and applause)

I now will recognize Noble Kallenbach.

NOBLE MELVIN W. KALLENBACH (Hadi Temple): Imperial Sir, Imperial Sirs, fellow Representatives and Nobles all: It is a distinct pleasure, on behalf of the 781 Representatives representing the 172 Shrine Temples, for me to cast a unanimous ballot of this Imperial Council Session for Imperial Sir Henry B. Struby to serve as Imperial Potentate for the ensuing year. The ballot is hereby cast. Thank you. (Applause)

IMPERIAL POTENTATE THORNTON: Henry "Bird" Struby, do you accept?

IMPERIAL SIR HENRY STRUBY: I do, sir. (Laughter and applause)

IMPERIAL POTENTATE THORNTON: Henry accepts. (Laughter)

It is now my pleasure to declare Henry B. Struby duly elected to the office of Imperial Potentate. He is not yet installed, that comes Friday.

In a few moments we will recess for the pageant and we will reconvene immediately after the pageant, as soon as the room has been cleared, at which time we will continue with the election of the other Imperial Officers.

We are now recessed for the purpose of conducting the pageant for this great man, Henry B. Struby.

... A brief recess ensued while arrangements were being completed for the presentation of the pageant program, during which time the combined bands of Hadi and Hella Temples rendered various musical selections ...

NOBLE GAYLON CLARK: May I have your attention at this time please. I am afraid it will be a little difficult to hear above this noise. May we have a little more quiet, please. Thank you, ladies and gentlemen.

It is no secret to you that we are celebrating the one hundredth year of Shrinedom as well as fifty years of service by our unique hospitals. They know that at Evansville, Indiana also but their joy will be nothing as compared to their enthusiasm when they get the official word that you have elected our Imperial Sir, Henry B. Struby, to serve as Imperial Potentate of all Shrinedom.

In just two hours from now, your Evansville afternoon newspapers will start printing a twenty-eight page tabloid section to salute our Imperial Sir, Henry B. Struby, on his election. I understand that this large tabloid section might be the first of its magnitude ever on the occasion of the election of a new Imperial Potentate. A private plane will fly several thousand of these copies here for distribution tomorrow.

... Color slide of fireworks ...

Earlier this month, all Hadi Temple Units participated in a giant parade as part of the nation's largest freedom festival staged in Evansville. You can be certain that your Imperial Potentate-Elect was there for the largest ever fireworks display on the Fourth of July.

... Freedom festival slide ...

As dear as "Back Home Again in Indiana" is to all Hoosiers, we will not review again the glitter and glamour in Indiana, as most of you viewed it in film just three years ago. However, we do have a few slides that tell you something of the city that is behind Henry B. Struby.

... Slide of civic center complex ...

Here we have our new civic center complex built at a cost of 21 million dollars.

... Slide of city-county buildings ...

Here, astride the main business streets of our downtown, are located the offices of our many city and county functions.

Also our courts and school administration.

Adjoining in the complex are the federal offices and main post offices.

... Slide of convention hall ...

Anchored at the other end of Evansville's new civic center complex is a new convention hall.

The convention hall shares part of its complex with a new downtown civic auditorium that presents many traveling stage attractions as well as our own philharmonic orchestra and Musician Club offerings.

... Slide of downtown mall ...

Even our downtown shopping area has taken on a new look, with wide pedestrian-only access to the stores amidst interesting plantings, fountains and the like.

This six-block mall is anchored at one end by the civic center complex and the other anchor situated along the Ohio River will be the site of a 50 million dollar complex of high-rise luxury apartments, offices, stores and a hotel.

... Slide of Credithrift Building ...

Just a few blocks away is the national headquarters building of Credithrift, and one office in this building (slide) is that of Henry B. Struby, a Director and Vice President, who will spend very little time here in the ensuing twelve months.

... Slide of Hadi Temple Mosque ...

Just a stone's throw away in the other direction from the plaza complex is the Hadi Temple Shrine Mosque, where fine food and Shrine fellowship generates crowds each weekday, noon and evening.

The upper floor houses meeting rooms for our various uniformed units.

... Slide of Delta Queen ...

Our Shrine Mosque is situated right on the bank of the Ohio River. Imagine you are there and let's see what the legendary riverboat "Delta Queen" has brought us today.

First we have the Hadi Temple Color Guard, a great unit with flags flying, which is directed by Captain William Richard and administered by its President, Roger Meritt. This unit was formed in 1948.

... The Hadi Temple Color Guard was presented on the stage ...

Now, Nobles and ladies, Hadi Temple, from Evansville, Indiana, in southwestern Indiana, presents your Imperial Potentate-Elect, Henry B. Struby, and his lovely wife, Margaret.

... Whereupon, Imperial Sir Struby and his Lady entered from the back of the stage, amid the rising applause of the assembled Representatives and guests and assumed their positions in chairs provided for them on the stage ...

Hadi Temple was chartered in April of 1910 at the Imperial Session at New Orleans and has grown steadily to its present membership of 4,500.

At Hadi, all of our Divan members work. I am happy to present them to you, both elected and appointed. Please hold your applause until all are introduced.

Our Outer Guard, Noble Earl Bickmeier.

Our Captain of the Guard, Noble Norman Burnworth.

Our Marshal, Warren Richard.

Our Director, Ralph Cheaney.

Our Second Ceremonial Master, William Ashby.

Our First Ceremonial Master, Dwight Cooper.

Our wonderful, genial Recorder for 29 years, Albert Bohnsack.

Our Treasurer, Charles Oxley.

Our Oriental Guide, Marion V. Haley.

Our High Priest and Prophet, O. C. Shaw.

Our Assistant Rabban, E. E. Johnson.

Our Chief Rabban, Melvin Kallenbach. (Applause)

Thank you, gentlemen.

We also have with us several close friends of our Imperial Sir from Evansville, gentlemen who have been the pride of Hadi over the years, our Past Potentates. Please again hold your applause until all are introduced.

Clarence E. Krieger—1949.

... Applause ...

We would also like to introduce to you the Potentates of our sister Temples from Indiana:

Mizpah Temple, Fort Wayne, Illustrious Sir Oral F. Ice. (Applause)

Murat Temple, Indianapolis, Illustrious Sir John R. Barney. (Applause)

Orak Temple, Hammond, Illustrious Sir Clarence A. Tapper. (Applause)

Zorah Temple, Terre Haute, Illustrious Sir Gene Knauer. (Applause)

Thank you, gentlemen.

Now, as we are all so well aware, the hub of any Temple's working force is its units. Hadi is no exception.

Under the leadership of Major George Freeman and Assistant Major Ed Korff, I present Hadi's Uniformed Units.

. . . Whereupon, the following units, as their identity was acknowledged, presented themselves on the stage . . .

NOBLE CLARK: First we have the Arab Patrol. The Arab Patrol was the first unit formed in many Temples, so it was in ours. Originated in 1912 and now under the guidance of its President, Robert East and Director, Andrew J. Wilson. Thank you, gentlemen.

Our brass band was formed in 1914 and is performing with the great Hella Temple band here in the front. Our band is under the direction of Cantrell Craddock and its President is Alvin H. Kaltofen. Thank you, gentlemen.

Next we have our Drum and Bugle Corps. Noble Maxwell Goldberg is the President of Hadi's Drum and Bugle Corps, which began blowing and drumming in 1925. Wilbur Hilgedieck is its Director. Thank you, gentlemen.

Next is our Oriental Band. Our Oriental Band has some forty members, with James McCutchan as President and Edward Knight leading their beautiful music. It was formed in 1930. Thank you, gentlemen.

1952 saw our Chanters formed. Their Director is James W. Sieber, with Herman Thuerbach, his assistant. The President is Arthur T. Stilwell. Thank you, gentlemen.

1957 saw two of our most beautiful and colorful units formed, one of which was the White Horse Patrol, whose Captain is Harold Schweikhart and President John Horrom, who both do an excellent job.

Also in 1957 we were blessed with the start of our Funsters—a very kind hearted, dedicated group of Nobles, led by their Director, Wilbur Kuebler and President Leroy Bawell. Thank you, gentlemen.

Hadi likewise has its Motor Patrol. Started in 1970, its leaders today are President Charles H. Unsel and Captain Paul Garrison. Thank you, gentlemen.

One other group, while in our Temple not technically a uniformed unit, contributes greatly toward the success of many Temple functions—our Directors Staff, under the able Directorship of Harvey Johnson. Thank you, gentlemen.

Now, will all of the people from Hadi Temple stand and let's show them how we came down here to support Henry.

. . . Applause . . .

The themes of Imperial Sir Henry Struby's year as your Imperial Potentate will be De Molay Membership, Growth of the Shrine and the One Hundred Million Dollar Club.

Relating to the membership portion of the theme, Imperial Sir Struby wishes to display for your consideration the growth of the Shrine in twenty-five year intervals since its inception.

We are privileged to have with us today gentlemen from a number of Temples in this twenty-five years. I am not sure where they are all located. However, we do wish they would come onto the stage. We tried to contact all of them.

Our fraternity began with the chartering of Mecca Temple in New York City on September 26, 1872. Illustrious Sir Philip Margolin and his Divan are here this morning. Mecca was chartered with thirteen members. Thank you very much. (Applause)

Twenty-five years later, in 1897, the Shrine had grown to 44,280 members. The Imperial Council Session was at Detroit, Michigan that year.

Beni Kedem Temple of Charleston, West Virginia, was chartered on June 9, 1897. Illustrious Sir George G. Kerr and his Divan of Beni Kedem Temple traveled to Dallas to be with us. (Applause)

Alee Temple of Savannah, Georgia, was chartered the same year on the same day and Illustrious Sir George F. Mill of Savannah and his Alee Divan are also here with us. (Applause)

In 1922, fifty years after its birth, the Shrine of North America was composed of 510,816 Nobles.

The Imperial Session was held in San Francisco, California in 1922 and four Temples were granted charters. They were chartered on June 15, 1922.

Al Bedoo of Billings, Montana was first alphabetically. The Divan of Al Bedoo, led by Salmer A. Leigland are here and I present them to you now. Thank you very much. (Applause)

From Bangor, Maine, comes Illustrious Sir Albert F. Gerry and his Divan from Anah Temple. (Applause)

Mahi Temple, from Miami, Florida, our gracious Imperial Council Session host of last year, was another 1922 chartered Temple and their potentate, James W. Scrofani and his Divan are present here today. (Applause)

Last in alphabetical order is Tigris Temple of Syracuse, New York. Illustrious Potentate Glenn R. Jacobson and his Divan are here from Tigris Temple. (Applause)

1947 was a banner year for Shrinedom. Although our membership had dropped slightly, to 491,559, due to depression and wars, the Nobles were extremely perceptive in the selection of the leaders of their Temples. The Imperial Council met in Atlantic City, New Jersey. No less than five of the Temples Potentates elected in 1947 have gone on to become the Imperial Potentate of all Shrinedom. We are privileged to have these gentlemen with us today and I would like to present them to you.

Imperial Sir George Stringfellow, from Crescent Temple, of Trenton, New Jersey, served from July 17, 1958 to July 19, 1959. (Applause)

Imperial Sir George A. Mattison, Jr., Zamora Temple, Birmingham, Alabama, from July 14, 1960 to June 22, 1961. (Applause)

Imperial Sir Marshall M. Porter, Al Azhar Temple, Calgary, Alberta, was Imperial Potentate from June 22, 1961 to July 5, 1962. (Applause)

Imperial Sir George M. Klepper of Al Chymia Temple, Memphis, Tennessee, was Imperial Potentate from July 5, 1962 to July 11, 1963. (Applause)

Now, some of the alert persons here may have counted only four. We of Hadi believe one of the greatest Potentates of 1947 was our Henry B. Struby, whom we are sure will join these other men in lending luster to the class of 1947.

In this, the 100th anniversary of the Shrine, we have 886,501 Nobles carrying on the work of this great, respected organization.

Now, I understand we have some presentations.

And now, I understand that Al Malaikah Temple at Los Angeles, California, through their Potentate, James Cunningham, and members of their Patrol, Anthony Parisian, Captain, and Arnold E. Wayman, President, wish to make a presentation to Imperial Sir Struby.

NOBLE ARNOLD E. WAYMAN: Imperial Sir, on behalf of Al Malaikah and its 29,000 Shriners, the Crescent Patrol would like to present you with this swagger stick. It depicts your achievements and your Masonic career. Also, this is the twentieth year that this presentation has been made.

Imperial Sir, carry it with pride.

... Presentation of swagger stick and applause ensued ...

NOBLE JAMES CUNNINGHAM: Imperial Sir, I also have a little presentation, an album of pictures taken of you and Mrs. Struby back in May, during the Western Shrine Association convention. We hope that you will enjoy looking at them as you have more time in the future.

... Presentation of picture album and applause ensued ...

IMPERIAL SIR STRUBY: I wish to thank both of these gentlemen for their presentations.

NOBLE GAYLON CLARK: And now, Imperial Sir, Noble Hoover, the Master of your Masonic Lodge, Reed Lodge No. 316, AF & AM, wishes to make a presentation.

NOBLE HOOVER: Imperial Sir, our contribution to you, in your name, is a "ladder of smiles".

... Presentation of plaque ensued ...

IMPERIAL SIR HENRY STRUBY: Thank you very kindly.

NOBLE GAYLON CLARK: And now, sir, the President of the Great Lakes Shrine Association, Noble Lloyd Turnbull, and their Secretary, Thorai Schehr, wish to make a presentation.

NOBLE LLOYD TURNBULL: Imperial Sir, Henry, we know that this is certainly a special day for you. However, we feel that it is a bit of a special day for we in the Great Lakes Shrine Association, the largest association in members in all of Shrinedom—an association that you helped to organize and which you served as President of.

We appreciate very much that you have done much for us through the years and as an Imperial Officer, and we are here today to make a presentation to you because we love you and we have all the respect in the world for you and appreciate so much your activities in Shrinedom.

We have here (indicating) a card, which extends our best wishes and then in this envelope is a picture of a clock that will tell you the time anywhere in the world and after you have finished your year as Imperial Potentate you know what time it will be anywhere that you would like to travel.

Our very best wishes to you, Imperial Sir.

... Presentation of gifts and applause ensued ...

NOBLE GAYLON CLARK: And now, Illustrious Sir, our Imperial Recorder, George M. Saunders, wishes at this time to present the Imperial Potentate's flag.

IMPERIAL SIR GEORGE M. SAUNDERS: Illustrious Sir, Imperial Sir, Imperial Sirs, Representatives and ladies: It is a special privilege for me to participate this morning in presenting the newly elected Imperial Potentate with his official flag.

This flag is of royal purple and gold embroidery and reflects the sentiments of nearly one million Nobles of the Mystic Shrine in their gratitude and affection exemplified to Imperial Sir Struby, the favorite son of Hadi, the southernmost Temple in the state of Indiana, on the banks of the Ohio River.

May you as Imperial Potentate, marching behind this flag and at the head of this group of Nobility, enjoy your year of service to the Order as the golden diadem in your life's history.

May the year ahead bring only joy and happiness to you, Imperial Sir, together with an abundant growth and prosperity to the work of the Shrine as a fraternal Order and Shriners Hospitals for Crippled Children, the world's greatest philanthropy.

It is a genuine pleasure for me to present to you, in the name of the Representatives of this Imperial Council, the Imperial Potentate's flag.

... Presentation of flag and applause ensued ...

NOBLE GAYLON CLARK: There are also several distinguished guests from the state of Indiana we would like to present to you at this time.

Will our Worshipful Grand Master and his next two in line please present themselves at the platform.

Ladies and gentlemen, I present to you John Jena, Most Worshipful Grand Master of the Grand Lodge of Free and Accepted Masons of the state of Indiana. (Applause)

I also present to you Forest Wakeman, Deputy Grand Master of the state of Indiana. (Applause)

We at Hadi are most privileged to present to you this next gentleman, Noble Frank Krug, who is Grand Senior Warden of the Grand Lodge of Indiana. (Applause) He is also a member of Hadi Temple.

Thank you, gentlemen.

Now, I previously indicated to you that Henry is very much interested in the De Molay. We have some De Molay officials here today.

We have with us the Grand Master, J. W. "Jack" Nutt, right here in front. (Applause)

Also, the De Molay Master Councilor of Texas, Frank Jackson. (Applause)

Now, sir, I think we have a unique presentation which has been arranged by yourself. (Laughter) Will the Nobles from the Color Guard of Hadi Temple please step forward so the flags which they are guarding may be more readily seen by those who are present.

Ladies and gentlemen, these two beautiful United States flags presently displayed here are of the vintage of 1872. These were procured by our Imperial Sir, Henry B. Struby, and are being donated by him, one to Mecca Temple to be used for the balance of this year of the 100th anniversary of the Shrine and then to be placed in the Shrine Rooms East at Alexandria, Virginia; the other flag is being sent directly to the Shrine Rooms West at San Francisco, California.

Thank you, gentlemen. (Applause)

Now, Margaret, will you please come up here for a presentation by the wife of one of Hadi's most illustrious Nobles.

... Whereupon, Mrs. Margaret Struby was presented with a bouquet of beautiful roses as a symbol of affection from all of her friends at Hadi Temple . . .

NOBLE GAYLON CLARK: And now, Illustrious Sir, on behalf of the members of Hadi Temple, I wish to make two presentations—one you will use this year and the other next year.

I am honored at this time to present to you your most apparent badge of the office of Imperial Potentate, this beautiful five-star Fez, which is emblematic of your high attainment.

... Presentation of Fez and applause ensued . . .

IMPERIAL SIR HENRY STRUBY: You know, twice this week I have been found running up and down the halls with a five-star Fez on. (Laughter) I am not going to let that happen again until Friday and, therefore, I will just accept it this way and put it on and keep it on after Friday. Thank you so much. (Applause)

NOBLE GAYLON CLARK: And now, sir, we at Hadi wish to present you with a new vehicle. Because you have ridden in Oldsmobiles so often through the courtesy of the Oldsmobile Division of General Motors, we wish to present you the keys to an Oldsmobile "98" sedan automobile. Of course, you understand we don't have the automobile. Perhaps you can find one which these keys will fit. When you find that car, please advise us at Hadi and we will do our utmost to make it yours.

... Laughter and applause ensued . . .

Now, Sir, I have the following telegram which I would like to read and have made a part of the record: "Dear Henry: "I am sorry that Senate business prevents my being with you at this happy occasion. I am very proud to have a Hoosier and long time friend presented such an honor. I am certain your fellow Shriners have made a fine choice. My best wishes and congratulations. Sincerely.

Vance Hartke USS."

... Applause . . .

NOBLE GAYLON CLARK: And now, sir, I am certain everyone present has been waiting to hear from you.

Ladies and Nobles, our newly elected Imperial Potentate, Imperial Sir Henry B. Struby.

... Rising applause . . .

IMPERIAL SIR HENRY B. STRUBY (Imperial Potentate-Elect): Chairman Gaylon Clark, Potentate of Hadi Temple, Most Worshipful Grand Master Jena, Imperial Potentate Victor, Imperial Officers, distinguished Masons and Shriners, business associates, friends and lovely ladies: I am most humble, yet extremely proud to have been elected your Imperial Potentate for the ensuing year.

May I take this opportunity to introduce my wife, Margaret, who I think you have seen here, but will you stand up again anyway, Margaret. (Applause)

Also, my sister, Ruth and her husband. (Applause)

My sister Hazel. (Applause)

My brother, Bill, and his wife. (Applause)

Of course, that sounds like a paid advertisement but they have done so much to help me get to this high position that I just feel I have to again recognize them.

I also wish to present to you the Chairman of the Board of the Credithrift Financial Corporation, Noble Jack Tyring, a Past Potentate of our Temple, and I also think that nine out of ten of our executive officers belong to the Shrine. Therefore, you can see why maybe they gave me a little time off. (Applause)

I would also like to have you know and really get to know these next two men—Gene Bracewell, my Director General, and Dan Shermer, my Housing Chairman in connection with our Atlanta Imperial Session, the week of July first through seventh, 1973. Are either Gene or Dan here? They are probably working at headquarters trying to get a few last minute things accomplished.

My Chaplain this year will be Noble John Jefferson of Murat Temple, Past Grand Master of Masons of Indiana. You know, I was accused of trying to cut down on expenses by not having to purchase him a new Fez and Jewel, because he served as Past Imperial Potentate Baker's Chaplain. However, John is a great Christian gentleman and I am proud to have him serve with me. John, are you here? Way in the back. (Applause)

My program this year will be as you heard—to encourage membership in the De Molay and the Shrine, and to try to get all Shriners who are able to do so, to join our One Hundred Million Dollar Club.

In addition, we are planning a tremendous seminar in New York City from September 23 through the 26th, under the guidance of Imperial Officers Jacob Wingerter and Peter Val Preda.

My thanks to the Band, the Units, the Temples and the great group of 1947 Potentates that went on to be the Imperial Potentates of our great fraternity, and all who helped on my pageant, especially Gaylon Clark and Clarence Krieger of Hadi Temple. I would like to have you give them one more big hand if you don't mind. (Applause)

My thanks also to one of the greatest guys alive, whom it has been the privilege of the Strubys to know—Imperial Potentate Vic Thornton. It has been a real pleasure to serve with him. He has been really kind to the Strubys and I want you and Peg to know, Vic, we will always remember your kindnesses to us and perhaps after we get through this next year we may play that golf you promised and that we talked about. (Applause)

All that I can tell you about the gifts is that well known expression "You shouldn't have done it". However, Margaret and I are sure glad you did. (Laughter)

We sincerely are not looking for visitation dates but we will try to fill all the invitations we possibly can. The Thorntons have set a goal that no one is going to surpass, I don't believe. However, as I say, we will try to fill all of the visitation dates we possibly can. I would like to meet with you and be with you if we possibly can make it.

I appreciate your confidence in me and will do my best to bring honor and distinction to our great Shrine.

This concludes my remarks and I would now like to call upon our Imperial Chaplain, the Reverend Bruce Brannon, for the benediction.

REVEREND BRUCE BRANNON: (Imperial Chaplain): Nobles, let us pray.

O Thou, who are the fountain of all wisdom, the guide of those who truly trust in Thee, send Thy holy spirit with Thy blessing upon this one whom Thou has raised up for this hour. Protect him, O Heavenly Father, from the dangers of the ways as he makes his many travels. Be Thou his wisdom and his guide in all things.

We bless Thee for his great, humble heart. May it continue to please us and be set before us an example of truth and fraternal brotherhood.

And we pray, O God, our Father, that Thou wilt long spare him to the Nobility—that we may look up to him not just for one year but for many years to come.

Bless Thee beloved one, O Father, who walks by his side. May Thy great love strengthen him in every hour when trials come. We give Thee all praise, both now and forever more, and now may God bless you, keep you, may His presence be real unto you in the days to come, we pray in the Master's name. Amen.

IMPERIAL SIR HENRY B. STRUBY: This concludes our program and I thank you all for coming.

I also want to congratulate him because he will become an Emeritus member at the conclusion of this Session and, therefore, I know he is going to be around to nominate me a few more years and that might get me by. (Laughter)

You know, Harvey Smith is a tough act to follow and I am not going to try to follow his act. (Laughter) However, I am sure a lot of you gentlemen in this room will remember last year when the Imperial Potentate lined three of us up on the stage, Mr. Bennett, Mr. Wingerter and yours truly, Fred Morrison, and at that time we looked like three fat porpoises. Now, if you look at those two fellows, they

still look that way but take a look at me. (Laughter and applause) That is a loss of 32 pounds.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: Let there be no mistake—this is for the office of Imperial Captain of the Guard. (Laughter) I know he has been enjoying this last year but the competition might be a little stiff for the other office. (Laughter)

All those in favor of the motion please signify by saying "Aye". That was also unanimous.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives, it is a pleasure to cast the unanimous ballot of this Imperial Council for Dr. H'Doubler for the office of Imperial Captain of the Guard for the ensuing term.

NOBLE JOHN JELINEK (Morocco Temple): Imperial Sir, Imperial Sirs, Illustrious Potentates and fellow Representatives: It is my honor to place in nomination a candidate for the Imperial Outer Guard, the name of Shrinedom's friend and mine, Randy Thomas of Morocco Temple of Jacksonville, Florida.

In his time, a man plays many parts and Randy has played them well and fully.

As a family man, Randy and his lovely wife, Olene, are proud of their 35 year marriage, their two children, both also happily married and two grandsons.

As a businessman, Randy Thomas has demonstrated the strength and assurance of the true, prototype American businessman with his dynamic approach to the appliance merchandising field.

The confidence of his growing number of customers is reflected in the success of McDuff Appliances, currently numbering over thirty stores throughout the southeast.

Randy is Chairman of the Board of McDuff, owns a large motel and is on the Board, the Executive Committee and is a major stockholder of Sav-A-Stop, Incorporated, with annual sales in the 200 million dollar category.

In addition, Randy Thomas is a principal stockholder in a chain of quick service food shops in the Philadelphia-Baltimore-Washington triangle and has extensive real estate holdings. His most recent success was as one of the developers of the lovely Hidden Hills Country Club, site of the Greater Jacksonville Open Golf Tournament. He is also a charter member of the Board of Directors of the South Side Atlantic Bank and Chairman of the Board of the First City Bank of Fernandina Beach, Florida, recently chartered by the state of Florida.

As a good citizen, Randy has always been willing and eager to serve. He has been Chairman of the Jacksonville Port Authority, credited with giving Jacksonville a vastly expanded and expanding seaport and with providing travelers with one of the most attractive international jet airports in the world. On the YMCA's Board of Directors for many years, Randy has played a leading part in fund raising for rebuilding and remodeling its facilities.

He is a Director of the Associated Industries of Florida and was recently elected Vice President of the Florida Retail Federation. He was also a member of the National Advisory Council of the Select Committee for Small Business.

A communicant of St. Mark's Episcopal Church in Jacksonville, Randy Thomas also serves as Director of the Jacksonville Convention and Visitors Bureau, the Gator Bowl Association and on the Advisory Board of the Big Brothers of Jacksonville.

In 1967 the Sales and Marketing Executives Club awarded him their plaque for "Outstanding Accomplishments in Commerce and Industry", one of only five such awards presented—the other four being made to Presidents of billion dollar corporations.

As a good Shriner, Randy Thomas joined the Blue Lodge in 1948 and is an Honor Life Member of the Morocco Temple Arab Patrol. He has served in every successive appointive and elective office of Morocco Temple.

Randy was Director General of the Southeastern Shrine Association convention in Jacksonville in 1969, which entertained more than 15,000 Shriners. In 1968, when Randy was Potentate of Morocco Temple, he hosted the Shrine Directors Association of North America in Jacksonville.

That same year, during his tenure as Potentate, Morocco Temple was remodeled and renovated and Randy further served as President of the Florida Shrine Association.

A member of St. Honore Conclave, Red Cross of Constantine, Randy has also served on the Board of Shriners Hospitals for Crippled Children, Greenville Unit.

Capable in every respect and, as a family man, his son, Randy Junior, now shares fraternal functions with his dad. Morocco Temple's spring ceremonial of 1972 added Randy Junior's name to its list of Shriners.

As a successful businessman, as an all around good citizen and as a fine, dedicated Shriner, I hereby place in nomination as candidate for the office of Imperial Outer Guard, the name of a man of many parts—Past Potentate Randolph H. Thomas of Morocco Temple.

Thank you, gentlemen.

IMPERIAL POTENTATE THORNTON: You have heard the nomination. I do not believe it requires a second. I am sure I could get one somewhere.

Are there any further nominations? Yes, there is one, and I present to you, for the purpose of making that nomination, Illustrious Robert Voss, Past Potentate of Mohammed Temple.

NOBLE ROBERT VOSS (Mohammed Temple): Imperial Sir, Imperial Sirs, Illustri-

ous Potentates and Representatives all: The office of Imperial Outer Guard is the first rung of a ladder that eventually leads to the office of Imperial Potentate. The Noble whom we elect here today should have all of the qualifications necessary for that high office.

I believe that Daniel E. Bowers has those qualifications.

He is a skilled surgeon and physician. His medical knowledge and experience would permit him to make valuable contributions to any questions that may arise concerning the care and treatment of the patients in our hospitals.

As Chief Executive Officer, Medical Officer, of one of the largest hospitals in the state of Illinois, Dan has an understanding and knowledge of the business side of running a hospital.

He is a successful businessman with many and varied business interests, including a large 500 room hotel.

He is a member of the Board of Directors of one of Peoria's leading financial institutions and, as such, has gained considerable insight to the knowledge of finance and investments.

Since he became a Noble in the Mystic Shrine, Dan has given of his time freely and without hesitation. He has served on numerous committees and has been Chairman of many, not just in the Shrine but in the York Rite and the Scottish Rite and with his Blue Lodge.

During the ten years that Dan served on the Divan of Mohammed Temple, he served as Director General of our circus. He was responsible for the function of our uniformed units, our Shrine Clubs and our membership.

During his year as Potentate, Mohammed Temple had one of its most successful years. It was through his guidance and his initiative that Mohammed Temple spent 800 thousand dollars on a building addition which now houses our new administrative offices, meeting rooms, a new heating plant and a completely air conditioned Mosque.

Yes, Dan Bowers is a dedicated and devoted Noble. It was this dedication that provided the motivation for him to travel thousands of miles in 1970 and 1971 when he first sought this office of Imperial Outer Guard. It has been this dedication that has sustained him this past year as he traveled from Maine to California, from Canada to Mexico, visiting more than a hundred Temples, talking personally with hundreds of you Representatives, giving you the opportunity to judge and evaluate his qualifications.

He has attended virtually every Shrine business session and ceremonial session of each Shrine Association across the country.

Dan Bowers has the necessary qualifications. He has the dedication, he has the experience and he has the knowledge and the time and financial means to give to this office and fulfill its obligations and responsibilities.

With the whole hearted endorsement and enthusiastic recommendation of 8,500 Nobles of Mohammed Temple, it is with honor and a great deal of pride that I place in nomination for the office of Imperial Outer Guard, Daniel E. Bowers, Past Potentate of Mohammed Temple.

Thank you. (Applause)

IMPERIAL POTENTATE THORNTON: Are there further nominations?

. . . At this point, it was severally moved and seconded that nominations be closed . . .

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that nominations be closed. All in favor signify by saying "Aye"; those opposed "No". The motion is carried.

I will now call upon the Chairman of the Tellers Committee, Illustrious Sir Clyde Oliver, to explain the procedure for balloting.

NOBLE W. CLYDE OLIVER: Imperial Sirs and Representatives: Now you can get out your ballot book and not your pocketbook. The tellers will wait on you. They just have been assigned to respective stations and in just a moment the Imperial Potentate will advise you as to the ballot to be used.

Should there be used a ballot other than that which has been indicated by the Imperial Potentate, it will be declared void.

Now, Imperial Sir, I would ask that you announce the number of the ballot to be used.

IMPERIAL POTENTATE THORNTON: It will be ballot number three.

NOBLE W. CLYDE OLIVER: Ballot number three will be used and, as the ballot boxes are passed back and forth through the aisles, we would request that you put your ballots in the boxes. I would also ask the tellers to remain in this room until the Imperial Potentate has declared the ballot closed.

... Whereupon, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE THORNTON: At this time I would like to ask if everybody has voted and deposited his ballot? Again, I repeat, is there any Representative who has not yet deposited his ballot in the ballot box? Is there anyone who has not voted? I then declare the ballot closed.

Now, before we recess, let me explain that the Representatives' luncheon is in the northeast corner of the Embassy Room.

I now declare the meeting recessed until 1:30 o'clock p.m.

... The Ninety-Eighth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 12:00 o'clock noon, to reconvene at 1:30 o'clock p.m. ...

I will now call on the Chairman of the Tellers Committee, Clyde Oliver, for his report.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives, it is with pleasure that I give you the results of the ballot for office of Imperial Outer Guard.

There were a possible 775 votes; 753 actually voted. There were two spoiled ballots. Necessary for choice, 377.

The votes were distributed as follows:

Noble Daniel E. Bowers—259

Noble Randy R. Thomas—494

... Cheers and applause ...

IMPERIAL POTENTATE THORNTON: Will Randy Thomas please come forward.

I will recognize Noble Daniel Bowers.

NOBLE DANIEL BOWERS: Imperial Sir, Imperial Sirs and Imperial Representatives and all Nobles: May I be the first to congratulate Randy Thomas upon his election to the Imperial Divan. He is a great fellow and may I wish for him and his family good health and success in the years ahead.

As for myself, likewise, I wish to thank those who supported me this year in this great effort and I will look forward to seeing many of you again.

I wish to thank Bob Voss who nominated me and others of my Temple who supported me. This has been a great effort and I appreciate your thoughtfulness and kindness to me and my wife, Virginia, this year as we traveled across the country.

I shall look forward to seeing you again because it is my intention to run again.

... Cheers and applause ...

It is my hope that next year that you will favor me with a similar honor such as you bestowed upon Randy today.

Now, Imperial Sir, I would like to make this motion—that this august body cast a unanimous ballot for Randy Thomas for the new Imperial Outer Guard and that our Imperial Recorder, George Saunders, cast such a ballot. Thank you. (Applause)

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second—that a unanimous ballot be cast for Randy Thomas. All those in favor signify by saying “Aye”. That sounds pretty unanimous to me. (Laughter)

IMPERIAL SIR GEORGE M. SAUNDERS: Representatives, it is a distinct pleasure for me to cast a unanimous ballot of this Imperial Council for Randy Thomas for the office of Imperial Outer Guard for the ensuing term.

IMPERIAL POTENTATE THORNTON: Now, Randy Thomas, do you accept? (Laughter)

NOBLE RANDY THOMAS: Imperial Sir, Imperial Sirs, Illustrious Sirs and my fellow Representatives: Indeed, I do accept, with a tremendous amount of humility. I do appreciate the kind words that my good friend Dr. Dan Bowers had to say about my family, as well as myself, and I am the first one to say that he is a great guy, a great person. We have had nothing but a wonderful time campaigning together.

So, again, I stand before you to serve to the best of my ability the Nobility of North America. I pledge to you also and to the Imperial Divan that I stand ready to serve on any committee or anything that I can be of any service on.

Thank you all so very much. (Applause)

IMPERIAL POTENTATE THORNTON: Thank you, Randy, and I declare you duly elected to the office of Imperial Outer Guard.

I will now recognize Robert Turley.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE THORNTON: I will now call for a report of the Jurisdictional Lines Study Committee, a special committee, the Chairman of which is Everett H. Trunk, Moila Temple.

NOBLE EVERETT H. TRUNK (Moila Temple): Imperial Potentate, C. Victor Thornton, Imperial Sirs and Representatives to this Ninety-Eighth Session of the Imperial Council of the Shrine of North America: The special committee appointed by Imperial Potentate C. Victor Thornton to make a study of the problem that jurisdictional lines create as a resistance toward the receiving of petitions in marginal areas herewith submit their recommendations of legislation to this Ninety-Eighth Imperial Council Session.

Now, let me say that this legislation was in the Call and it is in the hands of the Jurisprudence and Laws Committee to report out for your action.

This report is respectfully submitted by Illustrious Nobles Ray Nyemaster, Louis J. Best, Webber C. Harrington and Thomas E. Lucas and myself.

I move you, Imperial Sir, that this report be accepted and filed.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: Representatives, you have heard the motion, that the report of the Jurisdictional Lines Study Committee be accepted and filed and it has been seconded.

All in favor signify by saying “Aye”; those opposed “No”. The motion is carried.

I will now call on a member of the Jurisprudence and Laws Committee, Noble Walter Jeffries, for a report of the committee on this proposed legislation.

NOBLE WALTER S. JEFFRIES: Imperial Sir, Imperial Sirs and Representatives: We are about to place before you two proposed amendments and, for your convenience, they appear on Page 12 of the Call, at the bottom of the page and also on Page 13. These are companion matters. However, they will be taken up separately.

The first will have to do with Section 328.4, “Waivers”.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Everett H. Trunk, Chairman of the Jurisdictional Lines Study Committee and Emeritus Representative of Moila Temple, a proposal to amend §328.4 of Article 28 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

“§328.4 WAIVERS

(a) Except as provided in subsection (f) a Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

(f) If a request for waiver be made by certified or registered mail upon a form provided by the Imperial Recorder for such purpose, the Temple receiving such request shall have a period of 90 days after such request was mailed in which to itself solicit a petition for membership from the prospective candidate named in such request; and, if a petition is not made to such Temple within the 90 days, the Temple which requested the waiver may receive the prospective candidate's petition and initiate him in the same manner as if the request for waiver had been granted. Provided, however, that this subsection shall not apply to any prospective candidate who has been rejected by the Temple from which a waiver is requested; and, provided further, that no Temple may offer or give any award or other inducement to its members who procure or sign petitions of prospective candidates for whom waivers are requested hereunder.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert J. Turley, *Chairman*
John D. Cochran
Edward G. Maag
Walter S. Jeffries
Frank H. Cathey
Warren L. Jones
William H. Knowlton

NOBLE WALTER JEFFRIES: Imperial Sir, I move the acceptance of this report.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that this report be accepted. All in favor signify by saying “Aye”; those opposed “No”. The motion is carried.

I would now like to call on Illustrious Sir Everett H. Trunk for a presentation of that proposed legislation.

NOBLE EVERETT TRUNK: Imperial Sir and Nobles: I wish to say, first, that there has been no member of this Jurisdictional Lines Study Committee that had asked for such a committee to be formed, nor have we asked to be placed as a member on same.

The thought or necessity for some sort of correction of our Shrine Law relative to the residence for initiation of candidates in Shrine Temples has been passed down from Imperial Potentate to Imperial Potentate over the years. This committee made a recommendation two years ago at the Imperial Session at Indianapolis. It involved change of jurisdictional lines. Legislation of a similar nature had been proposed last year but it was withdrawn when the committee found what they thought is the correct solution to have candidates able to join the Shrine, the Temple that they so desire, but that particular legislation presented at the last Imperial Session was not in the Call.

The last three Imperial Potentates, therefore, have felt that constructive legislation should be presented and something approved along this line or such a Jurisdictional Lines Study Committee would not have been continually appointed.

It is the desire of this committee to call the attention of all of the Representatives to the fact that this legislation makes no change in the jurisdictional lines of the individual Temples.

I also wish to state that every business that produces a product for sale, above all, endeavors to make it easy for the public to purchase this product. The Shrine, on the contrary, because of its present law, tells the prospective candidate that "If you don't come to us where we want you to go, no matter how difficult it is or how little you can participate, then you cannot belong to the Shrine."

Now then, why do we wish to hurt ourselves like this?

I think we must all agree that the people today, far more than in former years, are going to enjoy themselves socially in the general area of the community in which they live and where they conduct their business and make their livelihood. Our objective should be to make it easy for them to be Shriners rather than restrict them by a very obsolete law that was made in 1872, when means of transportation and residential areas and highways were far different than they are today.

We submit this recommended legislation to you with the feeling that there is no change in the jurisdictional territory of any Temple but it will create an opportunity for a prospective candidate to join a Shrine Temple close to his place of residence, with people that he associates with daily in both social and business way.

At this time I would like to have the Vice Chairman of our Committee, Thomas E. Lucas, explain some additional aspects of this recommended legislation.

IMPERIAL POTENTATE THORNTON: Illustrious Sir Thomas Lucas is recognized.

NOBLE THOMAS E. LUCAS: Fellow Representatives, in our report to you last year this committee did an about face with regard to membership in the Shrine, in the fact that we got away entirely from making any recommendations whatsoever with regard to jurisdictional lines.

It became our feeling, after a study of several years, that each and every Temple here was proud of its jurisdiction which it had and certainly wanted to keep it.

Our thought involved itself down to one thing and one thing in particular—that many Temples throughout the Shrine have marginal territories, which are away from your Temple, where new areas have built up and yet another Temple might be just across a state line, just across a river and has grown in prominence down through the years and so Joe Smith, who wants to join the Shrine, says "I will join in X city". However, the territory in which he lives is just across the line from this particular Temple's territory. Therefore, the man really doesn't have an opportunity to spend his money where he desires. Further, years pass by and he grows older in years, loses any desire to come to the Shrine and, as a result, we lose him. Not only does the Temple in which territory he lives lose him but the Shrine nationally loses him.

It has been my privilege to attend this Imperial Session for many years, my first time in attendance being in 1941, and I have heard discussion down through the years about doing something to improve our Shrine nationally.

Now then, as I stand here before you today, I know that in recommending this legislation to you it is going to affect my Temple.

We have some people in the northern part of our jurisdiction, people who can drive only sixty miles when, in reality, they must drive 150 miles to get to the city in which my Temple is located. Now, the officers of my Temple feel, and have so told me, that if we are going to realize our one million members, we will have to make some sacrifice.

So what we are offering you today boils down to this simply and I know this is hard to come before you on, with legislation and not having had an opportunity to have a discussion or a committee hearing as such, where all of you might, in turn, get your questions answered. It is almost impossible for you, therefore, to have full knowledge of what the committee is trying to present to you and what the full intent of the committee is.

Our intent simply is this in relation to this legislation—it does not change anything presently in the Code, with one exception.

It does do this—if Joe Doaks comes to me and says “I want to join your Temple”, then the officers of my Temple must write to the Temple where he lives and if there is more than one Temple that has concurrent jurisdiction, it must write to all of them. Therefore, we write to that Temple (or Temples) and we say, “Here is a prospective Noble that wants to come into the Shrine. Here is his name, his address and everything about him that is known.” Then this Temple, in turn, has the opportunity to go to that Noble and talk to him and, if possible, convince him to come into that Temple.

We indicate to that Shrine, “You may even know him and, therefore, we are giving you a prospect.” Then, if he still says that he wants to come to your Temple, you still have a tool in your hand that grants this man’s wishes to go where he desires to go by giving him a waiver.

All this is doing, in addition to that, is to give your central office a record, which they have never had, of how many waivers are requested, whether they are granted and how many members we get from them. As I say, we have never had this record. Certainly we need it if we are going to operate as a business should operate today—we need that record at our home office.

If you don’t do anything for 90 days, then, in turn, you are going to make that man a free agent and then he can join the benefits and privileges of the Temple where he chooses to join.

Now, in this committee we have all discussed the various things indicated by the Temples throughout the country—we have discussed all of these things and tried to bring them together in the form of some legislation in order to, in the final analysis, get that man first and then, if you don’t get him, to likewise give us an opportunity to let him go where he wants to go so that, in the final analysis, we might reach this one million strong that is our goal.

We think we can do it, especially if you are receptive to this type of legislation. I hope you will be.

Now, inasmuch as you have not had an opportunity to maybe ask your questions at this time, I would like to take the privilege of yielding the floor to anyone who might have a question or questions only. We would like to answer your questions so that you might have an opportunity to act in the best interests of the national organization of the Shrine and also of your Temple and your sister Temples.

Does anyone have a question they desire to ask at this time? I will yield the floor for questions only.

NOBLE WARREN R. JONES (Morocco Temple): Suppose that the man who petitions the Temple outside of the jurisdiction where he lives might live across the street from the Mosque of the Temple in whose jurisdiction he resides. Suppose that he is well and unfavorably known to a very substantial number of the people within whose jurisdiction he resides. Suppose he has tried for a half dozen times to become a member of the Temple in the jurisdiction wherein he resides and the Nobles of that Temple who know him so well are unwilling that he become a member of that Temple.

Can he now petition a Temple where he is not known, obtain an automatic waiver and then, in turn, nothing prevents him from becoming a member of this first Temple—in other words, getting his card and then bringing it into the Temple where he resides and saying, "Brethren, I will sit with you now."

NOBLE LUCAS: Honorable Judge, that is covered in this right here.

If he has previously been turned down by the Temple, certainly he cannot petition the Temple he asked to go into. This is provided for by the Code, also provided for within this resolution.

If he has already petitioned a Temple, he is not eligible. This involves an entirely new man, an individual who has never done anything but who would like to join this Temple over here. He is telling me, "I am a prospect" and, in turn, I am asking you to let me have him if you cannot get him. This is what it all boils down to. Of course, if you already have had him and turned him down, then, brother, he has had it.

Are there other questions?

NOBLE MAHLON HESSEY (Boumi Temple): As I understand the question of Judge Jones, he was really asking two questions rather than one. In other words, he gave you two circumstances rather than one and I want to also make certain I understand the language of this resolution.

If the candidate has been rejected, he cannot make application for a waiver, at least as I understand it. On the other hand, if he has not taken action in the first Temple, then as I understand it, the first Temple would never have an opportunity to vote when the waiver is requested, is that right?

NOBLE LUCAS: No, sir. If they granted a waiver, they would not have an opportunity to vote on him. However, I feel certain—

NOBLE MAHLON W. HESSEY: Before you argue the point, just answer my question. (Laughter)

In other words, then it is possible, under this resolution as drafted, for a waiver to be requested and the first Temple, let us say, have no opportunity to vote on this petition—is that correct?

NOBLE LUCAS: No, sir. If you granted a waiver, you would not have the opportunity to vote on the petition—you would waive it to the other Temple. This is presently provided for in the Code.

What Brother Jones referred to is starting on line five.

NOBLE H. S. JOHNSON (Isis Temple): I would like to know if this legislation applies only to new candidates—it will not apply to a candidate requesting a demit to transfer? In other words, it will only apply to new candidates, new blood?

NOBLE LUCAS: Yes.

Nobles, are there other questions?

NOBLE ERNEST J. ROUSH (Aladdin Temple): For clarity, if I request a waiver from your Temple and you turn the waiver down, then what?

NOBLE LUCAS: I think I would give you a sufficient reason for turning the waiver down.

Noble Jones asked a question a moment ago—if I knew there was some reason why that man should not be in the Order—then, of course, I would consider it my Masonic duty and Shrine duty to so inform you and the rest of us under that condition.

NOBLE E. J. ROUSH: However, if you turn the waiver down, I can still go ahead and initiate this man if I choose?

NOBLE LUCAS: No, sir. I think I would have to give you sufficient reason, however, to turn it down. If the waiver is refused then, certainly, we could not accept the man.

Where this waiver applies is, for example, if the Temple in that man's jurisdiction were not doing anything to sell him on the Shrine or sign him up. I believe that all of us have both a Masonic and Shrine duty to let our sister Temples know about these situations and these things we have discussed. Now, in this discussion, we do want to give all of you the full picture with the hope that through the goodness of

your heart and your interest in the Shrine as a national organization, you will act favorably and, in turn, likewise be doing something for our national organization toward the reaching of the million mark.

... At this point, the question was severally called for ...

NOBLE I. S. LAMDIN (Boumi Temple): Imperial Sir, I would like for the gentleman at the podium to tell me where in this proposed section, this paragraph, it says that any Temple can refuse the waiver?

What this simply says is that if a man wants to go to another Temple and he lives in my jurisdiction, the jurisdiction of Boumi Temple, the only thing this says is that we have the opportunity, for 90 days, of attempting to sell him on becoming a member of Boumi Temple. Now, there is nothing in there which says that we can reject that unless he has, prior to this time, actually petitioned and been rejected by our Temple.

NOBLE LUCAS: I would refer you to Section 328.4, section "a".

NOBLE I. S. LAMDIN: I am reading it. What part are you referring to?

NOBLE LUCAS: "A Temple may not act upon petition of initiation of anyone residing within the exclusive jurisdiction of another Temple without first obtaining a waiver from that Temple."

Then it goes on to say—"If the request for waiver be made by certified or registered mail, upon a form provided by the Imperial Recorder for such purpose, the Temple receiving such request shall have a period of 90 days after such request was mailed in which to solicit a petition for membership from the prospective candidate named in such request."

NOBLE I. S. LAMDIN: Now, sir, what else can we do. In other words, if he has not, prior to this time, petitioned for membership in our Temple and been rejected, what else can we do?

I believe Judge Warren Jones tried to point that out and I am again trying to point it out to you.

We have only one alternative way in which to go with regard to soliciting him. On the other hand, suppose we don't want to solicit him—suppose he is not the man we want in our Temple and yet, on the other hand, he has never given us an opportunity to reject a petition because he never petitioned our Temple—then what do we do?

NOBLE LUCAS: Sir, I believe, as I stated to you before, you and I both have the responsibility with regard to contacting the man. I think, upon my contact with him, I would have the responsibility of letting you know the nature and character of this man, especially if I am interested in this Order. I also believe you would show me that same courtesy. The opportunity is there for us to assist the man and you, in turn, still would have an opportunity to grant or deny a waiver under Section 328.4.

NOBLE I. S. LAMDIN: I am not speaking either for or against this resolution, I am trying to understand its legal significance. Therefore, I would like to address a question to Robert Turley.

It seems to me that the Temple, under this resolution as it is drawn, does not have an opportunity to act on a waiver—it only has the opportunity to go out and solicit a petition and if it is successful, then the Noble has the right, automatically, to apply to the requesting Temple—is that correct or incorrect?

NOBLE TURLEY: The amendment includes an exception clause to Section 328.4 (a), and it says—"except as provided in subsection (f), a Temple may not act without first obtaining a waiver."

Therefore, if this is adopted, then subsection (f) would apply and your position is correct, in that it would not be necessary to have a waiver if a request for waiver was made on the form provided as described in subsection (f).

Does that answer the question?

NOBLE I. S. LAMDIN: Yes it does, but I am having difficulty in getting that answer. (Applause)

REPRESENTATIVE: We have had statements made to the effect that perhaps the man is not wanted in the Shrine because of one reason or another. Now, my ques-

tion is this—if a man who is a Master Mason and in good standing in the various prerequisite bodies and these bodies, in turn, would see no reason as to suspending him, then what possible reason could we have not to desire him in the Shrine? (Applause)

NOBLE LUCAS: I will leave that to the good conscience of the Nobles here assembled.

If there are no further questions, Imperial Sir, I would like to place before you and move the adoption of the legislation as proposed on Page 12 regarding Section 328.4 (a) in the Call. I would move for the adoption of that legislation.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second regarding the adoption of the legislation. Is there any discussion?

... The question was severally called for ...

NOBLE M. W. HESSEY (Boumi Temple): Imperial Sir, let me first say that I am speaking in favor of the resolution, believe it or not, but, on the other hand, I also think that when resolutions are explained to the Representatives here assembled that they are entitled to an accurate description of what the legislation provides for. I am not so certain we received that until Noble Turley gave us his interpretation. I am very much in favor of this legislation. I also know it will have some effect on many of the Temples here, including Boumi Temple. However, I think it is in the best interest of the group as a whole to vote it through.

I would, however, like to make one amendment, which I think would make the legislation more palatable to most of those here assembled, and that is as follows:

Change the period after the last sentence in paragraph (f) to a semicolon and then insert the following additional language—"and, provided further, that the provisions of this subsection (f) shall apply only when the prospective candidate resides closer to the Temple requesting the waiver, measured on a straight line basis from the physical location of the Temple involved."

... Cries of "no" ...

IMPERIAL POTENTATE THORNTON: You have heard the proposed amendment. Is there a second to the proposed amendment?

... The amendment was seconded ...

IMPERIAL POTENTATE THORNTON: The amendment has been made and seconded. Is there discussion? I will recognize the maker of the amendment.

NOBLE M. W. HESSEY: The purpose of this amendment, Imperial Sir and Representatives, is to retain exclusive jurisdiction around the Temple and to waive it only to provide in those instances where physical travel is easier to the Temple requesting a waiver. In other words, this will take care of those situations where a person resides closer to one Temple and it is more convenient for him to travel to that Temple and, I think, also take care of 90 percent of the objections that we have in these instances. At the same time it will preserve exclusive jurisdiction to the home Temple, shall we say, in the area which is closest to it.

I would move for the adoption of the amendment.

IMPERIAL POTENTATE THORNTON: A motion has been made to adopt this amendment and it has been seconded. Is there further discussion on the amendment?

... The question was called for ...

IMPERIAL POTENTATE THORNTON: The question has been called for.

All those in favor of the amendment please signify by saying "Aye"; those opposed "No". The amendment is defeated.

NOBLE HAROLD G. BAKER (Ainad Temple): Imperial Sir and fellow Representatives: I have not had the experience in the Shrine nor in connection with this Representative assembly as has Illustrious Sir Lucas. My first experience was in connection with the Indianapolis convention. I learned there, in the school of hard knocks, the deep feelings of all of us about this type of issue. I heard our then Potentate as he presented our stance and then, as I came down the aisle somebody said to me, "I thought when Lew Chackes died that Ainad Temple would quit the fight."

My friend, this was not the fight of Lew Chackes—this was the fight of our Temple and as long as Ainad Temple is chartered by this Imperial Council we shall be adamantly opposed to legislation of this nature.

We do it to protect ourselves—the right of self preservation if you please—a right inherent to us not only as Shriners but as Masons—a right to keep what we have and what we know to be good against the attack of people who claim, without support of facts or figures, that they have something better. A bird, frankly, in our hand is worth two in the Trunk-Lucas bush. (Laughter)

You know, the arguments presented in favor of this resolution remind me of the English correspondent who was at Miami last week. It took him three days to find out that “boycott lettuce” was not the name of a candidate for the Presidency. (Laughter)

They tell you, on the one hand, they want to preserve your jurisdiction, exclusive or concurrent, but they now stick the camel’s nose into the tent and destroy the jurisdiction.

What do you have left if they do this? The jurisdiction is empty except for the question of affiliations.

They say it is not their present intent to allow affiliation under a device like this but isn’t that the proposition then for next year—to allow the fellow who joined yesterday or last week to go to a Temple closer to him?

This vitally affects us because there are two Temples immediately across the state line, in the grand state of Indiana, who are looking at our territory. They, like us, however, are bounded on one side by a state line.

I know we have a fight with the Imperial line. That fight is not very subtle. This is the only proposition out of all the legislation in this Call which was advertised in the Shrine News. I, in turn, wasn’t given an opportunity to write an answer in the Shrine News.

The people who propose this have said to us—“We have tried to discuss it with the people who are interested.” My friends, everybody knows, should know or could have known what Ainad Temple’s stance is and has been historically.

I know not how many times that committee has met but I say to you, as a man and a Mason, that a survey of Ainad Temple’s position was never taken. There was no attempt ever made to discuss with Ainad Temple or any Representative thereof—no attempt was ever made to sit down and discuss Ainad Temple’s problems.

Why doesn’t this come up in the Scottish Rite. I am advised that in the history of the Supreme Council of the Northern Masonic Jurisdiction, that no proposition anywhere similar to this attacking jurisdiction has ever been presented to the Supreme Council. No discussion has ever been made. Why is it different in the Shrine? Why is it different in the Blue Lodge?

What is the jurisdiction of your Grand Lodges? They follow state lines.

Illustrious Sir Lucas, what is the jurisdiction of your Recorder’s office in Memphis? It is your county. You don’t take filings from Illinois and you don’t take filings from Arkansas.

Somebody pointed out that America has become more mobile since 1870. Of course they have and this, in turn, makes it much easier for a person to get to a Temple than existed in 1870. Therefore, the opposite side of that argument is the better argument—mobility gives the people an opportunity to get to the Temple within their jurisdiction.

I suppose that in Memphis, I suppose that in St. Joseph, they use the same Old Testament saying that they used in Illinois—“Thou shalt not covet”.

IMPERIAL POTENTATE THORNTON: Is there further discussion?

NOBLE T. K. “PETE” GRIFFIS (Hamasa Temple): Imperial Sir, my name is “Pete” Griffis and I am a Representative of Hamasa Temple, Meridian, Mississippi, population 5,000.

I want to speak in opposition to the amendment proposed.

You know, when I was a young fellow, I wanted to be an engineer on a train so that I could blow the whistle. When I became a little older, I wanted to be a baseball player so I could hit the long ball. However, today I would like to be an artist

so that I could paint a picture of the prettiest face and body of a donkey that you ever saw and then on the other end of that I would paint the prettiest face of a Jersey milk cow you ever saw and then at the bottom of it I would say—"Isn't this a mixed up, confused world?" (Laughter)

I merely say this to illustrate that I respect the feelings of Noble Lucas concerning this amendment because he lives up there in Memphis, Tennessee. That is a great metropolis, with millions of people. He can walk up to his Temple, look around and see all those millions of people.

Now, he told you about things, as to how they look around him. However, he did not tell you about how they look down in Mississippi. For example, in Mississippi, we have one or two little straggly towns down there and so when they see those lights from Memphis, they say "They aren't ours and we want them." (Laughter and applause)

Also, from their location in Memphis, they can look over towards West Memphis, Arkansas, and they see something over there, and they say "They aren't ours and we want them."

Now you know what this reminds me of? It reminds me of the story of King David, when he walked into his temple and he looked around at the magnitude of people he owned, the wealth he had. They tell me, for example, that he had hundreds of concubines but one day he walked into this temple, looked over there and he saw that little beautiful girl and he said "I want her, too." Well, let me say that he eventually got her but yet he could not even service all of those concubines that he had. (Laughter and applause)

Now, I know that some of you are older than I am but, in connection with this situation, let me ask—why create confusion and chaos and bitterness—why not keep it like it is, so that when you go visit a Temple they will welcome you and say "We are glad you came, we want you to come." Why not leave things alone like they are because, at least they look pretty good to me for a country boy. (Applause)

NOBLE JOHN W. COTTEN (Alhambra Temple): I am John Cotton, the Potentate of Alhambra Temple at Chattanooga, Tennessee.

I apologize because I do not know any jokes and I am not a politician. However, Nobles, we are faced with a much greater proposition than personalities.

Two of the important things I have heard discussed in my twenty-odd years as a Shriner had to do with membership or money for the hospitals. Now, Nobles, while we are enjoying and celebrating the Shrinetennial of the Shrine and, at the same time, enjoying the Golden Anniversary of our hospitals, personally I can think of no reason that we should not increase our membership to over a million members on this occasion and roughly I would estimate that this piece of legislation, at a minimum, would be good for at least a quarter of a million new members.

Nobles, this legislation only applies to new members. It is a two-way street. If a name is submitted and you do not get that candidate as a Noble, then he is a free agent to another Temple. However, if you obtain a candidate and the other Temple isn't able to obtain that candidate within 90 days, then he is a free agent and he is yours.

Nobles, I would urge you to vote for this piece of legislation in behalf of our hospitals and in behalf of the membership for, as you know, the miracles performed in our hospitals make our chests swell with pride and makes all of us feel ten feet tall.

Nobles, this will give us extra money for our hospitals and, therefore, give the matter consideration.

Thank you.

NOBLE HAROLD G. BAKER (Ainad Temple): Nobles, the Code requires any proposition receive the affirmative vote of at least two-thirds of the Representatives registered. Therefore, I move that the ballot hereon be by secret ballot.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second—that any ballot taken on the previously made motion be by secret ballot. Is there any discussion?

All those in favor of a secret ballot indicate by saying "Aye"; those opposed "No". The motion is defeated.

Are you now ready for the question?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: Let me remind the Nobles that only Representatives to this Imperial Council may vote.

We will start with a voice vote. All those in favor of the motion please signify by saying "Aye"; opposed "No". We will continue with a hand vote.

I will again remind you that it takes a two-thirds vote to change our law.

All those in favor of this legislation please raise your right hand and hold it up until it has been counted.

... Counting ensued ...

IMPERIAL POTENTATE THORNTON: Due to the difficulty in counting, it is the judgment of the Chair that this should be done by secret ballot, by written ballot. Will you please use ballot number nine.

If you are in favor of the legislation as proposed in the Call, you vote "Yes"; if you are opposed, you will vote "No". Please vote at this time.

You are voting for or against the adoption of the proposed legislation.

... At this point the marking of ballots and collection of ballots ensued ...

IMPERIAL POTENTATE THORNTON: Nobles, have you all voted? Is there anyone who has not yet cast his vote? Assuming you have all voted and hearing no indication to the contrary, I now declare the ballot closed.

Nobles, will you please come to order.

I have expressed on several previous occasions, on visits to various of our Temples, there is no greater honor that can come to any Imperial Potentate than to receive the Grand Master of the jurisdiction in whose jurisdiction he may be at the time.

At the moment, I am in the jurisdiction of Texas and, believe me, nothing could give me greater pleasure than to present to you the Grand Master of Masons in Texas, Most Worshipful Brother Jack E. Hightower.

... Rising applause ...

MOST WORSHIPFUL BROTHER JACK E. HIGHTOWER: Imperial Potentate, Imperial Sirs and my Brethren: Masonry can no longer afford to be a divisive force. We have a common tie at the altar of Free Masonry. It is a blessed tie that binds us together as Brothers and within the great family of Free Masonry we have so many wonderful opportunities to serve.

A man can serve ably, nobly and well. He may make a study that would last a lifetime and never get outside of his Blue Lodge. He might also work in his Chapter, in his Council and feel that all of his efforts might be very worthwhile.

He can become a Scottish Rite and enjoy that great service and fellowship, or he can crown his Masonic experiences by becoming a Noble of the Mystic Shrine and feel, in turn, that he is a great part in the charity and the service, the work, the fraternal association of Nobles of the Shrine.

However, yet, we must not forget that we are all brothers and that there should not be the divisive force within the body of Free Masonry that may presently exist and this, of course, has been the program of the Grand Lodge of Texas this year, as we have tried to give emphasis to the York Rite, Scottish Rite and to the Shrine.

In appreciation of the fact that you choose to come to Texas this month, we have designated this month as "Shrine Month" in the Grand Lodge of Texas.

A suggested program was sent out to our 938 Lodges. It is the theme of our monthly publication.

We have the Texas Shrine Temples and, of course, they have cooperated so beautifully to seek out the Worshipful Masters of Lodges and to offer to bring programs to explain what the Shrine is and who we are because we are Brothers.

I am happy to report to you that I have heard not one sour note. The program has been well received and you have contributed to it, giving emphasis to Free Masonry in this grand jurisdiction this month by being our guests.

You are so very welcome. We are appreciative of the opportunities to have the fraternal fellowship that we enjoy with all Master Masons, whether that man wears a Fez or strictly a square and compass. We all recognize these symbols and know there is a blessed tie that ties us together.

God bless all of you.

. . . Rising applause . . .

IMPERIAL POTENTATE THORNTON: Nobles, can you now understand why I am so justly proud of our great Grand Master? He is a state Senator from the state of Texas. He is the President-Pro-Tem of the Senate.

Thank you, Noble, Senator, Most Worshipful Grand Master Jack Hightower. (Applause)

I will now recognize Bob Turley.

NOBLE ROBERT TURLEY: Imperial Sir, I would ask the Representatives to turn to Page 13 of the Call.

In the middle of the page there is a provision dealing with waivers, a proposal by Illustrious Sir Leonard E. Van Dyne and others.

Imperial Sir, I have the following communication:

"We, the undersigned, wish to withdraw the proposed amendment concerning Article 328.4, "WAIVERS", which reads that a Temple receiving a request for waiver from another Temple must grant the request and issue the waiver."

This has been signed by all of the proposers of the amendment.

Imperial Sir, in view of this communication, I move you that the Jurisprudence and Laws Committee be discharged from further consideration and report on this matter.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. All those in favor indicate by saying "Aye"; those opposed "No". The motion is carried.

Now, Nobles, as I mentioned, I have had the pleasure, during my travels this year, of meeting and greeting and receiving a number of wonderful Grand Masters.

One of these is the Grand Master of Masons in California and Hawaii and at this time I would ask Most Worshipful Brother Lester S. McElwain to come forward and speak to you.

. . . Rising applause . . .

MOST WORSHIPFUL BROTHER LESTER S. McELWAIN: Most Worshipful Jack Hightower, Grand Master of Masons in the great state of Texas; Imperial Sir, C. Victor Thornton; Imperial Sir-Elect, Henry B. Struby; Imperial Sirs; Illustrious Sirs; fellow Nobles and my Brethren all: You know, it is so wonderful to be with you and to enjoy your hospitality. My wife and I have heard about Texas hospitality for a long, long while but this has been our first opportunity to enjoy it and we like it very, very much.

You know, as a matter of fact, ever since I was elected as the Grand Master of Masons in California and Hawaii I have been honored and treated exceptionally well wherever I have been. As a matter of fact, it is extremely difficult to remain humble and realize that you are an ordinary man.

Now, I have a little verse here which I think you might enjoy. It always helps me to keep my equilibrium. It is titled "Surprise" and goes as follows:

"I dreamt death came the other night,
and heaven's gates swung wide;
with kindly grace,
an angel ushered me inside,

and there, to my amazement,
stood folks I had known on earth,
some I judged unfit
and of little worth.

Indignant words rose to my lips,
but never were set free;
for every face showed stunned surprise,
no one had expected me."

... Laughter and applause ...

You know, I was delighted to hear what my good friend Jack Hightower just told you. As a matter of fact, you would have thought that Jack and I had planned our program this year after consultation together, but I never met Jack until the Grand Masters' Conference in Washington, D.C. last February, and at that time it was merely a handshake and a greeting.

However, I am pleased to tell you that the program Jack spoke about, the one he has promulgated here in Texas, I have endeavored to carry out a very similar program in the great states of California and Hawaii. (Applause)

And out there, I am most happy to tell you, our Grand Lodge and all of the Blue Lodges get along wonderfully well with all of the concordant bodies and the Grand Master of that jurisdiction has done all in his power to solidify the Masonic fraternal spirit among all Masons in California and Hawaii.

You know, we members who are Nobles of the Mystic Shrine, are just extremely proud of what the Shrine organization does. All of us can take great credit and pride in the 19 Orthopedic Hospitals and the three Burns Institutes, where so much good is done regardless of race, creed or color, and, of course, we in the far West have three of those wonderful hospitals in San Francisco, Los Angeles and Honolulu, and, therefore, we know of the great good that is done.

As a matter of fact, it is a wonderful effort on the part of Shriners to do this wonderful service and I am most happy to pay tribute to the 100 years of Shrinedom.

You know, it has been said that what we do for ourselves dies with us but what we do for others lives long after us and is immortal, and while we are in the effort of putting forth good for others, there is no reason in the world why Masons (and, of course, all of us are Masons) should not have fun in the sunshine of the Shrine. There is no reason at all why we should not enjoy ourselves in our endeavors to benefit others.

However, it is also important that we always remember the words of your very great Imperial Potentate of two years ago, Aubrey Graham, when he spoke to our then Grand Master and myself in Washington, D.C. and said—"Most Worshipful Sir, I am a Mason first and a Shriner second."

Now, we all know that with our publicity and our colorful costumes, that we do great, great service to Masonry; we bring much attention to our wonderful fraternity and people know of the good that we do through our hospitals. However, we must always likewise remember that when we wear the Fez it is like wearing the lambskin apron and if we do anything that brings discredit to the Shrine while we are wearing that Fez, we likewise bring discredit to Masonry.

And so, my Brethren, I say to you—do have fun but also do always remember that when you wear the Fez you are likewise wearing the lambskin apron.

I am happy and pleased to tell you that I think this whole convention has been conducted on an extremely high plane. I am told that this is the first time that the Grand Master of the great state of California and Hawaii has attended this Session. However, I am going to recommend that it be attended in the future if an invitation is extended because I do believe that much good can come from proper fraternal communication.

And now, just briefly, let me tell you two of the programs which the Grand Master in California has endeavored to put forth this year.

On December 13th, 1971, I wrote to our more than 230,000 Masons and urged each one of them to take a more active part in the individual affairs of their respective communities.

We all know that as Masonic Lodges we cannot take an issue upon any subject because we dare not break the harmony of the Masonic Lodge. However, there is no reason why any one of us as Masons could not take a responsible position and make our influence known in our respective communities, and this is what I have endeavored to do.

The second thing is this—I have been greatly appalled by the lack of patriotism, lack of love of country which seems to be sweeping the citizens of our nation at the present time, and after much thought, on June 28th of this year, I issued an edict in the state of California and Hawaii that commencing with September 17th of this year, for one week, no Masonic Lodge would have any activity unless it was a patriotic one, with a patriotic program, because I sincerely believe that it is necessary for we Masons to begin to call attention to all the other citizens of our great nation who may not be members of our organization but who think basically as we do, about taking a more militant stand upon the subject of patriotism and love of country. (Applause)

I am pleased to tell you that we have had a wonderful response to this out on the West Coast. I merely mentioned it because we take no pride in authorship. I sincerely hope that other jurisdictions will do the same.

And now, in closing my remarks, let me read to you this bit of verse. This is entitled "Friendship". However, before I do, let me just say that I am most pleased to bring you the greetings of the more than 200,000 Masons and 700 Lodges in the state of California and Hawaii. We think as you do and, of course, it is obvious we have brethren here from the Temples in those jurisdictions. However, there are so many of the rest of you that I have not met that I just wish I would have an opportunity to shake your hand and become better acquainted with you, greet you with a proper Aloha from the far West.

And now, let me just close with these words entitled "Friendship".

"If nobody smiles and nobody cheers,
and nobody helps us along;
if each, every minute, looked at himself,
and good things all went to the strong;
if nobody cared just a little for you,
and nobody thought about me;
and we stood alone in the battle of life,
what a dreary old world this would be.

If we were as rich as the richest on earth,
and as strong as the strongest that lives;
yet never we knew the delight and the charm of the smile that the other chap
gives;

if kindness were never a part of ourselves,
though we own all the land we can see;
with never a thought of others as friends,
what a dreary old world this would be.

Life is sweet because of the friends we have made,
and the things that in common we share;
we want to live on, not because of ourselves,
but because of the people who care.
It is the thinking and doing for somebody else
that all of life's glory depends;
the joy of the world, when you sum it all up,
is found in the making of friends."

And, my Brethren, after all is said and done, that is what Masonry and the Nobles of the Mystic Shrine are all about. We do care for others. We have proven that. Our great hospitals, our wonderful philanthropy shows that and, therefore, I say to all of you that I am proud to be a Shriner.

Thank you very, very much.

. . . Rising applause . . .

IMPERIAL POTENTATE THORNTON: Thank you, Most Worshipful Grand Master. The attention and the applause which you received are indicative of our agreement with the remarks which you made.

Now, Chairman Clyde Oliver, are you ready with the results of the last ballot?

NOBLE CLYDE OLIVER: Imperial Sir and Representatives, it is with pleasure I give you the results of the ballot on Section 328.4.

There were a possible 775 votes to be cast; 736 actually voted. There were three spoiled ballots, necessary for choice, 503.

The votes were distributed as follows:

"Yes"—413; "No", 320. (Applause)

IMPERIAL POTENTATE THORNTON: Nobles, the proposed legislation, the motion for adoption of the proposed legislation has been defeated.

I now recognize a member of the Jurisprudence and Laws Committee, Walter Jeffries.

NOBLE WALTER JEFFRIES: Nobles, preceding the introduction of the amendment which was just defeated, I indicated there was a second and companion part to that. Without further explanation, I will read our report as revised:

Imperial Sir, Sirs and Representatives:

There has been referred to your Committee on Jurisprudence and Laws by Everett H. Trunk, Chairman of the Jurisdictional Lines Study Committee and Emeritus Representative of Moila Temple, a proposal to amend § 328.6 of Article 28 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

“§ 328.6 WHERE PETITIONER MUST APPLY.

(a) Except as provided in § 328.4(f), a petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.”

The Committee reports that the proposed amendment is in proper and legal form but that it will conflict with the provisions of the By-Laws.

Respectfully submitted,

NOBLE WALTER JEFFRIES: Imperial Sir and Sirs: I move that this report be accepted.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion, that the report be accepted. Is there discussion?

If not, all those in favor signify by saying "Aye"; opposed "No". The motion is carried.

I will now recognize the Chairman of the Associate Membership Committee, Noble Paul B. McCray.

NOBLE PAUL B. MCCRAY: Imperial Sir, if I am in order, I would ask that John Cochran of the Jurisprudence and Laws Committee bring the amendment to the floor.

NOBLE JOHN D. COCHRAN: Imperial Sir, Imperial Sirs and fellow Representatives: The proposed amendment has to do with Associate Memberships and is found on Page 11 and 12 of your Call. Similar legislation was discussed at the last Imperial Council Session and no action was taken on it at that time except to refer it to a committee headed by Noble Paul B. McCray and it is the report of his committee that I am now referring to.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by a Special Committee on Associate Membership Study appointed by Imperial Potentate C. Victor Thornton, of which Paul B. McCray, a Past Potentate and Representative

of Kaaba Temple, is Chairman, a proposal to amend § 323.7 of Article 23 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

“§ 323.7 ASSOCIATE MEMBERSHIP.

(a) Any Noble may apply for membership by affiliation in a second Temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.

(b) Applications for associate membership shall be subject to the same requirements as those relating to affiliation by demit, including jurisdiction, except that the applicant need not hold a demit to make an application for associate membership. An application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

(c) Upon election of an applicant for associate membership, the second Temple shall notify the other of which the Noble is a member that he has associate membership; and thereafter he shall be considered an active member of both Temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second Temple shall not affect his membership in the Temple to which he first belonged; but his suspension for nonpayment of dues to the first Temple shall ipso facto effect his suspension in the second. His suspension for any other cause or his expulsion from either Temple shall ipso facto effect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either Temple shall be given to the other Temple and to the Imperial Recorder.

(e) Each Temple in which a Noble holds associate membership shall collect and remit the hospital levy for an associate member unless he has been issued a Permanent Contributing Membership certificate by the Recorder of that Temple.

(f) Election of an associate member to life membership in one Temple does not constitute his election to life membership in the other.

(g) An associate member shall have all the rights and privileges of membership in both Temples except that he may not hold elective office in the second.”

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

NOBLE JOHN COCHRAN: Imperial Sir, I move that the report be received and filed.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, that the report of the Jurisprudence and Laws Committee on this proposed legislation be received and filed. Is there discussion?

All those in favor signify by saying “Aye”; those opposed “No”. The motion is carried.

I now return the floor to Noble Paul McCray.

NOBLE PAUL MCCRAY: Imperial Sir, Imperial Sirs and my fellow Representatives: At the Imperial Council Session held at Miami, the Imperial Potentate referred this amendment concerning associate membership back to your committee for further study at your request.

In a recent issue of Shrine News, there was a full page devoted to this amendment covering, we felt, every possible situation that might develop.

The question brought up the most is that this amendment changes jurisdictional lines. However, this is not true. A Noble seeking associate membership in another Temple is eligible only if he is eligible for a demit from his mother Temple, except the applicant need not hold a demit to apply for associate membership.

Imperial Sir, I would move for the adoption of the amendment.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, for the adoption of the amendment. Is there any discussion?

I recognize Imperial Sir Jake Wingerter, Deputy Imperial Potentate-Elect.

IMPERIAL SIR JACOB A. WINGERTER: I have just a short amendment I would like to present to this proposal. Therefore, in connection with this matter, I move the following amendment to the proposed section:

That subsection (g) be amended so as to read as follows:

“(g) An Associate Member shall have all the rights and privileges of membership in both Temples, except that he may neither vote nor hold elective office in the second Temple.”

Imperial Sir, I would move for the adoption of this amendment.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second for the adoption of the amendment as just presented by Imperial Sir Jacob Wingerter. Is there any discussion?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: All of those in favor of the amendment, please signify by saying “Aye”; those opposed to the amendment signify by saying “No”. The amendment is defeated.

Now, is there any further discussion on the amendment as proposed?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: The question has been called for. All those in favor of the legislation as proposed in the Call, please signify by saying “Aye”; those opposed “No”. I will ask for a hand vote. Those in favor of the motion please signify by raising your right hand; hands down; those opposed to the motion by the same sign. I declare the motion carried by a more than two-thirds vote.

... Cheers and applause ...

IMPERIAL POTENTATE THORNTON: I will now call for the report of the Jurisdictional Lines Committee, Noble Louis J. Best.

NOBLE LOUIS J. BEST: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a copy of a signed agreement on territorial lines within the State of Colorado.

Your Committee met with the Potentates and Records of both Temples and are pleased to congratulate these two fine Temples on their harmonious solving of this matter. Such harmony should prevail throughout all Shrinedom.

The Committee therefore recommends that Section 450.1 be amended to read as follows:

§ 450.1 AL KALY AND EL JEBEL TEMPLES.

The county line between Douglas and El Paso counties and a line extending East and West from said county line is the dividing boundary line, dividing the territory and jurisdiction of the 2 Temples in Colorado; the territory and jurisdiction of El Jebel Temple comprising all of the State of Colorado north of said line; the territory and jurisdiction of Al Kaly Temple comprising all of the State of Colorado south of said line; provided, however, that El Jebel shall have exclusive jurisdiction in all of Moffat, Routt, Rio Blanco, Garfield, Eagle, Mesa, Pitkin, Lake, Delta, Gunnison and Montrose counties; Al Kaly shall have ex-

clusive jurisdiction in all of San Miguel, Ouray, Delores, San Juan, Hinsdale, Montezuma and La Plata counties.

This report is signed by the entire committee and I move it be received and referred to the Committee on Jurisprudence and Laws for implementation in the Code.

Respectfully submitted,

NOBLE LOUIS J. BEST: Imperial Sir, I move that this report be received and referred to the Committee on Jurisprudence and Laws for implementation in the Code.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second—that the report be received and referred to the Committee on Jurisprudence and Laws. Is there any discussion?

All those in favor signify by saying “Aye”; those opposed “No”. The motion is carried.

NOBLE JOHN D. COCHRAN: Imperial Sir, Imperial Sirs and fellow Representatives: I hope you will bear with me as I present this total matter.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Myron D. Bodam, Potentate and Representative of Al Kaly Temple, a proposal to amend § 450.1 of Article 50 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

§ 450.1 AL KALY AND EL JEBEL TEMPLES.

The county line between Douglas and El Paso counties and a line extending East and West from said county line is the dividing boundary line, dividing the territory and jurisdiction of the 2 Temples in Colorado; the territory and jurisdiction of El Jebel Temple comprising all of the State of Colorado north of said line; the territory and jurisdiction of Al Kaly Temple comprising all of the State of Colorado south of said line; provided, however, that El Jebel shall have exclusive jurisdiction in all of Moffat, Routt, Rio Blanco, Garfield, Eagle, Mesa, Pitkin, Lake, Delta and Montrose counties; Al Kaly shall have exclusive jurisdiction in all of San Miguel, Ouray, Delores, San Juan, Gunnison, Hinsdale, Montezuma and La Plata counties.”

After publication of the Call for this Session, in which notice of the foregoing proposal was given, an agreement under § 328.2(c) was made between El Jebel and Al Kaly Temples. A signed copy was filed with the Imperial Recorder pursuant to § 328.2(e). That agreement provides for jurisdiction in the same manner as does the proposal printed in the Call except in one particular, viz., El Jebel Temple instead of Al Kaly Temple will have exclusive jurisdiction in Gunnison County. Therefore, and in accordance with the report of the Jurisdictional Lines Committee, the original proposal should be amended so that, if adopted, the amended § 450.1 will read as follows:

§ 450.1 AL KALY AND EL JEBEL TEMPLES.

The county line between Douglas and El Paso counties and a line extending East and West from said county line is the dividing boundary line, dividing the territory and jurisdiction of the 2 Temples in Colorado; the territory and jurisdiction of El Jebel Temple comprising all of the State of Colorado north of said line; the territory and jurisdiction of Al Kaly Temple comprising all of the State of Colorado south of said line; provided, however, that El Jebel shall have exclusive

jurisdiction in all of Moffat, Routt, Rio Blanco, Garfield, Eagle, Mesa, Pitkin, Lake, Delta, Gunnison, and Montrose counties; Al Kaly shall have exclusive jurisdiction in all of San Miguel, Ouray, Delores, San Juan, Hinsdale, Montezuma and La Plata counties.

The Committee reports that, with such changes, the amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that the report be received and filed—is there any discussion?

All those in favor signify by saying "Aye"; those opposed "No". The motion is carried.

I will now recognize the Potentate of Al Kaly Temple, Noble Myron D. Bodam.

NOBLE MYRON D. BODAM, Imperial Sir, I would like to move for the adoption of the report of the Jurisprudence and Laws Committee and the changes as recommended.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, which is to adopt the proposed change. Is there any discussion?

. . . The question was severally called for . . .

IMPERIAL POTENTATE THORNTON: All those in favor signify by saying "Aye"; those opposed "No". The motion is unanimously carried.

Now, Nobles, earlier in the Session I referred to the Committee on Jurisprudence and Laws for recommendation a proposal by Imperial Sir Peter Val Preda in relation to Section 206.5(e), and I would now like to call on the Jurisprudence and Laws Committee to report on that referral.

NOBLE EDWARD G. MAAG: Imperial Sir, Imperial Sirs and Representatives all: The matter upon which I am to report is not contained in the Call of the Session. It is on the mimeographed sheet that was inserted in your Representative's packets and which you should have received. Perhaps if you will take a moment, you may be able to find the two proposals that were inserted for your consideration as amendments to the By-Laws by the Imperial Sir.

This particular proposal, by way of explanation, refers to the duties of the Imperial Treasurer and it is an amendment to that particular section. The report which the Jurisprudence and Laws Committee has to submit is as follows:

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal submitted pursuant to § 101.5(a) by the Imperial Potentate to amend paragraph (8) of Subsection 206.5(e) of Article 6 of the By-Laws of the Iowa Corporation so that said paragraph will read as follows:

§ 206.5(e) IMPERIAL TREASURER.

"(8) With the approval of the Board of Directors, he shall arrange for the prudent investment of all funds of the Imperial Council not needed for immediate payment of obligations under current appropriation."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. All in favor please signify by saying "Aye"; those opposed "No". The motion is carried.

I will now recognize, for the purpose of presenting the legislation, Imperial Sir Peter Val Preda.

IMPERIAL SIR PETER VAL PEDA: Thank you, Imperial Sir.

Imperial Sirs and Representatives: I move the adoption of this amendment to the By-Laws as stated by the member of the Jurisprudence and Laws Committee.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that this proposed change to the By-Laws be adopted. Is there any discussion?

... The question was called for ...

IMPERIAL POTENTATE THORNTON: All those in favor signify by saying "Aye"; those opposed "No". The motion is carried unanimously.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE THORNTON: Nobles, I desire at this point, to thank you for two things. First, for your almost complete attendance. I see almost no vacancies and, secondly, for the attention which you have given to the speakers at this rostrum and from the floor. Your courtesy to them has enabled us to conduct a great deal of business in a short time. We still have a great deal ahead of us but with this continued good attendance and close attention to matters at hand, we will be able to handle, I am sure, all of the business we have to attend to.

Now, I have one or two announcements. Please remain until they are completed.

This evening we have our official banquet at the Great Hall in the Apparel Center. It is a beautiful place. It will be an evening which I am sure you will enjoy. There will be no speeches. There will be some fine entertainment. There will also be cocktails on a pay as you go basis. I should not say exactly that—you pay if you care to participate the sum of \$2.00. You will have 45 minutes in which to consume all that you can for \$2.00. (Laughter) At 7:15 p.m. the bar will close and you move into the main auditorium. At that time, the presentation of the Imperial Officers and distinguished guests will take place.

In case there are any questions as to how to get to the Great Hall, we have had some maps prepared which will be put up here so that you can get there. You must get there on your own, in your own cars or by public transportation. There will be no escorts of any kind to conduct any of us there. It is not a great distance. You should make it in about fifteen minutes from the downtown area.

... At this point, further instructions ensued relative to getting from the downtown area to the Great Hall for the banquet ...

IMPERIAL POTENTATE THORNTON: Nobles, we will reconvene at nine a.m. in this room, tomorrow morning. Thank you all very much for your attention and co-operation.

... The Ninety-Eighth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 4:10 o'clock p.m., to reconvene at nine o'clock a.m., Thursday, July 20, at the Statler-Hilton Hotel, Dallas, Texas ...

WEDNESDAY, JULY 19, 1972
SIX-THIRTY O'CLOCK P.M.

The Imperial Potentate's Banquet of the Ninety-Eighth Annual Session of the Imperial Council, A.A.O.N.M.S. was convened in the Great Hall, Apparel Mart, Dallas, Texas, Wednesday, July 19, 1972 commencing at 6:30 o'clock p.m., with the introduction of the Imperial Potentate and his Lady; the members of the Imperial Divan and their Ladies; the Past Imperial Potentates and their Ladies; the Grand Masters from various jurisdictions and their Ladies and other distinguished guests who, following their introduction, assumed their places at the head table, following which the invocation by Imperial Chaplain R. Bruce Brannon was presented as follows:

REVEREND R. BRUCE BRANNON: (Imperial Chaplain): Let us pray.

Thou art blessed, O Lord, who nourished us from our youth, who giveth to all, filling our hearts with joy and gladness which in all ways is sufficient for us.

We ask Thy blessings in our every good work. Bless this food to our body and soul in the Master's name. Amen.

... The serving of the banquet dinner ensued ...

NOBLE GEORGE S. TERRY (Director General): Imperial Sir, Imperial Sirs, distinguished guests, Nobles and Ladies; Howdy.

It is a distinct pleasure to have you here in Texas and particularly here at this banquet tonight.

My name is George Terry. At this time it is a great privilege for us to make a presentation to our first lady, Peg Thornton.

... A bouquet of roses was presented to Mrs. C. Victor Thornton ...

... Applause ...

NOBLE GEORGE S. TERRY: And now to our first lady-elect, we would like to make a presentation to Margaret Struby.

... Whereupon, Mrs. Henry B. Struby was presented with a bouquet of yellow roses ...

... Applause ...

NOBLE GEORGE S. TERRY: Now, before we proceed with our planned program, I would like to call upon our Imperial Potentate for just a few words. He told me he wasn't going to say anything but I think it is very appropro that we hear from him, don't you agree? (Applause)

IMPERIAL POTENTATE THORNTON: Thank you, Director General George Terry.

Imperial Sirs, distinguished guests, lovely ladies, fellow Nobles all: We are delighted that you are here to make this a great party. It has been billed as a "no speech" event—all entertainment. I am neither the dinner nor the entertainment. However, we are glad you came to Texas. We hope you have a wonderful time while here with us on this One Hundredth Birthday Celebration. We are reaching back to the beginning of the Shrine, when its purpose was fun and tonight it is fun.

Thank you very much. (Applause)

NOBLE GEORGE S. TERRY: Imperial Sir, before we proceed further with our program, I think we owe a round of applause to the steel band that has been entertaining us. Will you please give them a big hand. (Applause)

Now, as the Imperial Sir told you, there are not going to be any speeches. I was given to understand that you did not come here to hear speeches tonight and, further, I understand that I am standing on a certain section of floor where, if the Imperial Sir deems it appropriate, he can push a button, especially if I say too much, and I will disappear. (Laughter)

Now, Nobles and ladies, we do have a real treat in store for you this evening.

We do have with us a group of members from Tebala Temple, Rockford, Illinois, the Potentate of whom is illustrious Howard C. Lindmark and, Howard, we certainly appreciate you allowing your group to come down here to entertain us this evening. I understand that we have much in store in relation to the "big band sound" of

the Shrine and, therefore, without further delay, I would like to present to you, Nobles and ladies, the "Shrinanigans", all of whom are members of Tebala Temple, Rockford, Illinois.

. . . At this point, the banquet assembly was presented with both musical and comedy entertainment by the "Shrinanigans" of Tebala Temple, Rockford, Illinois, following which the banquet session, after the presentation of two brief program announcements, was, at 9:45 o'clock p.m., adjourned . . .

NINE O'CLOCK A.M.

So guide us that in all the transactions of this day we may be led by Thy holy spirit to do all things honorably and justly. We give Thee heartfelt thanks for all Thy blessings. WHEREAS, all generations in the history of our nation have produced great men, in many fields of endeavor; and

WHEREAS, from time to time a few of these men have risen above the others; and

WHEREAS, in our time there has risen a giant in the field of law enforcement; and

WHEREAS, J. Edgar Hoover served his country for more than half a century, forty-eight years of which he was Director of the Federal Bureau of Investigation; and

WHEREAS, in this capacity he earned the respect and appreciation of a grateful nation; and

WHEREAS, the name of J. Edgar Hoover symbolizes devotion to God, duty to country, dedication to purpose, steadfastness to principle, strength of character, greatness of integrity, pursuance of law and order, justice for the righteous and terror for the wrongdoer; and

WHEREAS, this most distinguished American was a member of the Ancient Arabic Order Nobles of the Mystic Shrine for fifty years, and was so recognized by the Imperial Potentate of the Shrine of North America on February 22, 1972; and

WHEREAS, the death of J. Edgar Hoover on May 2, 1972 was an irreplaceable loss to our country, and to its people.

NOW, THEREFORE, BE IT RESOLVED, that the Representatives to the Ninety-Eighth Imperial Council Session, Ancient Arabic Order Nobles of the Mystic Shrine, do hereby express their respect, admiration and fraternal love for their esteemed, distinguished and exemplary Brother; and

BE IT FURTHER RESOLVED, that this resolution be made a part of the Imperial Council Proceedings of this session, thereby becoming a permanent and lasting inscription on the records of the Shrine.

Presented this 20th day of July, 1972.

Edward E. Buckley
Past Potentate, Kena Temple.

REVEREND TIMOTHY B. REEVES: It is a solemn moment, O God, as we have heard each of these names blossom like Forget Me Nots, delight the path that leads to a parade of glory and of service and of concern and somehow, Lord, we feel so inadequate to express the grateful appreciation that we could walk a little bit of the road of life with men like these. Thank you for what they meant to us and as we take our hats off to the past, help us to face the future with the responsibilities that are ours, unafraid, assured that we need not stop.

So give us courage, the vision and the strength that is needed in a day like this, that when others view the parade of glory they, too, can see that endless cable that lifts the principles of Masonry in the building of a better world, where little children can have the relief from crippled bones and their bodies can be relieved from burns and even new fields of adventure may challenge us on in an unending parade of glory in Thy name. Amen.

. . . The singing of the "Lord's Prayer" ensued . . .

IMPERIAL SIR CARLYLE BROCK: Certainly each of these great Nobles was eulogized in his own community. Would that time permit to recount their deeds of the past and the contributions they have made to their God, their fraternity, their country, their charity and to their fellow man.

I am reminded of their passing by the wording from the old refrain "Ode on the Death of the Duke of Wellington".

All is over and done.
Render thanks to the Giver,
England, for thy son.
Let the bell be tolled.
Render thanks to the Giver,
And render him to the mould.
Under the cross of gold
That shines over city and river,
There he shall rest for ever
Among the wise and the bold.
Let the bell be tolled,
And a reverent people behold
The towering car, the sable steeds.
Bright let it be with its blazoned deeds,
Dark in its funeral fold.
Let the bell be tolled,
And a deeper knell in the heart be knolled;
And the sound of the sorrowing anthem rolled
Thro' the dome of the golden cross;
And the volleying cannon thunder his loss;
He knew their voices of old.
For many a time in many a clime
His captain's-ear has heard them boom
Bellowing victory, bellowing doom.
When he with those deep voices wrought,
Guarding realms and kings from shame,
With those deep voices our dead captain taught
The tyrant, and asserts his claim
In that dread sound to the great name
Which he has worn so pure of blame,
In praise and in dispraise the same,
A man of well-tempered frame.
O civic muse, to such a name,

To such a name for ages long,
To such a name,
Preserve a broad approach of fame,
And ever-echoing avenues of song!
The long self-sacrifice of life is o'er.
The great World-victor's victor will be seen no more.

And we can say this about our beloved Brothers, not only of this past year but the 100 years preceding because in the physical flesh they will be seen no more but, surely, their deeds will live on—live on eternally and serve as an inspiration that we carry on and grasp the torch which they have held—the torch of light, the torch of freedom, the torch of charity and all that is near and dear to the hearts of the Western world.

And then again I hear from the same poem, for the Iron Duke was entombed in Westminster Abbey, as you know, beside Lord Nelson. It seems that the voice to the poet of Lord Nelson came back and said:

Who is he that cometh, like an honored guest,
With banner and with music, with soldier and with priest,
With a nation weeping, and breaking on my rest?"
Mighty Seaman, this is he
Was great by land as thou by sea.
Thine island loves thee well, thou famous man,
The greatest sailor since our world began.
Now, to the roll of muffled drums,
To thee the greatest soldier comes;
For this is he
Was great by land as thou by sea.
His foes were thine; he kept us free;
O, give him welcome, this is he
Worthy of our gorgeous rites,
And worthy to be laid by thee;
For this is England's greatest son,
He that gained a hundred fights,
Nor ever lost an English gun.

And so we say again the voices are coming back from those beyond the sunset and as these, our Brothers, of the year past move on to where they will come back like honored guests and honored guests truly they are.

And young again, we listen to Gray when he says—"Life is real, life is earnest, and the grave is not its goal."

The lives of great men all remind us we should make our lives sublime and in departing, leave our footsteps on the sands of time. Also, by their exemplary lives and their footprints on the sands of time, they will serve as an inspiration to all, to build a greater, finer and better world.

The American Indians believed in the great spirit. Lift up your eyes to the hills from whence cometh our strength and hope, our faith, which makes us the great people, the great nation, the greatest philanthropy known in the history of mankind. Let not your hearts be troubled.

... Singing of "Abide With Me" by the quartet ensued ...

IMPERIAL SIR O. CARLYLE BROCK:

"No one has ever seen the wind,
Neither you nor I;
but when the tall trees bow their heads,
the wind is passing by.

"No one has seen almighty God,
neither you nor I;
but when stalwart Shriners bow their heads,
God is standing by."

REVEREND TIMOTHY B. REEVES: So be still my soul; thy God doeth undertake to guide the future and as he has the past. Thy hope, thy confidence, let nothing

shake; all now mysterious shall be clear at last. May the Lord bless you, keep you, make his face to shine upon you, be gracious unto you. May the Lord lift up His countenance upon you and give you peace, now and forever more. Amen.

... The sounding of "Taps" ensued ...

IMPERIAL POTENTATE THORNTON: With your permission, we will record unanimously the acceptance of the report of the Necrology Committee with thanks to its Chairman, Imperial Sir O. Carlyle Brock, for the beautiful and impressive ceremony we just witnessed, very ably conducted. Thank you all very much.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE THORNTON: I will now call on Illustrious Sir Karl L. Friedrichs for a report, at least a partial report, of the Dispensations and Charters Committee.

NOBLE KARL L. FRIEDRICHS: (Reading)

To the Imperial Potentate and Representatives of the Ninety-Eighth Imperial Council:

Your Committee on Dispensations and Charters had before it a petition for a Charter for Al Amin Temple of Corpus Christi, Texas, operating as a Shrine Temple under dispensation since the last Imperial Council Session in Miami Beach, Florida, in 1971.

Your Committee heard the Provisional Potentate of Al Amin Temple, U.D. explain in detail a brochure presented to each member of this Committee, the other Provisional Officers being present.

During the dispensation year there has been a 40% increase in membership.

Your Committee is of the unanimous opinion that it will be in the best interest of Shrinedom to permanently continue the splendid work of this newly formed group and to grant a Charter to Al Amin Temple of Corpus Christi, Texas.

Accordingly, your Committee recommends the granting of this Charter.

Respectfully submitted,

COMMITTEE ON DISPENSATIONS AND CHARTERS

Karl L. Friedrichs, Murat Temple, *Chairman*
 Roger E. Murdock, Al Malaikah Temple
 Roy T. Reynolds, El Bekal Temple
 Harold E. Henton, Midian Temple
 John M. Hartman, Oasis Temple
 Ray L. Vandagriff, Jr., Sharon Temple

NOBLE KARL L. FRIEDRICHS: Imperial Sir, I move that this report be received and placed in the minutes and, also, inasmuch as it has been recommended by the Committee that this Temple receive its Charter, I move that the Charter be granted to Al Amin Temple.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second—that the report of the Dispensations and Charters Committee on Al Amin Temple be adopted and that a Charter be granted to Al Amin Temple.

Is there discussion?

All those in favor signify by saying "Aye"; those opposed "No". It is unanimously granted.

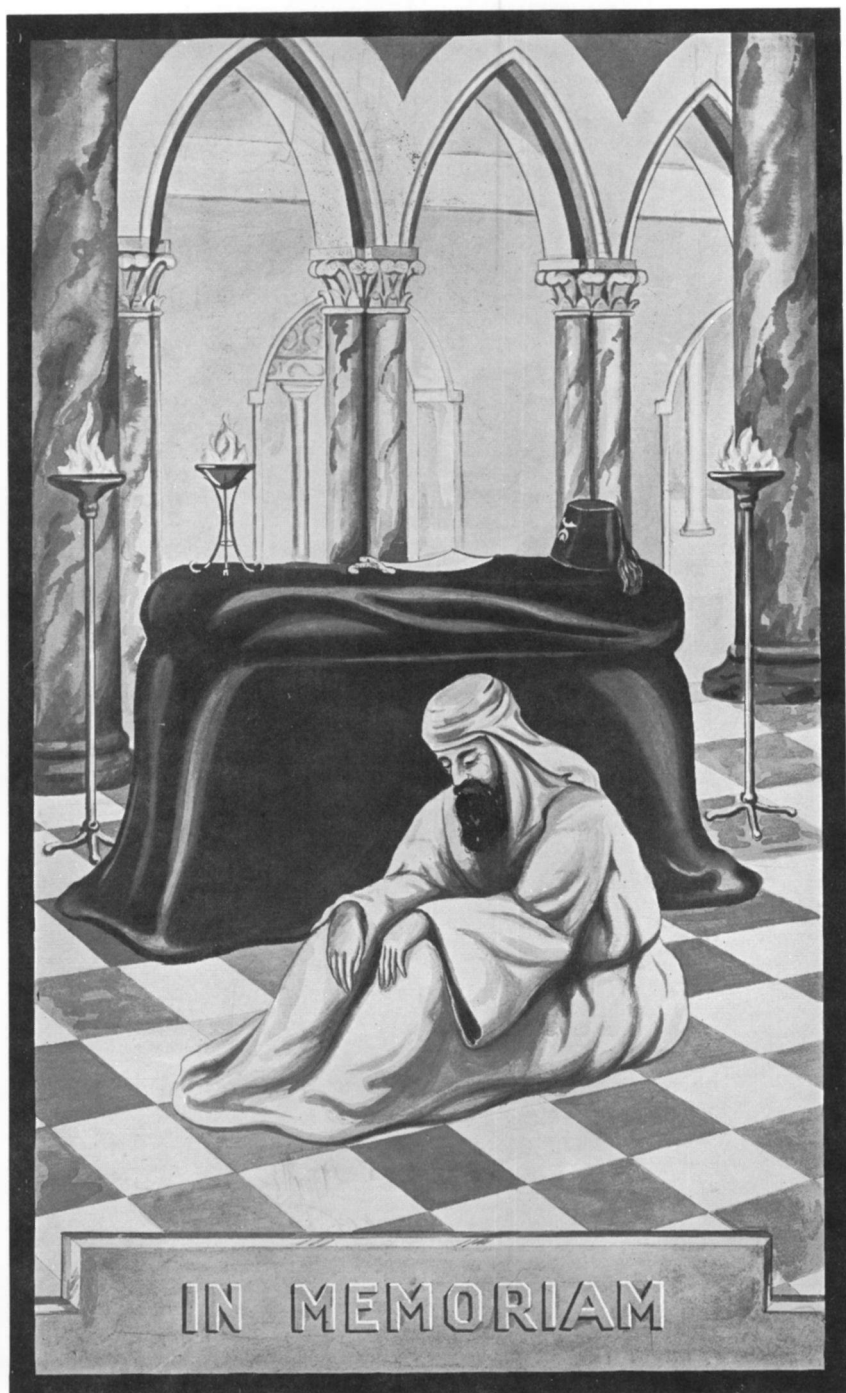

... Applause ...

IMPERIAL POTENTATE THORNTON: I will now call upon Noble Ruter E. Coleman of the Jurisdictional Lines Committee, for a report.

NOBLE RUTER E. COLEMAN: (Reading)

To the Officers and Representatives of the Imperial Council, A.A.O.N.M.S.:

In the Call for this session is a proposal by Representatives of Alzafar Temple of San Antonio, Texas that would change Article 488.1 of the Code to give Alzafar Exclusive Jurisdiction in the four counties in the Rio Grande Valley—namely Starr, Hidalgo, Willacy and Cameron.

IN MEMORIAM

NOBLE CECIL B. WALRATH: Imperial Sir, I move that the report be received and referred to the Jurisprudence and Laws Committee for implementation in the Code. . . . The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. Is there discussion?

All those in favor signify by saying "Aye"; opposed "No". The motion is carried.

I now call upon the Jurisprudence and Laws Committee for its report—Noble John D. Cochran.

NOBLE JOHN D. COCHRAN: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Floyd F. Graham and Drue H. Floyd, Representatives of Alzafar Temple, a proposal to amend §§ 488.1 and 488.13 of Article 88 of the By-Laws of the Iowa Corporation, so that said sections will read as follows:

"§ 488.1 ALZAFAR TEMPLE.

Has:

(a) Exclusive jurisdiction in the Counties of Starr, Hidalgo, Willacy, Cameron, Maverick, Real, Uvalde, Zavala, Demmit, Kerr, Bandera, Medina, Frio, LaSalle, Webb, Zapata, Kendall, Comal, Bexar, Atascosa, McMullen, Guadalupe, Wilson, Karnes, DeWitt and the south ½ of Gonzales.

(b) Concurrent jurisdiction with Suez Temple in the Counties of Val Verde and Kinney."

§ 488.13 AL AMIN TEMPLE, U.D.

Has:

(a) Exclusive jurisdiction in the Counties of Nueces, Bee, San Patricio, Live Oak, Jim Wells, Duval, Kleberg, Jim Hogg, Brooks and Kenedy.

(b) Concurrent jurisdiction with Arabia Temple in the Counties of Victoria, Goliad, Calhoun, Refugio and Aransas.

(c) Concurrent jurisdiction with El Mina Temple in the Counties of Victoria, Goliad, Calhoun, Refugio and Aransas."

There have also been referred to your Committee on Jurisprudence and Laws the report of the Dispensations and Charters Committee and the report of the Jurisdictional Lines Committee, both of which reports relate to the same subject matter, that is, the jurisdiction of Alzafar Temple and jurisdiction of Al Amin Temple.

In order to implement the reports of the Dispensations and Charters Committee and the Jurisdictional Lines Committee, this Committee now submits pursuant to § 101.5(a) and reports upon proposed amendments to §§ 488.2(d) and 488.5(c) as follows:

First, to amend § 488.2(d) of the By-Laws of the Iowa Corporation by deleting therefrom the letters "U.D." which presently follow the designation "Al Amin Temple"; and

Second, to amend § 488.5(c) of the By-Laws of the Iowa Corporation by deleting therefrom the letters "U.D." which presently follow the designation "Al Amin Temple".

Furthermore, in order to implement the reports of the Dispensations and Charters Committee and the Jurisdictional Lines Committee, this Committee now submits pursuant to § 101.5(a) and reports upon proposed amendments to §§ 488.1 and 488.13 of the By-Laws of the Iowa Corporation, for adoption at this session, to-wit:

"§ 488.1 ALZAFAR TEMPLE

Has:

(a) Exclusive jurisdiction in the Counties of Maverick, Real, Uvalde, Zavala, Demmit, Kerr, Bandera, Medina, Frio, LaSalle, Webb, Zapata, Kendall, Comal,

Bexar, Atascosa, McMullen, Guadalupe, Wilson, Karnes, DeWitt and the south ½ of Gonzales.

(b) Concurrent jurisdiction with Suez Temple in the Counties of Val Verde and Kinney."

"§ 488.13 AL AMIN TEMPLE

Has:

(a) Exclusive jurisdiction in the Counties of Nueces, Bee, San Patricio, Live Oak, Jim Wells, Duval, Kleberg, Jim Hogg, Brooks, Kenedy, Starr, Hidalgo, Willacy and Cameron.

(b) Concurrent jurisdiction with Arabia Temple in the Counties of Victoria, Goliad, Calhoun, Refugio and Aransas.

(c) Concurrent jurisdiction with El Mina Temple in the Counties of Victoria, Goliad, Calhoun, Refugio and Aransas."

The Committee reports that the amendments which it proposes, as set out above, are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert J. Turley, *Chairman*

John D. Cochran

Edward G. Maag

Walter S. Jeffries

Frank H. Cathey

Warren L. Jones

William H. Knowlton

NOBLE JOHN D. COCHRAN: I move, Imperial Sir, that this report be received and filed.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that the report be received and filed: Is there any discussion?

If not, all those in favor signify by saying "Aye"; those opposed "No". The motion is carried.

I will now call upon the Chairman of the Jurisprudence and Laws Committee.

NOBLE ROBERT J. TURLEY: Imperial Sir and Imperial Sirs: Inasmuch as this section has been referred to your Committee on Jurisprudence and Laws and the Committee has this matter for implementation of a report which this session has already adopted, and inasmuch as the amendments that I submitted by the report have just been implemented by this Committee as already adopted by this session, I now move the adoption of the amendments submitted by the Jurisprudence and Laws Committee in accordance with the direction of this session.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, is there any discussion?

NOBLE CARLTON WERTZ, JR. (Alzar Temple): Imperial Sir, I live in the Rio Grande Valley. I would like to discuss this one moment if I may.

Alzar is very happy that the Charter has been granted there but we do ask concurrent jurisdiction. The reason that it was in the Call for exclusive jurisdiction is that a letter was written from Al Amin Temple to the Imperial Council addressed to George Saunders announcing they were asking for exclusive jurisdiction. It was then up to Alzar to protect their interest in the territory, to counter with a request for exclusive jurisdiction.

Al Amin Temple, not at that time being a Temple but just operating "under dispensation", could not be in the Call and, therefore, ours was the only one that was considered. However, we want concurrent jurisdiction.

I say that for this reason—that we have over 530 names on a petition as members of Alzarar, which were sent to every member of the Jurisprudence Committee and Al Amin has 93 members in the Valley at present and we have 530 names on this petition of Alzarar who want to remain with Alzarar.

I don't see why Shriners, in a territory that is removed from both Temples by quite a distance, cannot join either Temple they want to—the way it is right now. If anybody wants to go over to Al Amin, they may and, as I say, I don't see why 590 fellows, actually there are some 600 some, all Alzarar men down there, but only 530 names, why they should be taken out of this area and not be able to participate in Temple activities down there.

We would just like to request these 530 men, compared to the 93, be given more consideration and let the Shriner participate where he really wants to.

Corpus Christi, Texas, is going to do very well. They are in a prosperous area. They have the petro-chemical industry there, they have a Naval Air Base, Army Aircraft, a deep water port and colleges. They are, as I say, going to do very well without this area exclusively and we, of course, would like to cooperate and work with them on a concurrent basis down there.

We also have a large children's program which has been administered for many, many years. We have a good sized trust fund. We are filling a large percentage of the beds at the Houston hospital. We have ample cars and station wagons to take these children back and forth.

We also have a Crippled Children's Clinic, a monthly clinic, where they are being examined in the Valley. At the last one we examined 81 children, on the last Friday of the month.

Therefore, I do thank you for your time but I do ask for concurrent jurisdiction.

IMPERIAL POTENTATE THORNTON: Thank you very much for your comments.

Nobles, a word of explanation may be helpful.

As the matter stands now, Alzarar Temple has concurrent jurisdiction with the new Temple, Al Amin, in the Rio Grande Valley. If you vote "yes" on the motion which has been made, Al Amin Temple will have exclusive jurisdiction. If you vote "no", Alzarar and Al Amin will have concurrent jurisdiction.

Now, is there any further discussion on the motion?

NOBLE J. W. CHANDLER (Arabia Temple): A year ago, at Miami, Alzarar Temple had a rare opportunity—an opportunity to be the sponsoring Temple of a new Temple at Corpus Christi, Texas. They chose not to seize this opportunity.

Arabia Temple, being the next nearest Temple to Corpus Christi, knew that a Temple would some day be formed at Corpus Christi, Texas. We saw the need for a new Shrine Temple there and, therefore, we were privileged to be the sponsoring Temple for Al Amin.

The confidence of the Representatives at Miami with regard to the forming of this new Temple was well founded. Al Amin is on fire. They have had a 40 percent increase in membership. They have stirred great enthusiasm in the area, in the fraternity of Freemasonry and in this area, likewise, the Blue Lodges there are receiving more petitions than they have ever received in many, many years.

I am really pleased to see the change in attitude of Alzarar Temple, especially when they now say they are happy that Al Amin Temple has received a charter, which they fought so hard against last year at Miami and, further, since they have been fighting them so hard this year with regard to concurrent jurisdiction in the Rio Grande Valley, this has brought much division in the fraternity of Freemasonry in the Rio Grande Valley.

For example, we have members of Alzarar Temple going to the Blue Lodges sitting on one side of the lodge room and members of Al Amin sitting on the other side of the lodge room.

Alzarar Temple controls the Shrine Club in the Rio Grande Valley. They have issued orders that no one can attend their Shrine Club meetings unless they are members of Alzarar Temple.

There is only one Shrine in North America and we are members of the Shrine of North America and as dues paying Shriners we ought to be able to attend any Shrine Temple or any Shrine Club meeting. (Applause)

It is unfortunate that concurrent jurisdiction in the Rio Grande Valley has just not worked. If Alzar Temple had the same attitude on concurrent jurisdiction as they now have expressed with regard to Al Amin receiving their charter, then this situation today of Al Amin and Alzar would not have been necessary.

Alzar is a great Shrine Temple. They have some wonderful units. I am privileged that I have hanging on my office wall an honorary Life Membership in Alzar Temple presented to me when I was Grand Master of Masons in Texas in 1968. No doubt they want it back now. (Laughter)

I am not speaking against Alzar Temple. I am speaking for peace and harmony in Masonry and in the Rio Grande Valley of Texas. I am speaking for progress in the Shrine.

Last year at Miami you breathed a breath of life into the new Shrine Temple. Today you voted to give them a charter. Please do not vote today in Dallas to strangle the life out of this new Temple.

I would ask you to vote "yes" on the resolution. Thank you very much.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Noble Chandler.

Does the Chairman of the Jurisdictional Lines Committee, Noble Arthur Armitage, wish to speak?

NOBLE ARTHUR ARMITAGE: I was going to speak before the Grand Master got up but as long as he covered it so well, I will refrain. (Applause)

IMPERIAL POTENTATE THORNTON: Is there further discussion before we take the vote?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: Again, if you vote "no", Al Amin and Alzar will have concurrent jurisdiction in the Valley. If you vote "yes", Al Amin will have exclusive jurisdiction.

The question has been called for. All those in favor of the motion signify by saying "Aye"; those opposed "No". The "ayes" have it and I declare the motion carried by a more than two-thirds vote.

... Applause ...

Now, will the Divan of Al Amin Temple please come forward.

... The Al Amin Temple Divan presented themselves at the podium ...

IMPERIAL POTENTATE THORNTON: Illustrious Potentate, Woody Woodman, Divan members, until today you have been "Al Amin Temple, U.D.". I guess that has now been undone and you are now Al Amin Temple with the "U.D." being dropped.

It is therefore with a great deal of pleasure that I present to you this charter to make you the 172nd Temple of Shrinedom in this centennial year, 1972.

... Presentation of charter to Potentate and applause ensued ...

NOBLE WOODY WOODMAN (Al Amin Temple): Illustrious Sir, Illustrious Sirs, Nobles and Representatives: This is an occasion that I have put in a great many hours for. It took, you might say, two years out of my life.

Of course, I have been the Potentate of a Temple before and those of you in this room here, especially those of you who are Past Potentates, know that when you take it upon yourself to spend another two years for the life of Masonry and good of the philanthropy, you are taking a lot of your time, especially when you are my age.

I do want to thank all of you Representatives and also the Nobles on the Charters and Dispensations Committee and also the Jurisdictional Lines Committee, for the many hours they have put in on this, studying our problems and the like. I also want to thank each and every one of you for your confidence in us and if you will just come by and visit your "baby" Temple down in the city by the sparkling waters of the sea, we will be glad to have you and entertain you. Thank you all.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you all very much.

Nobles, at this Imperial Council Session we are highly honored to have in attendance some very distinguished Masonic guests. It does us honor that they are here.

I might say, before proceeding, that from time to time we will desire to hear from each of these distinguished Masons and Masonic guests. At this time, I would like to present to you the Grand Master of Masons from the state of Connecticut, Most Worshipful Brother William Neu.

... Rising applause ...

MOST WORSHIPFUL BROTHER WILLIAM NEU: Imperial Sir, Imperial Sirs, Illustrious Sirs and delegates to this Ninety-Eighth Annual Session: I know, my Brothers, that there are many who say that Masonry today is irrelevant to our society, that we are old fashioned, that we are not needed, that we have outlived our usefulness. To this I would say that there is nothing further from the truth.

If ever a world needed the tenants of our institutions, today is the day. However, in order to make them aware of who we are, what we are and what we stand for, we have to take our light from under the proverbial bushel basket and let it so shine that they will become aware of us.

I believe, to begin with, that we must strengthen Masonry at the Blue Lodge level, which is, as you know, the foundation for the entire Masonic structure as we know it, because, as you also know, no structure is any stronger than its foundation. We have to expose ourselves and in order to reverse the trend of loss of membership in most Grand jurisdictions we must expose ourselves in a favorable light for all men to see.

Now, of the appendant and related Masonic bodies, certainly the Shrine has done an outstanding job in this respect.

In Connecticut, for example, we are going to take a leaf from your book and on the first Saturday in October we are going to put Connecticut Freemasonry on parade.

In this endeavor, we have the enthusiastic and complete support of the Shrine Temples and the Nutmeg State, as well as that of the Scottish Rite, the York Rite and the appendant ladies bodies and the youth organizations and for this, as Grand Master, I am most grateful, for I believe that we must work together in fraternal harmony for the common welfare of all or we are going to go down the drain individually or collectively.

On this day, Connecticut Freemasonry will also mark another milestone in its long history, with the dedication of a new eight million dollar addition to our facility represented by a new building which is just about completed as of now.

Now, all of the activities of the day's program will receive ample publicity through all of the mass media available to us at the national and state levels and it is my hope and my belief that this program will create interest among the uninformed and a rededication of the informed, and that Masonry in Connecticut right across the board will be revitalized for many years to come.

If any of you plan to be in New England either on vacation or on business, we would be delighted to have you join with us on this occasion.

In closing, I would like to express my appreciation to the Imperial Potentate for his many courtesies extended to me while I have been privileged to share this Imperial Session with all of you.

Thank you all, very, very much.

... The Representatives arose and applauded ...

IMPERIAL POTENTATE THORNTON: Most Worshipful Sir, William Neu, we do appreciate your fine remarks and your expressions, which I am sure we can echo in our individual desires. As I have previously said, we are really the same people and, therefore, should work together very closely. Thank you very much for honoring us with your presence and for those excellent remarks.

Is the Chairman of the Grievances and Appeals Committee ready with his report? I am presenting to you Illustrious Noble Elmer P. Bromley, Chairman of the Committee.

NOBLE ELMER P. BROMLEY: (Reading)

To the Representatives of the Imperial Council:

Your Committee on Grievances and Appeals held a meeting in Room 404 of the Statler Hilton Hotel, Dallas, Texas on Tuesday morning, July 18, 1972 at 9:00 a.m. for the purpose of considering an appeal from the Imperial Potentate's ruling issued

on November 18, 1971, with respect to the adoption of an assessment resolution of Zamora Temple which was referred to this Committee.

The proponents of the appeal and the opponents of the appeal were represented at the hearing and after arguments were heard by the Committee from both sides of the question at issue, the Committee took the matter under consideration.

The Committee came to the conclusion and was of the unanimous opinion that the Imperial Potentate's ruling should be sustained and the appeal dismissed.

Respectfully submitted and signed by all the members of the Committee.

IMPERIAL SIR GEORGE E. STRINGFELLOW: Imperial Sir, Imperial Sirs and Members of the Imperial Council: While it is not a part of the Committee's report, I would like to make a personal observation and that is that this is the most successful, most constructive and the most progressive session that I have had the privilege to attend in more than a quarter of a century.

... Applause ...

Here the cream of human kindness has flown freely and entertainment has been high class.

The other night, out at the Texas Stadium, there was a reference made to Rickenbacker and I want to tell you a little story about him if I may. Following World War I he went out to a country affair to perform for a fee. He took a boy up with him who had never flown before, got up to about five thousand feet and started to nose dive. The people on the ground began to scramble.

He then looked back to his boy passenger and said, "Boy, I will bet you that fifty percent of the people on the ground thought I was going to have an accident." The boy replied, "I suppose so, boss, but fifty percent up here did have one." (Laughter)

Imperial Sir, your Committee advises that the following Representatives to the Imperial Council are qualified to be elected Emeritus Members of this body.

Because of the pressure of time, I will give you only a brief resume of their backgrounds.

With the feeling that you will vote for the election of these gentlemen, I would ask them to meet me in the back of this room and their certificates will be presented to them and pictures made of the presentation.

IMPERIAL SIR GEORGE E. STRINGFELLOW: Imperial Sir, I move that the aforementioned members be elected as Emeritus Members of this body and also for the approval of this report.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. Is there any discussion?

All those in favor signify by saying "aye"; those opposed "no." The motion is unanimously carried.

IMPERIAL SIR GEORGE STRINGFELLOW: Imperial Sir, I wonder if these Nobles will rise so they might have the applause of this great body.

... The individuals nominated then arose as the Representatives applauded ...

IMPERIAL SIR GEORGE STRINGFELLOW: Now, gentlemen, if you will meet me in the back of the room, I will present these certificates to you and we will, in turn, have saved a little time.

IMPERIAL POTENTATE THORNTON: I would now like to call on another one of our distinguished guests, from the state of Florida—the Most Worshipful Grand Master of Masons from Florida, L. Evans Crary, Jr.

. . . Rising applause . . .

MOST WORSHIPFUL BROTHER L. E. CRARY, JR.: Imperial Sir, Imperial Sirs and my Distinguished Brethren and Masons all: It is indeed a pleasure for me to be here representing the Blue Lodge Masons of the State of Florida at this great assembly of the Masonic Shrine.

Last year you honored us with your presence in the state of Florida and this year you have honored us by the election of one of our Florida Masons as Imperial Outer Guard. For these honors we are deeply grateful. We hope you will come back to visit us often in the Sunshine State.

As Grand Master, it is my privilege to work with all of the Masons in our great Jurisdiction and it is my honor to travel to this meeting to represent them and hold Masonic communication with my brethren.

As I have listened to the proceedings of this meeting and also the proceedings of the other meetings that I have attended, I find that if men of good will will but take the time to sit down and discuss their problems with one another, if they will truly let the teaching of brotherhood shine forth in their lives, that all of the problems and difficulties which concern us will soon evaporate.

As God Almighty has chosen to manifest Himself in many cases in this lifetime that we enjoy on this earth, so we in Free Masonry have chosen to manifest ourselves in many avenues of service.

As members of the Shrine, I salute you for the great philanthropy of the Shrine, for your service to Freemasonry and I thank you for the many courtesies that have been extended to me during my visit here with you.

I look forward to working with you and with the Shrine in the state of Florida for the greater advancement of Freemasonry and thereby greater advancement, of course, of mankind.

May God bless all of you.

. . . Rising applause . . .

IMPERIAL POTENTATE THORNTON: Thank you, Most Worshipful Grand Master, Evans Crary.

Let me put it this way—I understand that our Past Imperial Potentate, Jerry Crary, claims kinship to the Grand Master of Florida. I have not heard anything from the other side. (Laughter)

We will now have the report of our Imperial Recorder, George M. Saunders.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, previous to reading or giving you that report, I have two or three announcements.

. . . Several brief announcements ensued . . .

IMPERIAL SIR GEORGE M. SAUNDERS: Now, Imperial Sir, with reference to the report of the Imperial Recorder, the report is contained in the printed Book of Reports which have been sent to each Representative.

I would move that the report be approved, received and filed.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. Is there any discussion?

All those in favor signify by saying "aye"; those opposed "no." The motion is carried.

Now, while we are on the subject of the state of Florida, I have one interesting fact which has been presented to me and I would like to share it with you.

You know that Florida and Texas have quite a bit in common. We each have a "Panhandle" and out in the "Panhandle" of Florida, is a Temple by the name of Hadji. It has a Potentate by the name of W. A. Hibbert and, to our knowledge,

he is the only Potentate who played football in the original Shrine East-West Game. Therefore, Potentate Hibbert, are you present? We would like to recognize you for that unique contribution to Shrinedom.

... The Representatives applauded as Noble Hibbert approached the podium ...

IMPERIAL POTENTATE THORNTON: We have Noble Hibbert here. I don't know whether he was a guard or not but perhaps he would like to say a few words.

NOBLE W. A. HIBBERT (Hadji Temple): Imperial Sir, I was a little larger then. (Laughter) I might add that I came up being a diabetic five years ago and, as a result, have lost some 140 pounds. However, I did go out there and play. Of course, my father was a railroader and so I rode out there on a pass.

The coaches were all really very nice to me and they let me play. In those days they called me "Red". (Laughter)

Of course, in those days I merely knew it was a game. I became interested in the Shrine when I had a friend of mine that was taken away by some men. I never knew what happened to him. Further, I used to be like almost any other boy on the east side of Des Moines. We played our game out there on the tracks. However, when Bill came out there, he was not able to play football with us. Of course, I later found out that Bill was clubfooted and that it was a long, long time before he could use his feet properly. Of course, at that time, we were approached, while we were in high school, several of us, with the idea of playing football for this particular university. Well, we said we would do so if they would also take Bill. Well, after a bit of argument they did and the future soon indicated that Bill turned out to be an All Missouri Valley tackle. Of course, I am in Florida now but I still think that the "Big Eight" has one of the finest conferences in the United States. Thank you very much.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you very much, Noble Hibbert.

You know, we have heard twice now from the great state of Florida and I would sort of like to even the score up a little bit and have us hear from someone from our state of Texas.

Therefore, I present to you the Grand Commander of the Grand Commandery, Knights Templar, of Texas, Wintford Owen.

MOST WORSHIPFUL COMPANION WINTFORD OWEN: Imperial Sir, Imperial Sirs and my brethren and Nobles all: This just about takes in the whole waterfront.

It is a wonderful privilege to come here on this occasion and to have the opportunity to speak to this distinguished assembly.

It is my happy privilege to bring you the greetings and good wishes of the ninety chartered Commanderies and more than 29,000 Knights Templar of Texas. We are the largest Grand Commandery in the world and this is an honor, indeed, that we are very proud of. We achieved this some twelve or thirteen years ago and I tell you now that we are not about to let those "damn Yankees" have it back again. (Applause)

To my distinguished Noble friend who was here just a moment ago, I would like to say this—when the Lord made the world he made heads and there were some of them he was not very proud of and so he covered them up with hair. (Laughter)

I am just a country boy from down in Texas, sort of like this Noble from Mississippi who was up here yesterday. I was interested in his remarks about King David but I also want to say this—that whatever else you have to say about that episode, you will have to admit that King David had a very effective membership program. (Laughter)

Now, my Nobles, this great organization to which we belong has the greatest future of any organization in the world because it is founded upon the greatest principles and the greatest religion in the world. I become a little unhappy when people come around selling Masonry on the basis of "Save Our Commandery", "Save Our Chapters", "Save Our Blue Lodge." We don't sell anything this way. We don't sell it because people are not interested in purchasing a dead horse and until such time as we get on the other side of the ledger and start selling what Masonry is we are not going very far.

I met a little chap out on the golf course the other day who knew I was a Shriner. Now, he has never seen me before but he did say, "Sir, I am eternally grateful to your organization because I am here today mainly because of what was done for me in a Shrine hospital. I have every respect in the world for that organization."

We have the same thing told us again and again in connection with our Eye Foundation but what is more important, sirs, is the fact that each one of you and every Mason who has taken our Degrees and Orders has had his life improved by association with our great fraternity.

We have built in the United States of America the greatest nation in the world because of the fact we have built it upon these principles.

My friends, you talk to the people and you tell them the story of Masonry, you tell them what it is, you tell them what it does, and they will come to you.

Now, Imperial Sir, thank you for your many hospitalities, for your most gracious kindness and for having me as your guest. It was a wonderful privilege to be here. Thank you very much.

... Rising applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Wintford, for your most inspiring remarks.

We will now have the report of the Imperial Treasurer, Thomas W. Melham.

IMPERIAL SIR THOMAS W. MELHAM: Imperial Sir and Representatives: You, quite some time ago, received a Book of Reports which included the financial report of both the Iowa and Colorado Corporations. There has been considerable discussion of matters financial. Unless there are any questions, Imperial Sir, I would like to move that the Treasurer's Report of both corporations be received and approved and made a part of the records of this session.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. Is there any discussion?

All in favor signify by saying "aye"; those opposed "no." The motion is carried.

I now have a great deal of pleasure in presenting to you a Grand Master from another part of our great country, from the Grand Lodge of Kentucky, Most Worshipful Grand Master R. Cliff Wilder.

... Rising applause ...

MOST WORSHIPFUL BROTHER WILDER: Imperial Sir, Illustrious Sirs, my brethren all: It is with a great deal of pleasure that I have come here to the meeting of this organization. I bring you the greetings of the Grand Lodge of Kentucky and its 100,000 Masons.

We have, in Kentucky, four Shrine Temples. We have two Shrine Hospitals, one National and one we own ourselves. We have two Masonic Homes with two Hospitals. Therefore, we know what it is to operate a hospital in connection with Blue Lodge Masonry as well as you know what it is to operate a hospital in relation to the Shrine organization.

We know what it is to raise money for those organizations. We join with you in all your efforts for crippled children.

I guess that the greatest problem a Grand Master has in almost any state is the promoting of peace and harmony among all of the allied organizations. My father used to tell me that it took a great man to promote peace and harmony—anyone can stir up trouble—and I find this to be so true with the Masonic Order.

We try to work together with all of our organizations because we believe we are all working for the same thing. Masonry is by no means dead in Kentucky because we find that the attendance and enthusiasm of the members throughout the state is the greatest that we have had in many a year. This, I think, all relates back to Masonic education because, as you have already been told, if we cannot get the brethren to work in some particular organization, whether it be the Blue Lodge or any appendant organization, then we are going to be hurt. In our case, we don't care what organization they work in, so long as they are active.

It has been a real pleasure to come here and to address this organization. I thank you for your hospitality and we hope that if you have an opportunity to visit us in Kentucky that you will come. Thank you very much.

... Rising applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Most Worshipful Grand Master R. Cliff Wilder. As a Kentucky Colonel, I also thank you. I have had that high honor conferred upon me and I almost feel as though I am one of your constituents. I was delighted to see we got by there—that the Chairman of the Jurisprudence and Laws Committee squeezed by without having his name mentioned during your talk.

I will now recognize again, Past Imperial Potentate George E. Stringfellow, Chairman of the Emeriti Membership Committee.

IMPERIAL SIR GEORGE E. STRINGFELLOW: Imperial Sir, I believe we inadvertently left off the list a person who is qualified to be elected an Emeritus Member, one of the great Shriners in North America, Louis J. Best of Tripoli Temple.

He has been active in his Commandery, the Scottish Rite and is a Past Potentate of his Temple and Director of his Court. He is a Thirty-Third Degree Mason.

Therefore, I move his election to Emeritus Membership.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, is there any discussion?

All those in favor signify by saying "aye"; those opposed "no." The motion is unanimously carried.

A few weeks ago, I think it was on June 9th, I had the extreme pleasure of visiting Aleppo Temple during their Ninetieth Ceremonial Session—ninety years in Shrinedom. At that time I met (and I don't know whether it was for the first time, no it wasn't) but I had the opportunity of becoming quite well acquainted with the next Grand Master whom I should like to have speak to us.

He is the Grand Master of the Grand Lodge of Massachusetts, Most Worshipful Brother Donald W. Vose, from Boston. We will be privileged, sir, to hear from you at this time.

... Rising applause ...

MOST WORSHIPFUL BROTHER DONALD W. VOSE: Imperial Sirs, Distinguished Guests and Nobles of this Imperial Session: I want to bring you the warm fraternal greetings of the Grand Lodge of Masons in Massachusetts, representing 117,000 symbolic Lodge Masons and three Temples.

You know, in Massachusetts we have a magnificent bit of fraternalism that has been going on for many years. All that I have to do is to enjoy it and encourage it.

I would like to thank the Shrine Temples for the support which they give to symbolic Masonry in Massachusetts. It has been my pleasure, for a number of years, to be a part of the Shrine Third Degree Team of Aleppo Temple and, Nobles, you can take pride in the many years which you have seen Imperial Sir Robert Gardiner Wilson, Jr. parade up here on the platform propounding the great principles of Shrinedom but, on the other hand, I want to point out to you the great pride which you would enjoy were you to visit with him, as I have, and watch him take part in the Degree Teams of the Third Degree. It would inspire you to see how well and how often and how magnificently he goes into the symbolic Lodges and plays the part of the Senior Deacon. These you do not see but we in Boston and thereabouts do see and I want to express to him and our Temples my appreciation as Grand Master of Masons in Massachusetts for the great work he and the Temples do for symbolic Masonry right in Boston.

I would also like to say that the message which Shrinedom has and which Masonry has to give to the people of the world and to our various states in particular, can well come from the Shrine Clubs which you have, for it is there on your family occasions when your sisters, wives and daughters can with great pride point to the pleasures which their husbands have in Masonry and thereby tell the other ladies the message and suggest "why doesn't your husband seek further light in Masonry."

I am very proud that my Temple has given to me a Fez which says "Grand Master" and, you know, it doesn't make any difference how important we may feel, there is always someone who doesn't quite read things the way we do.

It was at our last session in Florida that we saw the Grand Master of Texas wearing this Fez that said "Grand Master", and my Temple asked me if I would wear such a Fez when I become Grand Master and I said I would and I did. However, again I say, everyone doesn't see things quite that way.

One Noble not long ago was heard to say to another—"How come Don Vose became Grand Master—he can't even play a flute." (Laughter)

It just depends on how you read things.

Imperial Sir, I want to express to you my thanks for your hospitality and that which you extended to my wife and to say we look forward to having you visit us again in Boston.

... Rising applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Most Worshipful Grand Master Vose.

Nobles, this evening, in Fort Worth (and that is where I live) we will have another great parade. It will terminate in the air-conditioned auditorium, the Convention Center. I promised you before that both parades would terminate in such an auditorium, one that was air-conditioned. The air-conditioning here on Tuesday did not get finished but ours is finished and I guarantee you you will witness that parade in a state of extreme comfort. We hope that all of your Units that have marched here will participate there. The parade will be relatively short so they will not become too exhausted.

When we reconvene at one-thirty here, you will have an opportunity to see a very exciting event. You will hear a report by the Chairman of our Board of Trustees in relation to our Hospitals. Therefore, I urge for all of you to be present. The press has been invited to witness this exciting program that will take place.

Now, we have one presentation and for this I would like to call upon the Potentate of El Bekal Temple, Howard Thorp, to come forward.

NOBLE HOWARD L. THORP (El Bekal Temple): Thank you, Vic, for allowing me this opportunity.

When this occasion arose, this gentleman was the Imperial Chief Rabban. I believe it is now all right to call him the Deputy Imperial Potentate, or do I have to wait for that until tomorrow? At any rate, I would like to have Imperial Sir Jacob Wingerter approach the podium.

... Imperial Sir Jacob Wingerter approached the podium ...

NOBLE THORP: Perhaps a word of explanation about this is in order. This year, which is El Bekal's anniversary year, its twentieth year, the Imperial Sir was kind enough to send Jacob Wingerter out to represent the Imperial Council. At that time it was the intent to present him with a key to the city of Long Beach. Therefore, at this time, it is an honor and pleasure for me now to represent the Mayor of Long Beach, California and to present to you the key to the City of Long Beach, Imperial Sir.

... Presentation of key and applause ensued ...

IMPERIAL SIR JACOB WINGERTER: Thank you, Illustrious Sir. I am happy to receive this beautiful little key and I am most indebted to the Imperial Potentate for his assignment sending me there. I enjoyed myself at this anniversary party and, of course, I wish for the members of this Temple another twenty years and still another and another of progress. Good luck to you all. (Applause)

IMPERIAL POTENTATE THORNTON: Now, Nobles, by your careful attention, by your courtesy to all speakers and to the Chair, you have earned yourself an extra twenty minutes of leisure. We will recess and reconvene here at one-thirty p.m.

... The Ninety-Eighth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at eleven-forty o'clock to reconvene at the Statler Hilton Hotel, Dallas, Texas, at one-thirty o'clock p.m. ...

AFTERNOON SESSION

THURSDAY, JULY 20, 1972

ONE-THIRTY O'CLOCK P.M.

The Ninety-Eighth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at the Statler Hilton Hotel, Dallas, Texas, on July 20, 1972 at one-thirty o'clock p.m., Imperial Potentate C. Victor Thornton presiding.

IMPERIAL POTENTATE THORNTON: Nobles, the meeting will please come to order. Please take your seats.

. . . Business was conducted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE THORNTON: Now, Nobles, I would like to again call the meeting back to order. We are going to consider the matter of a proposed new Temple and I present now the Chairman of the Dispensations and Charters Committee, Noble Karl L. Friedrichs.

NOBLE KARL L. FRIEDRICHS: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters, a petition received from Nobles of South Carolina, requesting a Dispensation for a new Shrine Temple in that area known as JAMIL, located at Columbia, South Carolina.

The petition was reported to your Committee as being in good order by the Imperial Recorder. Your Committee examined the petition and found a sufficient number of qualified Nobles from many Temples of the Ancient Arabic Order of the Nobles of the Mystic Shrine.

The Committee was of the opinion that the material and information prepared and presented by the proponents was in proper order, well prepared and met all the provisions of the Imperial Code.

The Committee commends the presentation by the Nobles who appeared on behalf of the petitioner, and the Nobles who were opposed to granting the dispensation.

After a full and free discussion of all the facts relating to the petition for dispensation of the new Temple, your Committee met in executive session, and by a majority vote approved the granting of the Dispensation.

Following the recommendation of the Committee on Jurisdictional Lines, as prescribed by Section 329.3, in the By-Laws of the Iowa Corporation, your Committee further recommends that JAMIL TEMPLE be given exclusive jurisdiction in the following counties.

Edgefield, Saluda, Newberry, Fairfield, Kershaw, Chesterfield, Richland, Lexington, Aiken and concurrent jurisdiction with Omar Temple in counties of Dillon, Marlboro, Darlington, Lee, Sumter, Calhoun, Clarendon and Orangeburg.

Your Committee therefore recommends the granting of the Dispensation.

NOBLE KARL L. FRIEDRICHS: Imperial Sir, I move that the report be received and approved and that the Dispensation be granted to Jamil Temple, U.D. There will probably be some discussion on it. (Laughter)

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: Nobles, you have heard the report of the Dispensations and Charters Committee, the motion and the second. Is there any discussion?

Please approach the microphone and identify yourself.

NOBLE JOSEPH J. GILLIS (Omar Temple): Imperial Sirs and Representatives: I appear here before you today to most humbly beg you to vote "no" on the allowing of the Dispensation for a new Temple in Columbia, South Carolina.

We of Omar Temple feel that this is not a formation of a new Temple. We feel that this is a division of Omar Temple.

Of the petitioners who signed the petition, better than 1100 of them came out of Omar Temple and one hundred and some out of Hejaz. We feel that this definitely is the formation of a ready made Temple and not the formation of a new Temple for the growth of Shrinedom.

We further, at a duly called meeting at Omar Temple, have on record the signatures of the Divan, the governing Board, the Board of Trustees, our Imperial Representatives, our Southeastern Representatives opposing this Dispensation being granted, with the exception of one of our Imperial Representatives, who happened to serve on the Jurisdictional Lines Committee. We did not ask him to sign this.

Another one of our Imperial Representatives was at the meeting but stated that he was for the Temple and would not sign.

He further stated, when asked if he did not feel that this was a division of Omar Temple and not the formation of a new Temple, that it was a division.

In our territory, we have some forty-two Shrine Clubs and Units combined. The territory that they are requesting, exclusive and concurrent, would eventually eliminate or take away from Omar Temple twenty-one of these Clubs and Units, which is exactly half of Omar's participation.

We further feel that with the efforts of Hejaz, Omar and other Temples in South Carolina, as well as Sudan and Oasis in North Carolina, this would not be an improvement in our membership for Shrinedom in the two states, especially in our area.

We most humbly beg you and refer you back to Imperial Sir Harvey Beffa's report on our contributions to our hospitals. These four Temples have worked regularly together and last year we presented some \$500,000. This year, as you will recall, it was \$565,000.

We intend, if the four of us can continue to work harmoniously, to improve and in a matter of a few years attempt to reach the magic figure of a million dollars.

I might also mention that Columbia, South Carolina, is my home. Our Chief Rabban this year lives thirty-eight miles away from Columbia, which will be a concurrent jurisdiction. Also, the Illustrious Potentate of Hejaz, this year, lives in this territory and his Chief Rabban lives in the City of Columbia also.

Thus we feel that this is like having a country without having any participation from your Nobles or your people.

Further, the territory they are requesting is taking the very heart out of Omar Temple. Eight out of the past eleven Potentates of Omar Temple came from this jurisdiction. We need Nobles such as the ones who are trying to move out. I don't think that Omar Temple can survive if this move is carried through.

We, at the present time, have a few over five thousand members, with Hejaz not being affected as much as we are, having better than eight thousand, and then our two Temples in North Carolina have over ten. This movement would take us down to around 4200 or less as the years go by with Nobles demitting due to closeness.

Columbia is only a hundred miles away from Charleston, home of Omar Temple. I contend that when I took the obligation as a Shriner there was nothing mentioned in my obligation pertaining to mileage in relation to travel to your Temple. I believe you should let us continue to have our present jurisdiction and let all of the Temples involved here continue to work together as they have in the past.

Living in Columbia, I have discussed this with quite a few of the signers of the petition. They signed this, of course, due to their living there but they also expressed their opinion that if the dispensation were not granted, they would join back with Omar and help us continue our fight for the crippled children.

Again, I would like to mention that this will take away the very heart of Omar Temple and also the type of Nobles who we need very badly.

Fellow Nobles, I was raised in a Masonic Orphanage and when I was a child we would sneak out at night into the watermelon patch, break open the watermelon and dig in and pull the heart of the melon out, eat it and then let the balance of the mess lie on the vine. Needless to say, you know what happened to the balance of that watermelon. It deteriorated and developed into nothing. The same thing will happen in here. Therefore, I would urge you to vote this down and allow us to continue with our four Temples, working harmoniously together. We have shown you in the past what we can do and, of course, we will continue to do so.

Thank you for your attention.

. . . Applause . . .

IMPERIAL POTENTATE THORNTON: Is there further discussion?

NOBLE WALTER L. MILLER (Hejaz Temple): Fellow delegates the four Carolina Temples last year created 2,720 Nobles and have a net gain of 1,808. Hejaz Temple, in the last three years, has given more blood to our Orthopedic and Burns Institutes than all of the Temples in North America combined. (Applause)

These four Temples, particularly the two Temples in South Carolina, work in a most harmonious and understanding way. We do not have any problems along jurisdictional lines. We have problems but the biggest one we have is getting out here and raising money for our hospitals.

In the last three years, the Shrine Bowl has raised over one and one-half million dollars for our Greenville Unit.

Fellow Delegates, I ask you not to disrupt this progressive Shrine Temple movement in South Carolina. Please do not divide us. Please vote "no" when the time comes. (Applause)

IMPERIAL POTENTATE THORNTON: Thank you very much, Noble Miller.

I will now recognize Noble Robert Lake of Hejaz Temple at Greenville, South Carolina.

NOBLE ROBERT C. LAKE (Hejaz Temple): Illustrious Sir, Illustrious Sirs, Imperial Sirs and Representatives: I would like to speak to you concerning a problem in South Carolina. Our problem is with the formation of a Temple that is going to do irreparable damage to Shrinedom in South Carolina.

I tell you this because I really hate to be on the side that I am on. I like to be positive and not negative in any approach to problems but every situation has to stand on its own facts and the facts here are that Shrinedom is growing in South Carolina by leaps and bounds. Hejaz Shrine Temple has had the largest percentage increase in 1971 of any Temple in North America, excluding one, and I ran into that fine Potentate last night. They beat us by one Noble.

Hejaz Shrine Temple in North Carolina is doing a beautiful job for the Crippled Childrens Hospitals and the Burns Institutes. We are fortunate to have in Greenville a Crippled Childrens Hospital, Orthopedic Hospital, and I tell you we have 8,400 plus members in Hejaz Temple. The money comes but we need the physical presence of these Nobles to take care of this hospital—to be there for outpatient treatment, to be there for the visiting Nobles who come through South Carolina and stop at Greenville to see the hospital.

Now, if we were not growing, I would be in favor of this divisiveness, to divide Omar Temple, but we are growing and we are getting the job done. Therefore, why I ask you, should you vote to give this Dispensation to a group of Nobles who are asking to build another Mosque, to hire another recorder, to employ staff, which money, on the other hand, could justifiably go to the cause that you and I are interested in.

I would ask you to oppose this. There is no sponsoring Temple in North Carolina, South Carolina or Georgia that is sponsoring this movement here today. There is opposition from every contiguous Shrine Temple to the territory.

The distance, at the furthest, in relation to Hejaz Shrine Temple, on the part of any of the Nobles to our Temple, is 124 miles by Interstate Highway.

I ask you to give this serious thought. If we were not getting the job done for

Shrinedom, if we were not getting the job done for the crippled child and the burned child, then you should vote to divide us and create a new Temple. However, as has already been indicated to you, we are doing the job and, therefore, we would ask that you stick with us and when the time comes when we reach that plateau that we have our Mosque paid for, then I will join hands with you; when we reach that plateau and cannot grow any more as a Temple, then we should be divided.

However, I would thank you for sticking with us today and for this year. Thank you very much.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you very much.

NOBLE ROBERT E. REESE (Omar Temple): Imperial Sirs and Representatives, Charleston, South Carolina, was the home, was the foundation of Freemasonry in America. The Commandery had its birthplace at Charleston; the Supreme Council of the World, of the Ancient, Accepted Scottish Rite Masonry, was founded there.

Today we are faced with a very serious and vital problem—the division of our Temples.

We have a little over 5300 members in our Temple. Eleven Hundred of those Nobles that live in the Columbia-Lexington County area have indicated a desire to petition this Imperial Council to form a third Temple.

I have searched my heart and my conscience and I have weighed all of the factors and I find that uppermost in my mind is the situation that we have created today, where all of these Temples in that area are presently working harmoniously together and, in the past years have, together, raised over three and a half million dollars for our Crippled Childrens Hospitals.

Now, in connection with this action, is this what you wish to divide up? I don't think so.

Today we have an indebtedness on our home Mosque that was put there by all of the members of our Temple, not by just a few but all members of our Temple. This indebtedness will be paid off in full within three years.

If you must do something, defer this action. We ask this of you.

It is the fervent prayer and hope of some 12,500 Nobles in the State of South Carolina that this Dispensation not be granted and, therefore, in relation with their hopes and prayers, I would ask that you table this motion.

Imperial Sir, I move that this motion be tabled.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: Nobles, we have before us a motion to table, which has been seconded. There is no discussion permitted on a motion to table. Again, let me briefly repeat, there can be no discussion on a motion to table. It takes a majority vote to pass the motion to table. If it should be tabled, it could be brought up again with a majority vote. Are you ready for the question?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: All those in favor of tabling the motion please signify by saying "aye"; those opposed "no." The "ayes" have it and the motion is tabled.

... Applause ...

Now, is the Chairman of the Special Committee on Shrine Tours and Cruises ready to report?

NOBLE JAMES T. SINGLEY: Yes.

IMPERIAL POTENTATE THORNTON: Will you then please proceed with your report.

NOBLE JAMES T. SINGLEY: (Reading)

To the Imperial Council, A.A.O.N.M.S., 98th Annual Session:

1. Your Special Committee on Shrine Tours and Cruises wishes to report that it has been available and advised with numerous Temples concerning plans for caravans, tours and cruises. Many Temples have expended large sums of money promoting and engaging in tours and cruises of various kinds. Many hundreds of

thousands of dollars are now being spent by our Nobility on tours and cruises, sponsored by our Temples and their many subordinate organizations.

2. At the present time, a review of the success of these many trips indicates that our Temples and subordinate organizations are doing excellent jobs. Your Committee again warns all organizations that in these endeavors, they should continue to make sure they are complying with the Governmental Travel Regulations and that all exposure to liability on the part of the organizations are adequately covered by insurance. Care should be taken to assure participants in these trips that the travel agency involved is reliable and responsible. We again recommend that you continue to counsel seriously with your insurance agents and your legal advisors.

3. Your Committee has again been called upon to consider the problems which arise as a result of these tours and cruises encroaching upon and invading the jurisdiction of other Temples. The Imperial Council has received complaints concerning Nobles engaging in conduct unbecoming to a Shriner while visiting other jurisdictions. Local Temples are being embarrassed. Furthermore, promotions of such trips frequently involve candidate solicitation. These activities are becoming obnoxious to other Temples. One Divan has now requested approval of some local ground rules, which must be complied with by visiting Temples. These ground rules, if approved by you, would create a rush of all Temples to make their own ground rules. If valid, the existence of such rules would be so numerous, confusing, conflicting and unmanageable, that chaos would occur. We, therefore, recommend that a study of these complaints be made by the Imperial Council and, if warranted, such changes as may be required to guarantee proper conduct of visiting Temples be made in our Imperial By-Laws. One step in this direction was suggested by this Committee to the Board of Directors at our meeting in Indianapolis. The recommendation required that notice by a visiting Temple be given to the Potentate of a local Temple at least ten days prior to any visit to another jurisdiction. Because this problem has again come to our attention, we now recommend the entire matter be studied with a view of creating an orderly procedure for visits to other jurisdictions and that proper legislation be submitted for approval of this body.

4. We again recommend the issuance, by the Imperial Potentate of a General Order similar to those issued during the last several years, relative to the reporting of such tours and cruises.

NOBLE JAMES T. SINGLEY: Imperial Sir, I move that this report be accepted and filed.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. Is there any discussion?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: All those in favor please indicate by saying "aye"; those opposed "no." The motion is carried.

I would like to thank the Chairman, James Singley, for his diligent work, with his Committee, which has been going on for the last several years. I am sure that his recommendations will be put to the Divan for consideration.

Is Noble G. Wilbur Bell in the room? Will you please come forward.

It is my pleasure now, Nobles, to present to you a fellow Representative, one who is the Grand Master, Grand Encampment of Knights Templar, Noble G. Wilbur Bell.

... Rising applause ...

NOBLE G. WILBUR BELL: Imperial Sir, Most Worshipful Grand Masters, Imperial Sirs, Fellow Representatives and Nobles All: Certainly, I want to express my sincere thanks and appreciation for the many courtesies which have been extended to me while being here and on behalf of the Knights Templar, not only of the fifty states of the United States but over in Okinawa, Guam, the Philippines, Japan, Mexico, the Canal Zone, Italy, Germany and Saudi Arabia, to congratulate you on your Hundredth Birthday. I sincerely hope that all of you will make reservations, along with me, to celebrate our Two Hundredth Anniversary. (Laughter) I am going to be here. (Laughter)

I have been attending the Imperial Council for a little over twenty-five years and I want to say to you that the optimism and the forward look that you are taking now is the greatest that I have ever seen it. I truly believe that God gave Shriners the wisdom to see the need now. He is going to give to you the strength to perform the deeds.

Congratulations to all of you on your accomplishments and may they be greater in the future. Thank you so very much for this recognition.

... Rising applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Noble G. Wilbur Bell, for those thoughtful and meaningful remarks.

I will now call upon the Chairman of the Shrine Rooms-West Committee, Illustrious Past Imperial Potentate, Barney Collins.

IMPERIAL SIR BARNEY COLLINS: Imperial Potentate, fellow Representatives: On March 18 of this year, our Imperial Potentate inaugurated the new Shrine Rooms-West at San Francisco. He cut the ribbon. We had quite a large group attending and the display that was shown was well received by all of those who saw it.

We need, however, more things to put into the Museum. We have a space of roughly three times as large as the one we had at Alexandria, Virginia. We need anything that you feel would contribute to our Shrine memorabilia that we can show to the public.

This afternoon, for example, three footballs were kicked from the platform. We can use one of those footballs. I see that Texas got two of them and California got the other one.

Perhaps we should start off by having at least every Recorder send us at least a Fez so that every Temple would be represented.

Of course, we do not expect this Museum to be completed immediately. It will take years and years and as you continue to visit it, you will have ideas and suggestions to contribute to our caretaker.

Imperial Sir, this report is concurred in, along with me, by all members of the Committee.

I would move for the adoption of the report.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. Is there any discussion?

All in favor signify by saying "aye"; those opposed "no". The motion is carried.

Of course, I do urge all of you Nobles to search your attics, byways, secret closets at the Temples, etc., for material which would be fitting for this very fine new Museum that we have there.

Many of these things, if not found, uncovered and placed there, will ultimately be lost to Shrinedom. This effort was started during our Hundredth Year and we hope that many of the memorabilia of these hundred years can ultimately find their way to these new Shrine Rooms-West. Please help us.

I now present the Chairman of the Public Relations Committee, Imperial Sir Jack M. Streight.

IMPERIAL SIR JACK M. STREIGHT: Nobles, first I would like to make an announcement.

Will all of the Potentates of the Canadian Temples please meet me to my left. I wish to give you some instructions as to how to meet the press with reference to the Winnipeg and Montreal Units.

My purpose here today, Nobles, is to present the awards to the various Shrine Temples and their editors for putting out the best newspaper, the best magazine in Shrinedom.

As you know, we have three independent editors to judge the contest and I may say that the competition was keen. Your papers used for communication with your Nobles, for example, have been great and we wish you would keep this up and make sure that your Temples have either a paper or a magazine to be forwarded to your Nobles.

It is now a pleasure for me, on behalf of the Public Relations Committee, to ask our Imperial Potentate to present these plaques to the Temples and to the editors. As their names are called, would they be good enough to come up here and receive the plaque. Further, there will be a photographer present for that purpose.

Now, the first is Magazines for Temples with fewer than four thousand members.

With regard to Newspapers, Honorable Mention goes to Kem Temple of Grand Forks, North Dakota, and Kerak Temple of Reno, Nevada.

The first place winner is Khartum Temple of Winnipeg, Manitoba, Canada. (Applause) The Editor is Noble A. Leslie Garside. I might also say that Khartum Temple now takes permanent possession of the trophy, having won it three times.

Noble Bob Spear is the Illustrious Potentate of this Temple.

IMPERIAL POTENTATE THORNTON: I present to you this plaque on which your name has been inscribed. I hope your Nobles enjoy seeing it within your Mosque this coming year and may I congratulate you for this fine work in public relations.

... Presentation of plaque and applause ensued ...

IMPERIAL SIR JACK M. STREIGHT: For the Class B Temples, having from four thousand to seven thousand members, Newspapers, Honorable Mention goes to Affi Temple of Tacoma, Washington, Al Kader Temple of Portland, Oregon and Kismet Temple of New Hyde Park, New York.

The first place winner is El Bekal Temple of Long Beach, California. The Editor is Noble Jack Horner.

IMPERIAL POTENTATE THORNTON: Again, Illustrious Potentate, Howard Thorpe, I present this for Jack Horner, your Editor. I present this traveling trophy to be exhibited in your Temple with the congratulations of this body and the best wishes of the body for your continued fine work in the field of public relations.

... Presentation of plaque and applause ensued ...

IMPERIAL SIR JACK M. STREIGHT: For the Class C Temples, that is Temples under four thousand members, for Magazines, Honorable Mention goes to Alhambra Temple of Chattanooga, Tennessee and Tehran Temple of Fresno, California.

The first place winner is Cahaba Temple of Huntsville, Alabama. This was the most improved publication of the year in all of Shrinedom. The Editor is Noble Felix Williams.

IMPERIAL POTENTATE THORNTON: It is certainly a pleasure for me, Illustrious Potentate McCulloch, to present this to you for your Editor, Felix Williams. I think this is a remarkable achievement. I congratulate you and present this to you. Congratulations and best wishes.

... Presentation of plaque and applause ensued ...

IMPERIAL SIR JACK M. STREIGHT: And for Magazines, Class B, Temples from four thousand to seven thousand members, Honorable Mention goes to Kora Temple of Lewiston, Maine and Sphinx Temple of Hartford, Connecticut. The first place winner is El Zaribah Temple of Phoenix, Arizona. The Editor is Noble Bert Carciotto.

... Whereupon, both the Potentate and Editor of the Temple approached the podium ...

IMPERIAL POTENTATE THORNTON: Congratulations to you for the fine record you have made in public relations in the magazine section. I am delighted to have the pleasure of presenting this to you personally, Bert. Congratulations and best wishes.

... Presentation and applause ensued ...

IMPERIAL SIR JACK M. STREIGHT: We now proceed to the Imperial Publication Contest winners in Class A, Temples having more than seven thousand members.

For newspapers, Honorable Mention goes to Syria Temple of Pittsburgh, Pennsylvania, Al Koran Temple of Cleveland, Ohio and Aleppo Temple of Boston, Massachusetts.

The first place winner is Al Malaikah Temple of Los Angeles, California. The Editor is Noble Warren E. Morrell.

... The Potentate of Al Malaikah approached the podium ...

IMPERIAL POTENTATE THORNTON: Illustrious Potentate, Jim Cunningham, it is certainly a pleasure to present to the not baby Temple but to the largest Temple in all Shrinedom this plaque for your efforts and for display in your Temple is also this traveling trophy, both as a memento of the excellent work you are doing in the field of public relations.

... Presentations and applause ensued ...

IMPERIAL SIR JACK M. STREIGHT: In Class A, relative to magazines, Honorable Mention goes to Murat Temple of Indianapolis, Indiana and Zembo Temple of Harrisburg, Pennsylvania.

The first place winner is Medinah Temple of Chicago. The Editor is Noble Allan D. Parsons.

Medinah Temple retires the trophy, having won it three times. Of last year's publication contest winners, Medinah Temple is the only one to repeat this year.

IMPERIAL POTENTATE THORNTON: Noble Parsons, it is a particular pleasure to present to you this permanent trophy and I can see one reason you have it—you certainly have an active press corps here. (Laughter) I see them in evidence everywhere.

Congratulations on the fine work that you have done. With this goes this trophy, which was a traveling trophy and is now permanently a possession of Medinah Temple. Congratulations on your winning this for the third time.

... Presentations and applause ...

IMPERIAL SIR JACK M. STREIGHT: You know, Medinah Temple has more photographers here than we have members working for us at the Imperial Headquarters. (Laughter)

Now, this is the last but, I think, the most interesting one. This is the best human interest story and this applies regardless of the size of the Temple. Therefore, as one can imagine, it creates keen competition.

I am pleased to say that a little Temple out West called Sabbar Temple of Tucson, Arizona, is the winner for its feature on the operation and fitting of prosthetic legs for patient Renee Snyder. Editor, Thomas L. Roof saw the patient in the Los Angeles Unit and wrote his story for Temple publication. This attracted the attention of the Tucson Daily News and a staff writer and photographer came up with this (indicating) beautiful full-page article and six dramatic photos.

Our congratulations to Sabbar Temple and to Editor Tom Roof.

IMPERIAL POTENTATE THORNTON: Illustrious Potentate, Willard Miller, I take pleasure in presenting this trophy to you in behalf of Noble Tom Roof. I am delighted at having this opportunity and I congratulate you on the achievement you have made.

... Presentation of trophy and applause ensued ...

IMPERIAL SIR JACK M. STREIGHT: Thank you all very much.

IMPERIAL POTENTATE THORNTON: I am informed that this completes the report of the Public Relations Committee. I thank you, Imperial Sir Jack M. Streight, for

your diligent work and I also thank the staff of the Chicago Office for what they have done.

Nobles, again, you have given wonderful attention, which all of us appreciate. Tonight is the parade at Fort Worth. Please come and see my home town now.

We are recessed until nine o'clock tomorrow morning.

. . . The Ninety-Eighth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at three-forty-five o'clock p.m., to reconvene at nine o'clock a.m., Friday, July 21, 1972, at the Statler Hilton Hotel, Dallas, Texas . . .

MORNING SESSION

FRIDAY, JULY 21, 1972

NINE O'CLOCK A.M.

The Ninety-Eighth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at the Statler Hilton Hotel, Dallas, Texas, Friday, July 21, 1972, at nine o'clock a.m., Imperial Potentate C. Victor Thornton presiding.

IMPERIAL POTENTATE THORNTON: Nobles, will you please resume your seats so that we can commence our meeting.

I will now call upon our Imperial Chaplain for the invocation, Dr. R. Bruce Brannon.

DR. R. BRUCE BRANNON (Imperial Chaplain): Nobles, let us pray.

We will sing of the loving kindness of the Lord forever. With our mouths, we will make known Thy faithfulness to all generations.

Oh Lord, all power is given unto Thee and heaven and earth. Cleanse our hearts; send Thy Holy Spirit into our souls; subdue us unto Thee so that our flesh may be brought into subjection to Thy Spirit and our affections made obedient to Thy pure and holy law so that in this day we may do all things according to Thy will.

We make our prayer in the name of our Master, Amen.

IMPERIAL POTENTATE THORNTON: Thank you, Bruce.

It is now my pleasure to invite to the rostrum the Grand Sovereign Red Cross of Constantine, Noble Robert W. Cauldwell.

. . . Rising applause . . .

NOBLE ROBERT W. CAULDWELL: Imperial Potentate, Imperial Sirs, Illustrious Sirs and Nobles: I am thankful for this opportunity to express my thanks and appreciation on behalf of my wife and myself as one of your guests for the many courtesies extended to us and for your fine hospitality.

I had the pleasure of riding in the parade on Tuesday, down the main street of Dallas, and as we went along I heard someone say—"Look, Honey, there's the Red Cross." I am sure they thought I was representing the American Red Cross. I expected she fully believed to see a supply of sandwiches and hot coffee and maybe some assorted, prepared bandages.

In case some of you may be doubtful as to what the Red Cross of Constantine is, I would like to take just a moment or two to tell you as to what it represents.

Ours is an organization, an invitational group, which exists to extend invitations to membership to worthy Masonic leaders and persons who are active in the Craft. We have in our membership, both York and Scottish Rite members.

Our eligibility requirements are as follows: That any prospective invitee must be a member of the Royal Arch and he must be a believer in the Christian faith as revealed in the New Testament.

Of course, qualities of leadership are likewise considered.

As I said before, we have all branches of Masonry represented in our membership. Further, our membership is a national one, it extends all over the United States, the Philippines and Mexico and even now to Japan.

We exist in order to perform service to the Craft.

At our meetings, which occur in individual subordinate units known as Conclaves, we discuss problems pertaining to Masonry and we try to do our best to help solve them.

Again, may I say, Imperial Potentate, it has been a pleasure to be here, to extend the greetings of the Red Cross of Constantine to your One Hundredth Anniversary of the Shrine and also, unofficially, to extend greetings and congratulations from my Temple, Kismet Temple. I am doing this unofficially.

Thank you again, Imperial Sir.

. . . Rising applause . . .

IMPERIAL POTENTATE THORNTON: Thank you, Imperial Sir. I am sure the Nobles were definitely interested in your explanation of the Order and we appreciate your very nice remarks.

I would now like to call to the rostrum for a presentation Noble Howard Lindmark of Tebala Temple.

NOBLE HOWARD LINDMARK (Tebala Temple): Imperial Sir, Vic, and Imperial Sir, Henry, I have these presentations to make to you on behalf of a Noble of Tebala Temple. He is a Craftsman, a man active in the Shrine Club and in the Units for some many, many years. He has hand made these items and he sincerely hopes that when both of you, at your leisure, view these items, that you will think of though a very small, but active Temple, Tebala Temple.

. . . Presentation of gifts to Imperial Sirs Thornton and Struby ensued . . .

IMPERIAL POTENTATE THORNTON: Thank you, Illustrious Potentate, Howard. We will open these a little later in order to conserve time.

IMPERIAL SIR HENRY STRUBY: I too would like to extend my thanks to the member and to the Temple for this gift.

IMPERIAL POTENTATE THORNTON: It is customary, on Friday morning of our Session that the newly elected Imperial Potentate be accorded whatever time he wishes to explain his program and to make whatever announcements he cares to.

It is now, therefore, with a great deal of pleasure that I turn this microphone over to one grand guy, Henry "Bird" Struby, the Imperial Potentate-Elect.

. . . Rising Applause . . .

IMPERIAL SIR HENRY B. STRUBY: Imperial Sir, Vic, Imperial Officers, Past Imperial Potentates, wonderful Grand Masters, Distinguished Masons All: I only wanted to first tell you I did not know I was going to be called on this quick or I would have planned this a little differently. However, Vic and I have been friends, I think, for something like fifteen years. As a matter of fact, we ran against each other at one time. Now, let me first say that I have never seen a more dedicated and hard working Shriner than Vic and his lovely family.

I have no real news in connection with a program. I guess this is the first time in a hundred years that we could get two Imperial Potentates to decide on what they were going to do as a program and at least try to carry out through each successive year. Ordinarily, when a man comes in, he would naturally have his own program and want to push that forward. However, Vic and I agreed some two years ago we would try this thing on the basis of the way we are presently doing it, especially in relation to the Hundred Million Dollar Club and, surprisingly enough, we think it is going to be successful.

You know, we have had our people say "You've got your ladder of smiles and permanent contributing memberships and you also get all of your money from these wills and bequests and, therefore, why should you worry about this program?" Well, I believe that this present idea is really one of the first new ideas that has come up insofar as raising this amount of money in the Shrine is concerned for quite a few years and, further, if yesterday did not indicate to you that you should either give us a hundred dollars or leave a hundred dollars in your will, then there must be something wrong with you or you just cannot stand this poverty situation.

I can tell you this much—my program is going to be primarily on development of DeMolay as much as we can without stepping on the toes of any other pre-requisite bodies who have also done a good job. It has been my privilege to serve

on their Executive Committee since I was appointed a liaison man from the Shrine. I did not have the privilege of being a DeMolay when I was a kid. The Boy Scouts had a camp over on the Island in Illinois and my mother sent me to camp. I peeled potatoes and blew a bugle and at that time DeMolay did not have that kind of a program. Therefore, I went where I could go and attend a summer camp.

However, we feel they are doing a great job and, further, I think this is the organization from which we are going to have to acquire our new members. If you figure, for example, we have some four million Masons and about thirty percent of those are in the York and Scottish Rite and that we have almost seventy-five percent of the York and Scottish Rite members in the Shrine, then I don't believe we are going to get too much more on a percentage basis. Therefore, we are going to have to get more men into the other subordinate bodies in order for us, in turn, to make more Shriners.

Another idea that I had is that we can surely develop a better sense of apportionment insofar as setting these people out to work on the different drives that we have is concerned.

Now, of course, we have our football games, we have our basketball games, we have our rodeos, our fish fry's and all of that, but when you see a deal where four Temples down in the Carolinas will bring in \$565,000, then it behooves us all to see if we cannot develop some idea.

I am not expecting you to do this right away but, on the other hand, this has been a tremendous effort on their part and they have done a grand job in order to help the Shrine.

I only hope that in some way we can reestablish a little more interest in the East-West Game so that we can make a little more money out of that effort.

California has given so much money in relation to wills and bequests that we surely want to be able to develop a little more interest in that game.

At any rate, these are things I would like to see us work on.

Insofar as trips are concerned, and this might not be exactly the appropriate time, as you probably know, there are a lot of offers being made to you men as individual Potentates to make trips. I have no thought that we are going to, in any way, try to curtail these trips but I just want to let you know that the trips that we have planned are from the first to the twelfth of May to Hawaii, the twenty-seventh of January to the tenth of February on the Caribbean for two weeks. Now, I am not telling you that to encourage you to go on Imperial trips but I am telling you this because you are still supposed to write to the Chicago Office and get permission to have your trips. You can be reassured that I will not hesitate to approve those any time that you send them in but do it this way because this is the proper way and then we will not get all mixed up as to who is going where and who is going to pay for it.

I don't have too much more to say except that I want to tell you that this culminates about thirty years of Shrinedom for me as an active member. I have been coming here for twenty-six years as a Representative. I spent five years coming through the Great Lakes line. I spent five years as the National President of the Cabiri. I know Shrine protocol and I am not going to kick you around and make you live right up to it in all instances. I hope you will have respect for this office and not for me, but essentially for the title of the office.

I am sure that with your assistance we are going to have a good year.

Of course, Vic is a tough man to follow but please be kind to Struby, we will need it.

I wish to thank you a million now for already being so kind to us. Thank you all again.

... Rising applause ...

IMPERIAL POTENTATE THORNTON: Henry, that was very nice. It was a lot shorter than I expected. After the parade last night, I was hoping to get a cat nap up here during your presentation but it did not last long enough. (Laughter)

I also know that you will have the complete cooperation of every Representative and every Noble of the Mystic Shrine in the program which you have put forward and I know that you have mine one hundred percent.

I would now like to call on Noble Robert Turley for a statement on the ruling which I have made regarding some action which took place yesterday.

NOBLE ROBERT J. TURLEY: Imperial Sir and Representatives: After your action yesterday in voting to lay on the table a motion that had been made by the Chairman of the Dispensations and Charters Committee that granted Dispensation to certain applicants from Columbia, South Carolina and the area thereabouts; after you voted to lay that on the table, an inquiry was made of the Imperial Potentate by the Potentate of Hejaz Temple for an interpretation of Shrine Law with respect to the effect of that action as it relates to Section 329.3(d) of the Imperial By-Laws.

Now, this Section provides—"When a Dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the third Annual Session thereafter. If a second or further application for Dispensation is refused no further application may be made until the fifth Annual Session thereafter."

The Imperial Potentate having been asked for an interpretation of that Section, has given his decision and interpretation that the laying on the table of the motion to grant the Dispensation does not constitute a refusal of the application; that laying on the table does not constitute a refusal of the application for Dispensation or the refusal of a Dispensation within the meaning of Section 329.3(d).

That is his ruling and the Jurisprudence and Laws Committee has then a supplementary report to make with reference to his decision.

NOBLE WALTER S. JEFFRIES: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, the Imperial Potentate's Supplemental Report on his Rulings and Decisions, issued and made during his term as Imperial Potentate, which report is required to be presented by Sec. 206.5(a)(14).

This Committee concurs in the Imperial Potentate's Ruling and Decision, that laying on the table of a motion to grant a Dispensation for a new Temple does not amount to a refusal to grant a Dispensation for a new Temple under Section 329.3(d) of the By-Laws of the Iowa Corporation.

This Committee recommends adoption of this report and approval of the Imperial Potentate's Ruling and Decision.

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert J. Turley, *Chairman*
John D. Cochran
Edward G. Maag
Walter S. Jeffries
Frank H. Cathey
Warren L. Jones
William H. Knowlton

NOBLE WALTER JEFFRIES: Imperial Sir, I move the acceptance on the adoption of this report.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, is there any discussion?

All those in favor signify by saying "aye"; those opposed "no". The motion is carried.

I would now like to have approach the microphone the Grand Master of the Order of DeMolay, Jack W. Nutt.

. . . Rising Applause . . .

NOBLE JACK W. NUTT: Thank you very much, Imperial Sir.

It is certainly a privilege for me to appear before this fine group of Nobles. I have never been treated any more cordially in my life than I have been treated here. My wife and I sincerely appreciate that.

I was happy to hear Henry Struby say what he said a couple of days ago about membership. Now, our Grand Secretary, George Saunders and I, are keenly interested in membership and, of course, in trying to hold down expenses and, therefore, we appreciate what you did for us at this session also.

Just so I know to whom I am talking, I would like to see the hands of those of you that are Senior DeMolays. There is a goodly number.

Now, in addition to that, let me see the hands of you that have worked with DeMolay Chapters on the local level. That is also a goodly representation, that is marvelous. It looks like you are on the DeMolay side all the way and I sincerely and humbly appreciate that.

I wanted to bring greetings to you from the approximately three million young men that have knelt at our DeMolay altars throughout the whole DeMolay land. We now have approximately 2500 active DeMolay Chapters and approximately 165,000 active DeMolays. I thought you might appreciate that little bit of information.

Now, at the end of October and the first part of November, many of you will be receiving flyers on this. We are coming out with a class in memory of J. Edgar Hoover and I know that each one of the Nobles here respected him. We are asking each DeMolay Chapter, during that period of time, for a minimum of two candidates. I said "a minimum". We figure that the smallest, weakest Chapter can certainly come up with two. Therefore, we hope to pick up a minimum of 5,000 new members during that one-week period. Therefore, we would urge you to support Henry Struby in connection with increase in DeMolay membership. He is likewise active in the International Supreme Council, along with George Saunders and I, and he knows how badly we need members.

Now, if we do not get members in the DeMolay, in my opinion, it is going to affect our respective Blue Lodges, our Scottish Rite bodies, our York Rite bodies and eventually the Shrine. To me it is just as simple as that.

Also, in my personal opinion, we have a different situation existing today from when each of us had to take our Entered Apprentice Degrees. It is different—entirely different—and in my personal and humble opinion, your best source of prospects for the Shrine and being able to wear the Red Fez is through the medium and the source of the DeMolay. Therefore, will you please help us in every way possible. Go back to your respective Temples and push membership in the Order of the DeMolay because, to me, that is our livelihood. I urge you to speak DeMolay membership in your respective Temples. I would appreciate it if you would do this.

Thank you very much for your recognition and your support.

... Rising applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Grand Master, Jack, and I know that you will receive the support you requested.

We have several other distinguished Masonic guests from whom we have not yet heard and we want to hear from all of them. I have them here on a little platform facing you because I thought they would rather look at you than at us.

I would next like to present to you the Most Worshipful Brother Harper P. Baikie, Most Worshipful Grand Master, Grand Lodge of British Columbia.

... Rising Applause ...

MOST WORSHIPFUL BROTHER HARPER B. BAIKIE: Imperial Sir, C. Victor Thornton, Imperial Sirs, Illustrious Sirs and Nobles All: I want to thank you, Imperial Sir, for this opportunity of saying "thanks" for the many courtesies that have been extended to my wife and myself while at this Imperial Session.

I also bring you greetings from the Grand Lodge of British Columbia. Many of you don't know where British Columbia is but it is Jack Streight's country, and here I am referring to our Imperial Sir Jack M. Streight, who is your Imperial Chief Rabban this year.

We in British Columbia are very, very proud of Imperial Sir Jack Streight and I am sure you all will be in two or three years from now when you will see more of him.

I was also deeply impressed yesterday with the report given by Imperial Sir

Harvey Beffa. If we had some way of letting the public know and see what went on here yesterday, I am sure that Masonry and the Shrine would get a real big boost.

My theme this year as Grand Master has been "Masonry by Example," and I am sure that the report as given by Imperial Sir Harvey Beffa yesterday is "Masonry by Example."

The public judges Masonry by what they see wearing the Masonic Emblem and when you walk down the street in your respective town, whether it be in New York or some other town, you are somebody's idol of what Masonry and the Shrine should be. Therefore, your actions and your behavior constitute the public's image of Masonry. Therefore, I urge you not to do anything that will break down that fine image of Freemasonry and the Shrine image that has been built up over all of these years.

Imperial Sir, I would like to once more thank you for this opportunity of expressing my thanks for being here at this Imperial Session. Thank you very, very much.

... Rising applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Most Worshipful Brother Harper P. Baikie. We have been delighted to hear from you north of the border.

Now, I would like to have you hear from someone else north of the border, if he is present, the Sovereign Great Priory of Canada, W. Stanley Wright.

... Rising Applause ...

MOST WORSHIPFUL BROTHER W. STANLEY WRIGHT: Imperial Sir, Imperial Sirs, Representatives and Nobles All: First I want to express my thanks for the many courtesies and kindly acts that have been extended to my wife, Betty and I during this session. I am sure that of all of those who attended the parade last night, Betty was the most excited one of all. It was pretty hard to keep her in her seat.

I also want to offer congratulations to the Shrine on its Hundredth Anniversary and particularly on the project that was started by these fine Nobles some fifty years ago and which is a challenge to us today—to make sure that all crippled children and burned children are taken care of.

I know that the Shrine is looking for that magical number of one million members and I will assure you that if we carry home with us the enthusiasm that was generated by the report of Imperial Sir Harvey Beffa, that our million member goal is not too far away.

I would like to leave you with this one thought—the difficult we do immediately, the impossible takes a little time.

Again, Imperial Sir, I want to thank you for your invitation to be here and for this privilege of extending our thanks.

... Rising applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Sir, W. Stanley Wright.

It has been a rare privilege during the last week to have rubbed shoulders with these great men of Masonry from all over our country. We have been on buses together. We have sat close at various and different meetings and social events and, believe me, it has all been a tremendous experience and pleasure.

We still have some distinguished guests from Texas whom I wish to call on in just a few moments.

I have another committee report or two at this point. Has the Director General, George Terry, come in with a group of persons they are going to present?

While he is coming forward, let me tell you that he has devoted two and one-half years to the preparation of this convention. He has had some valuable assistance but George, from the very start, has taken this job very seriously, has worked diligently, sometimes under some difficult situations.

At this time he would like to present to you the Deputy Director Generals who have been helpful to him and, therefore, I yield the microphone to him at this time for that purpose.

... Applause ...

NOBLE GEORGE TERRY (Director General): You know, this shows that if you are fast on your feet that you can even fool the boss. (Laughter) However I appreciate those kind remarks but I stayed out of the way most of the time, so that I really did not know what was going on. (Laughter)

Another thing I did want to do was to have an opportunity to show off this old bad hand of mine just one more time before you left. (Laughter)

We have thoroughly enjoyed having you here. You have privileged us by coming because you have done more for Masonry and Shrinedom than has ever been done before for Texas and we do want you to know how much we appreciate it.

Now, I have had some real hard-working Deputy Directors and I want to introduce them at this time because, honestly, men, they have done the work and I deeply appreciate everything they have done.

Now, I would like to have all of the Deputy Directors and those designated to please come forward at this time. They are all over here. As I call your name, will you just line up in the front, fellows. Also, Representatives, I would ask that you hold your applause until all of them have been presented. As I say, I am going to ask them to step forward as their names are called.

Noble James C. Strauss (housing)

Noble Floyd E. Biegert (housing)

Noble Charles M. Hines (transportation)

Noble Omar Harvey (finance)

Noble William C. Northern, Jr. (parade)

Noble Frank H. Cathey, Jr. (parade)

Noble Robert E. Hutchinson (hospitality)

Noble Barney B. Parker (entertainment)

Noble John L. Briggs (arrangements)

Noble E. D. Malone (arrangements)

Noble Harold Shank (headquarters)

Noble L. D. "Red" Webster (public relations)

Noble Robert Leonard (special assignments)

Representatives, those are the fellows that put on the Ninety-Eighth Imperial Centennial Celebration and I think they are due a big hand.

. . . Applause . . .

NOBLE GEORGE TERRY: Thank you very much.

You know, something happened yesterday that I must share with you. I know that we have tried to polish our image up and we have done a grand job in the last few years but I thought this incident was a cute one and I wanted to share it with you.

Yesterday afternoon, we received a call up at our office on the fourth floor. My secretary answered the phone and on the end of it there was a little old lady who said, "Honey, I just think this has been a wonderful week and it is so thoughtful of the Shrine to put those red hats on all those drunks so they won't get run over." (Laughter) This actually happened. Thanks again for being with us. It has been a real pleasure to have you.

Also, as you make your plans to return home, I would also ask that you likewise make plans to come back and see us. Thanks a lot. Thank you, Imperial Sir and Imperial Sirs for being with us this year.

. . . Rising applause . . .

IMPERIAL POTENTATE THORNTON: Thank you, Director General George S. Terry. I would now like to call on the Chairman of the Membership Committee, Imperial Sir Fred R. Morrison.

IMPERIAL SIR FRED R. MORRISON: Imperial Sir, Imperial Sirs, Representatives and Nobles: I don't have any prepared speech for you this morning. You have actually heard membership in action on this floor—what membership is all about—whether it is new Temples, whether it is jurisdictional lines, whether it is waivers,

no matter what it is—also whether it comes through DeMolay or elsewhere—you have heard all of the arguments and so I am not going to stand up here and say that I support this or that. You are not going to get me to commit myself that way, I will tell you.

However, one thing that I do believe that you should take a second look at is this granting of waivers between Temples. Let the Recorders and the Potentates take a better look at it.

Maybe you Recorders and Potentates don't ask for these waivers sometimes figuring that you will get them anyway. However, I think that if you would go to those Temples and talk to the Potentates and Recorders that this would help.

For example, in our area we had a rough situation. We have one of those five-mile and sixty-mile deals. Zenobia Temple, right across, you might say, five miles across the line there—their Temple is some three to five miles from our jurisdiction and I don't think we have had a problem in ten years. We used to have in the old days but they ask for waivers and they get them and I will verify that. It is only because we got together and worked it all out. I think you people can do the same thing.

I have also had some articles written in the Recorder's Magazine on membership. My theme on this has to do with suspensions mostly and we are working closely this year on it with the Recorders. I certainly hope the Recorders will use some of this material.

I think that the Southeast has done a great job on membership. If you will look at those figures, you fellows can really congratulate yourselves. Keep up the good work, fellows, let's work together and ask each other for waivers and let's grant them.

Thank you very much.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Fred, that was excellent advice and I know it will be taken.

I will now call upon the Chairman of the Time and Place Committee, your Imperial Potentate-Elect, Imperial Sir Henry B. Struby.

IMPERIAL SIR HENRY B. STRUBY: In place of my making the announcement, I would like to call upon my capable Director General Gene Bracewell, to tell you about Atlanta.

NOBLE GENE BRACEWELL: Imperial Sir, Imperial Sirs, Illustrious Delegates, Representatives and my Fellow Nobles: I would first like to concur in extending congratulations to Director General George Terry and his staff for a most excellent job in planning one of the finest and most organized and enjoyable conventions in the history of Shrinedom. George has certainly been helpful in assisting us with information regarding how to plan for such a fine convention.

I would like to extend to you an invitation to come to our fine city, Atlanta, Georgia, next July, the dates being July 2 through the 6th for the Ninety-Ninth Imperial Council Session.

We certainly feel that we will be able to show you a fine convention. We have had fifty-nine years to prepare for it. The last time a national convention was in Atlanta was in 1914. Ironically, the last time a national convention was held at Dallas, Texas was in 1913. Therefore, we are looking forward to doing a great job and having you with us at Atlanta.

At the present time we have in excess of 12,000 rooms already under contract, with the deposits being made on those rooms for next year's convention. However, we do have a housing office and I have my housing chairman with me. We are in Room 1504 here in the Statler Hilton Hotel. If you have not had an opportunity to come by and visit with us, please come by and let us know if you would like to come to Atlanta. I cannot promise you rooms tonight or now but I will promise you that we will put you on the list and we will do the best we possibly can to accommodate you.

We certainly have enjoyed the slogan they have used here in Dallas and Fort Worth "Howdy, Shriners," and we are thinking along the terms of "Shriners, Welcome, you all" or something like that.

Therefore, without further ado, I would like to say to all of you fine Nobles regarding the 1973 Convention in Atlanta—"You all Come." Thank you.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Noble Bracewell. You can put me down. I will be there and I am going to come and have fun. (Laughter)

We will next hear from our Deputy Imperial Potentate-Elect, Imperial Sir Jacob Wingerter.

IMPERIAL SIR JACOB WINGERTER: Nobles, at the present time I have not finalized the 1974 Convention. However, I assure you it will be at a good place. You will have a good time and if a vote is necessary I would like to ask that you direct the Time and Place Committee to have the authority to select the Convention City.

If a motion is in order, Imperial Sir, I would move that the Time and Place Committee be given authority to select the 1974 Convention City.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: I will ask the Chairman of the Jurisprudence and Laws Committee if that motion is in order He says that you may do that.

You have heard the motion and the second, is there any discussion? If not, all in favor please signify by saying "aye"; those opposed "no." The motion is carried.

IMPERIAL SIR JACOB WINGERTER: Thank you, Nobles.

I would like to take just a further moment, if I may, in connection with Imperial Potentate Struby's program in New York.

I am sure that most of the Potentates, as well as the Recorders have already received a letter outlining the program for the One Hundredth Birthday Program to be held on September 26th at New York City. At the present time we have a registration of over 1200 Nobles and their ladies who plan to attend this Seminar.

A great program has been planned—a theater party, a trip around New York on the Circle Line Cruise for the ladies, a visit to the graves of our two founders.

A coin is likewise being cast, a numbered coin, a silver coin, that will be presented to the members who are created in the Ceremonial to be held on the 26th of September, the Hundredth Birthday of the Shrine. It will be known as the first class on the first day of the second hundred years of the Shrine of North America.

At the present time, one of our Representatives from Salaam Temple has a questionnaire for the Potentates, to which we would like to have answers as soon as possible.

I would also like to say that Imperial Sir Peter Val Preda is the Co-Chairman of this particular event. I know it will be a great event. We look forward to a thousand candidates. We have over four hundred now.

As I indicated to you, we are going to give each one of these candidates a silver coin, a souvenir, a collector's item. This will be a numbered coin. There will be only a certain number of them made and then there will be no more—no more coins issued pertaining to this particular date. Therefore, I think that you can get out and use this as part of your theme in selling membership, along with what Imperial Sir Fred Morrison said to you this morning. This will help you toward building your membership up. I know, for example, that I would like to have one of these coins and I am sure that each of the Potentates attending this meeting would likewise like to have one.

Further, each of the Potentates attending this meeting will have his picture taken on the stage with the Imperial Potentate and I would like to think that we would have the 172 Potentates surrounding the Imperial Potentate on one picture of a lifetime. Therefore, I would urge all of you Potentates to get out there one way or another and also bring with you at least fifteen candidates each and we will be happy.

Thank you all very much.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Imperial Sir, Jake.

Now, we have digressed slightly at this time in connection with committee reports

but inasmuch as we are on the subject of the New York meeting, let me now call on Imperial Sir Peter Val Preda for some remarks.

IMPERIAL SIR PETER VAL PREDA: Thank you, Imperial Sir, Vic.

Nobles, the part that I am going to discuss briefly with you has to do with the Seminar itself.

Now, we have developed a real good program, one that will be of interest to all of the Temple Officers and the plan now is to bring you all there, including the Treasurer and Recorder and so we ask you to be sure and come because it will be a real informative Seminar in connection with future operations of your Temple.

We have the speakers and the assignments. We are thoroughly reviewing these. Within the next ten days we are going to dry run these, so to speak, right at the scene in New York in order to make sure that we have ample time for each speaker without permitting him to run over. Also, we want to be sure that there will be time for any questions and answers. Therefore, on this basis, we hope that when you go home that you will feel the session has been worthwhile, along with an excellent celebration.

Of course, the thing that is really going to make it effective is your wholehearted participation. Therefore, I will echo the expression made by Imperial Sir Jake, be sure that you all come. Thank you all very much.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Imperial Sir Peter.

Now, we will have a report from Imperial Sir Jack Streight regarding the 1975 Imperial Council Session.

IMPERIAL SIR JACK STREIGHT: Fellow Nobles, Charlie Emmett, my Director General, will speak to you about the 1975 Session in Toronto. I may say that the slogan for 1975 will be "Come alive in 1975." I assure you we will do it in Toronto.

NOBLE CHARLES EMMETT (Rameses Temple): Imperial Sir, Imperial Sirs and Imperial Representatives: May I first say "thank you" for this opportunity of extending an invitation to come to Toronto, June 29 to July 4, 1975. We of Toronto are highly honored and assume it a great privilege to host the Imperial Council Session.

During the past one hundred years, we have had the honor of hosting three Imperial Sessions—the first in 1888, the second in 1930 and the last in 1962.

We are delighted that 1975 will be the first Imperial Session beginning our second one hundredth year. May I therefore, on behalf of Imperial Sir Jack Streight, extend to you a very, very cordial and warm welcome to be with us in Toronto in 1975. Thank you very much.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you very much, Illustrious Sir, Charlie Emmett. We will now hear from the Chairman of the Mileage and Per Diem Committee. I know you will be anxious to hear from him—Imperial Sir Harvey W. Smith.

IMPERIAL SIR HARVEY W. SMITH: Imperial Sir and Nobles here assembled: This is the Report of the Committee on Mileage and Per Diem and it is the same as it was last year. (Laughter) You don't have to be too attentive to what I have to tell you.

To the Imperial Potentate and Officers and Members of the Imperial Council:

As provided in Article #5, Sections 205.1, 205.2 and 205.5 of the By-Laws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law recommends for those entitled to receive pay, thirty cents (30 cents) per mile one way by the shortest route available from the location of their Temples to Dallas, Texas and per diem expense at the rate of thirty-five dollars (\$35) for each day of the four days' attendance at the 98th Annual Session of the Imperial Council. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, he shall be paid mileage only from the place of his residence.

All members of the Committee on Jurisprudence and Laws shall receive thirty-five dollars (\$35) per day for four extra days. All members of the Committee on Finance and Accounts shall receive thirty-five dollars (\$35) per day for three extra days. All members of the Committee on Dispensations and Charters shall receive thirty-five dollars (\$35) per day for two extra days. All in favor signify by saying "aye"; opposed "no." The motion is carried.

IMPERIAL POTENTATE THORNTON: Now, we have with us several distinguished Masons. I don't know whether they are present this morning or not but I would like to call on them.

First the Grand High Priest of the Grand Royal Arch Chapter of the State of Texas, Noble Allie S. Noble.

NOBLE ALLIE S. NOBLE: Illustrious Sirs, it is a pleasure for me to come to you as the Grand High Priest of the Grand Royal Arch Chapter of Texas and to bring to you the best wishes of the more than 40,000 members of the Grand Royal Arch Chapter of Texas.

We suffered a very severe loss last night in the death of our Grand Treasurer of the Grand Commandery of Texas and a Past Grand Commander, who died from a heart attack. I know nothing of the details but we are going to miss this Brother and Companion in Texas Freemasonry and all of the appendant bodies.

I know all of you have had a most enjoyable time here in Dallas and the Companions of Hella Temple have been most happy to have had you here.

You have already had a lot of speeches and so I am not going to talk to you very long. However, I would like to tell you a Texas joke that you can take back with you to your home state.

It seems that this Texan had made a world of money here in Texas oil. He went up into Alaska and became interested in oil up there. He then got lonesome for his rough neck buddies down in Texas and so he put in a number of long distance telephone calls. When he got his bill, most of them were anywhere from fifteen to twenty-five dollars. He was very indignant about this and called the telephone company and complained about it. He said to them, "You know, in Texas it doesn't cost you that much to call Hell." At this the operator replied, "Yes, but in Texas Hell is a local call." (Laughter)

Imperial Sir, it has been sixty years since the Nobles have been to Texas and to Dallas and we hope it will not be sixty years before you come back again because, if you do, I will be one hundred and twenty-five years old and I don't know whether I will be able to participate as much at that time.

... Laughter and rising applause ...

IMPERIAL POTENTATE THORNTON: Thank you very much.

Now, is the Grand Master of the Grand Council of Royal and Select Masters of Texas present?

I understand he has gone home. I am sorry to hear that. His name is Allan O'Brian and I am sorry he got away before we had an opportunity to hear from him.

Naturally, there are other distinguished Masons here. Some of them are Representatives, some are visitors in the back but these are the ones that I have on my list and I am sorry we did not get to hear from the one Noble.

Now, we have a Noble that would like to be heard, Bob Reese, Past Potentate of Omar Temple.

NOBLE ROBERT REESE (Omar Temple): Imperial Sirs and Representatives, I am going to make an announcement which I think will appeal to all of you.

A new dimension on a national scale has been scheduled for the benefit of our Shriners Hospitals for Crippled Children and our Burns Institutes. The Shriners of the great states of North Carolina and South Carolina are cosponsors of the L and M Open and the National Match Play Championship featuring the Big Four—Nicholas, Palmer, Player and Trevino. This will involve a purse of \$265,000. This will be held at the Golf Capitol of the world, Pinehurst, North Carolina, August 24th through the 27th. Please contact Noble John P. Gore, Durham, North Carolina, for a supply of brochures. We would appreciate that any inquiries you may have be addressed to him. He will be delighted to send you a supply of brochures. We would like to see many of you at this National Open Championship sponsored, for the first time, for the benefit of our Crippled Childrens Hospitals and Burns Institutes. Thank you so much.

IMPERIAL SIR GEORGE SAUNDERS: Imperial Sir, I would like to add to this that the net proceeds that the Temples in Carolina get from this promotion, the hundred percent of the net proceeds they get, goes for the benefit of the Shriners Hospitals for Crippled Children.

IMPERIAL POTENTATE THORNTON: Thank you very much. I will recognize the Noble on the floor to my left.

REPRESENTATIVE: I would just like to say a word about something I think will do us a lot of good for Shriners Hospitals.

I feel that the program put on yesterday by Imperial Sir Harvey Beffa was terrific and I feel, as my dad used to say—"Son, always keep your tools sharp because you can do so much work with less effort." Also, somebody else said that a picture is worth a thousand words and those pictures that were used yesterday were terrific.

I would therefore like to recommend that those pictures, together with a little script, be made available to those Temples who desire them, all of them, if they will take them, and then let that Temple appoint some outstanding Noble to give a little skit with those pictures, as was done here. Of course, we cannot match the presentation of Imperial Sir Beffa but we can use those pictures at a Ceremonial or at a Shrine Club Ladies Night and in this way, I believe, do a terrific job of public relations. Also, if those pictures are made available to Temples who put on football games, then I am sure that the press and television will also use them. I would just like to recommend that we make those available to the Temples that want them and, further, I would recommend that all Temples use them.

... Applause ...

IMPERIAL POTENTATE THORNTON: I will refer this matter to my successor and I feel sure he, in turn, will refer it to his Public Relations Committee and that these pictures will be made available.

Now, we have a few more reports but before we have them presented, I would like to just, at least for a moment, express my thanks and appreciation to so many people that have been so kind and helpful to me, not only this year of service as Imperial Potentate but during the eight years of service as a member of the Imperial Divan.

First, I would like to thank the Imperial Divan and the Trustees for the wonderful cooperation that I have received from them.

I would like to thank all of the committee chairmen and committee men who have carried on really the detailed work of the Shrine.

I would like to sincerely thank George M. Saunders and his staff at the Chicago Office, without whose help there would be no way that any Imperial Potentate could effectively serve.

I would like to thank Thomas W. Melham, our Imperial Treasurer and his staff who have been so cooperative in every way.

Also, our General Legal Counsel, George M. Klepper and his staff.

I would like to give particular thanks to our Imperial Marshal, Warren F. Weck, Jr. and to the Deputy Imperial Marshal, Ed Buckley and the Marshals who have assisted them. You have seen them in evidence. They have been a tremendous help during this convention.

Also, to our Imperial Auditor, James Hendrix, who has done such an efficient and effective job in handling our auditing.

You know, I could not possibly have performed here at all without the service and the help of the man to my left, the Chairman of our Jurisprudence and Laws Committee, Robert J. Turley and I do appreciate your help, Bob.

... Applause ...

I would like to mention two other Nobles. I don't believe they are in the room but they are the two Nobles whose kindness to me has made it possible for me to have the time that is necessary as a member of the Imperial Divan.

First, my brother, Noble Lloyd Thornton of Moslah Temple at Fort Worth.

Also, my business associate, Noble George Gaines, Jr. of Corpus Christi, Texas, who is a member of Alzafar Temple now.

Finally, to the Potentates, Divans and members of the Temples in North America, particularly those who have been so gracious to Peg and me all during our year. We have thoroughly enjoyed visiting you. We have enjoyed the myriad of friends

we have made. We will never forget you. We do appreciate sincerely your many, many thoughtful kindnesses to us.

So, again, to every Noble, thanks a lot.

... Rising applause ...

NOBLE JESSE C. NICHOLS, JR. (Ainad Temple): Imperial Sir, we at Ainad appreciate a job well done. We want to thank you for the fair, impartial and excellent manner in which you have run this Ninety-Eighth Imperial Council Session.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you.

And now, for the report of the Resolutions Committee, I will call on its Chairman, Imperial Sir Jack M. Streight.

IMPERIAL SIR JACK M. STREIGHT: I would like to call on Noble Aurie J. Thompson to give this report in behalf of the Committee. He is a Past Potentate of Nile Temple.

NOBLE AURIE J. THOMPSON (Nile Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Nobles All: Generally, before reading a resolution, you have a few comments to make and I have some notes written down here but with all of the tremendous oratory and demonstrations of how nice we have been treated here, my notes look awfully bad right now.

However, we have all, I am certain, enjoyed our stay in the great state of Texas and we appreciate its people and its tremendous hospitality. Also, weather wise—well, it has been just great. So many people have been most generous in being nice that in just such a short time we almost feel like “natives” here.

Soon we will come to the conclusion of a great Imperial Session, one of the greatest ever and we are certain all will leave here with some regret in a way, because of leaving but all will have had so many wonderful memories of fraternal friendship at its best.

Dallas-Fort Worth have provided the hospitality of the area in every respect. All of us on this committee, and many others also could well be solicitors for the Chamber of Commerce in both cities and, in fact, the entire state.

Please hear now the report and resolution:

To the Imperial Council—A.A.O.N.M.S.:

NOBLE AURIE THOMPSON: Imperial Sir, on behalf of the Committee on Special Resolutions, I move the adoption of this report.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second for the adoption of the resolution as presented. Is there any discussion? All those in favor please signify by saying "aye"; those opposed "no." The resolution is unanimously adopted.

At this time I would like to thank all of the members of the Resolution Committee, Aurie Thompson and the others, for their kind and generous remarks.

. . . Applause . . .

. . . Business was conducted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE THORNTON: I will now call upon the Potentate of Naja Temple. Its home is in Deadwood, South Dakota.

NOBLE GLENN E. BEST (Naja Temple): Imperial Sir, Imperial Sirs and Delegates all: I have with me on the stage a man any Mason could be proud of. We of Naja have the honor of having the only Recorder with sixty years of consecutive service in that office.

Noble Carl Kubler has a background of distinction, honors far too numerous to mention, but to include just a few, he is a Past Grand Master of Masons in South Dakota, he is a Past Grand Worthy Patron, he is a delegate emeritus and has been to this Council for many years standing. Carl and his lovely wife, Irma, have been married for twenty-six years next week. Dedication such as his should not go unnoticed. We congratulate Carl and we will have, upon our return back to Naja, a plaque commemorating this service. I thank you.

IMPERIAL POTENTATE THORNTON: Carl, would you like to say a word or two. I think that sixty years of service deserves a word or two. (Laughter)

NOBLE CARL H. KUBLER: Nobles and Representatives, Masonry has been good to me over all these years and I am deeply indebted to Masonry for the many, many blessings during these past sixty or sixty-five years that I have been a member. This is the reason probably I have continued to try to contribute, in some small way, to Masonry and the Shrine, for the many benefits and blessings I have received from it.

The question has been often asked of me as to how I got along with the Potentates during these past sixty years. The answer is very simple—follow the Golden Rule—"Do unto others as you would have them do unto you." Thank you, gentlemen.

. . . Rising applause . . .

IMPERIAL POTENTATE THORNTON: Carl, that is a wonderful record of service. The Noble who is standing to Carl's right, I want you to know is our Past Imperial Potentate, a member of Naja Temple from Deadwood, South Dakota, Jerry Crary.

Now, I would like to call upon the Chairman of the Finance and Accounts Committee, Noble Bob Vetter for his report.

NOBLE ROBERT VETTER: (Reading)

Imperial Sir, Imperial Sirs and Illustrious Sirs and Representatives:

We will give first the reports with reference to the Iowa Corporation.

Your Committee on Finance and Accounts gave you, through the Book of Reports, its report covering the Imperial Council budget for the year 1971. The tentative figures for 1972 for the Imperial Council, A.A.O.N.M.S., Iowa Corporation, which you approved at our last Imperial Council Session held in Miami, Florida, were revised during the year by your Board of Directors, and have been reviewed by your Finance and Accounts Committee.

We report the revised budget as follows:

Estimated income for 1972 of \$1,221,150.00 exceeds total estimated expense of \$1,206,973.00 for an indicated surplus of \$14,177.00.

We have a detail of the revised report before us which shows each classification and the amount appropriated therefor under the tentative budget and the subsequent adjustments thereto. A copy of this report will be recorded in these Proceedings. We will be governed by your wishes. Either read it in detail at this time or you may review the report when you receive your copy of the Proceedings.

... The motion was severally seconded and, there being no discussion was voted upon and carried ...

NOBLE ROBERT VETTER: Inasmuch as we need to approve funds to operate until the next Imperial Council Session, we have prepared a tentative budget for the year

1973. We have based our figures principally on 1972 budget with the exceptions of non-reoccurring items and Imperial Council Session expense due to location.

We submit the following:

Estimated Income	\$1,196,000.00
Estimated Expense	1,092,000.00
An Indicated Surplus	\$ 104,000.00

Since the 1973 tentative figures are based upon 1972 budget we have not included a detailed classification of all items. However, these will be classified at a later date and included in the revised budget for 1973, which will be submitted for your approval next year.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE THORNTON: I believe our Imperial Recorder has a resolution to present.

IMPERIAL SIR GEORGE M. SAUNDERS: A resolution is in order ratifying and approving all of the acts and the actions of the Imperial Officers, Board of Directors and others for the Iowa Corporation for the past year and those done at this session.

... Whereupon, it was severally moved, seconded and carried that the above resolution be adopted ...

IMPERIAL POTENTATE THORNTON: Is there any further business to come before this meeting before we take our final action.

NOBLE FRED L. EDWARDS (Akdar Temple): Imperial Sir and Representatives: I apologize at this late hour for taking this brief moment but I would like to say that we have heard many excellent reports, excellent speeches and I have enjoyed all of them.

However, I think there is one thing we should go into just a little bit deeper and this is our Crippled Childrens program.

I have been active for fourteen years in the Crippled Childrens' program of Akdar Temple in Oklahoma. We take a back seat to no Temple in relation to our program.

We are four hundred miles away from the nearest Orthopedic Hospital, roughly five hundred miles away from our nearest Burns Center. At the moment, the last figures we had when we left Tulsa, indicated that our Temple was paying all expenses for 178 children to the Orthopedic Hospital in St. Louis and of thirteen little burned children to the Burns Center in Galveston.

I think, from talking to other Potentates and Past Potentates at the various Temples, that a large majority of them believe we need more guidance from the Imperial level in relation to getting our story before the public.

I have given not dozens but hundreds of talks to civic groups, Masonic groups, district Masonic meetings, ladies auxiliaries and to almost anyone who would listen, showing films and giving talks about our hospitals and I have never ceased to be amazed at the hundreds of thousands of citizens of this country who have never heard of our philanthropy.

Thank you, Imperial Sir.

IMPERIAL POTENTATE THORNTON: Thank you for your report. I know you are correct in that statement because I found that to be true as I traveled around the country. Many Shriners are not as familiar with our hospitals as they should be. However, we do thank you for your comments.

And now we are going to hear from one more person who will have the privilege of making me a Past Imperial Potentate. That means "put into pasture." (Laughter)

I have enjoyed my years of service. I am not reluctant in any way to turn the office of Imperial Potentate over to this great successor of mine, Henry B. Struby and for the purpose of accomplishing that and the advancing of each of the Imperial Officers, I would now like to call upon the Dean of our Past Imperial Potentates—I did not call him the "oldest", I just called him the "Dean" of our Past Imperial Potentates—Robert Gardiner Wilson, Jr. Imperial Sir, will you please come forward.

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: Imperial Potentate and Nobles, we know that Imperial Officers must not only be elected but duly installed and I appreciate the invitation by the incoming Imperial Potentate that I perform that pleasant duty. I would ask him to step forward and that all of the duly elected officers form behind him right to my left.

... Whereupon, the Imperial Officers took their respective places for the Installation to their respective higher offices ...

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: I will ask each of the duly elected officers to say "aye", pronounce his name in full and repeat after me as follows:

... Whereupon, the Imperial Officers-Elect assumed the obligation of office conferred by Past Imperial Potentate Robert Gardiner Wilson, Jr. ...

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: I now declare the Imperial Officers of the A.A.O.N.M.S. duly installed.

... Applause ...

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives: Along with the dress of the Imperial Potentate, of course, goes the presentation of the Imperial Potentate's Jewel. It is a genuine pleasure for me to present this Jewel to the newly elected Imperial Potentate.

... Presentation of Jewel to Imperial Sir Henry B. Struby ...

IMPERIAL SIR GEORGE M. SAUNDERS: In order to dress him properly, we have to find somebody here who has brought a five-star Fez from Hadi Temple. I have here a lovely five-star Fez which says "Hadi" on it. I am glad for the privilege of putting this on the head of your new Imperial Potentate.

... Placing of Imperial Potentate's Fez on the head of Imperial Sir Henry Struby ensued ...

IMPERIAL SIR GEORGE M. SAUNDERS: Now, will Dr. Brannon, the outgoing Imperial Chaplain present the Imperial Chaplain's Jewel to our incoming Imperial Chaplain.

NOBLE R. BRUCE BRANNON: Nobles, may I have your attention for just a moment. I have just been demoted.

It is my great pleasure to place the Imperial Chaplain's Jewel on an experienced Imperial Chaplain because he has done the job before and I can assure you that

you are in good hands during the coming year and that he will take you through to heaven above again and again. God bless him.

... Applause ...

IMPERIAL SIR GEORGE M. SAUNDERS: And now if the Imperial Officers will be seated, I would like to ask our outgoing Imperial Potentate to join me up here at the podium.

I would like to say a little word about what you have permitted me to do.

This is a very beautiful Jewel and it is a pleasure for me to present this to the newly returned to the ranks Past Imperial Potentate. My compliments to him on a splendid session. He has been a terrific leader for all of us.

Your Past Imperial Potentate's Jewel; fashioned by a noble craftsman from purest gold, diamonds and other precious stones; presented to you by the Nobility of our Order, in recognition of and appreciation for the many years past of faithful and dedicated service to our noble Shrine and its great charity work, Shriners Hospitals for Crippled Children.

Purest gold, emblematic of the true value of the Masonic Brotherhood that has been so much a part of your life; diamonds and precious stones, symbolizing the true character of the individual, fraternal and charitable effort you have extended always and that is known the world over in the work that you have made such a contribution to, the world's greatest philanthropy.

You have established great records throughout your year as Imperial Potentate, you have expended much effort and in so doing you have made a great wealth of valuable friendships. Shrine history will never forget your great contribution to our Noble cause.

May you now rest a bit and recuperate from your very strenuous schedule and enjoy a long life of good health and continued happiness in the vineyards of the Shrine as you return now to the ranks of our noted leaders. You are welcomed into their sacred numbers.

The sincere thanks and abundant good wishes of all go to you for your devotion to duty and your magnificent contribution to the work of our Noble Order of the Mystic Shrine.

Vic, it is a personal privilege for me to pin this Jewel on you and tell you that you are now Junior Past Imperial Potentate.

... Presentation of Jewel and rising cheers and applause ensued ...

IMPERIAL SIR C. VICTOR THORNTON: Now, Nobles and Representatives, I did not have any idea there might be any other business but we have just received a request for recognition from a man who has worked very diligently for Anezeh Temple in Mexico and, therefore, I would like to have Noble Manuel Munoz come up here because I understand he has a presentation to make.

NOBLE MANUEL MUNOZ (Anezeh Temple): Imperial Potentate, Imperial Sirs, Fellow Representatives and Nobles: Thank you very kindly for the opportunity to honor probably a gentleman who, with untiring efforts, tenacity and know-how, made it possible for us to have and operate a very successful Unit of Shriners Hospitals for Crippled Children in Mexico.

This Noble served as Chairman of the local Board of Governors for twenty-three years. He supervised the operation from the day ground was broken, not to mention the hard work he had to do in other ways.

Further, he and his lady have been generous contributors with very generous donations. Therefore, with your permission, I would like to have Noble Emilio D'Acosta come to the platform.

For all of his contributions, I am privileged to present to Past Potentate Noble Emilio D'Acosta this certificate. He is an Emeritus Representative of our Temple before this Imperial Council and also Chairman Emeritus of the Mexico Hospital Unit. It is indeed a privilege, Emilio, to recognize the work you have done.

... Presentation of plaque and applause ensued ...

IMPERIAL SIR GEORGE M. SAUNDERS: And now, the Past Imperial Chaplain who has served you last year is not properly dressed and the outgoing Imperial Potentate has a presentation to make.

IMPERIAL SIR C. VICTOR THORNTON: Bruce, to the love and affection which I have had for you for many years, I am sure now has been added that of the Representatives to this Imperial Council Session.

It is with a tremendous amount of pleasure that I pin this Past Imperial Chaplain's Jewel on your breast with my thanks for your wonderful service.

. . . Applause . . .

IMPERIAL POTENTATE STRUBY: Nobles and Representatives, may I ask your indulgence just a little longer? I would like to request the Imperial Recorder to name some of the Committees and, naturally, you will receive the balance of these appointments later on. However, I would like to have him read the Committee appointments at this time.

. . . Whereupon, the Imperial Recorder read the various Committee appointments . . .

IMPERIAL POTENTATE STRUBY: Thank you, George.

And now I would like to call on our new Imperial Chaplain, John Jefferson, for the benediction.

IMPERIAL SIR JOHN JEFFERSON: Gracious God, our kind and heavenly Father, we bow before Thee in reverence as we lift heart and voice in praise of Thy Holy Name and express the gratitude from grateful hearts for Thy providence that has brought us to this happy day.

As we observe the One Hundredth Anniversary of Shrinedom in North America, the Fiftieth Anniversary of the founding of our great philanthropy of the Crippled Childrens Hospitals, we are grateful for those who have labored faithfully in the vineyards of Shrinedom through this past century, particularly those who have made the success of this last year possible.

To the new Officers who have been installed this day, we ask that Thou wilt lead them in wisdom and give them understanding so that all of their works may be begun, continued and ended to Thy praise. May all they strive to do be in Thy Holy Name and be such as Thy wisdom may approve and Thy goodness prosper.

Bless us all as we continue to carry forth the great work of the Crippled Childrens Hospitals. We were inspired yesterday by the presence of those who are living examples of the great work performed in this field. So let us all give the honor, praise and glory and as we come to the conclusion of this successful meeting, we thank Thee once more for Thy continued blessings.

As we depart from Thee, return us in safety to the homes from which we have come and to our loved ones, keep us ever in Thy divine presence, lead us in the ways of righteousness and peace and, until we meet again, may the Lord bless us and keep us, may the Lord make His face to shine upon us and be gracious to us, may the Lord lift upon us the light of His countenance and grant us His peace, both now and forevermore. Amen.

IMPERIAL POTENTATE STRUBY: That concludes the meeting and the meeting is now adjourned sine die.

. . . The Ninety-Eighth Annual Session of the Imperial Council, A.A.O.N.M.S., adjourned sine die at eleven-ten o'clock a.m.

ANNUAL REPORT OF GEORGE M. SAUNDERS
IMPERIAL RECORDER, A.A.O.N.M.S.

JANUARY 1, 1971 TO DECEMBER 31, 1971

*Imperial Potentate, Officers and Members of the
Imperial Council, A.A.O.N.M.S.*

GREETINGS:

The following detailed statements of transactions of the Imperial Recorder's Office for the fiscal period January 1, 1971 to December 31, 1971, both dates inclusive, are respectfully submitted by your Imperial Recorder.

The report of the Imperial Auditor showing complete information on all receipts in the Central Office and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the Central Office, has been submitted and your attention is directed thereto.

The election returns of the 172 subordinate Temples, one of which was under dispensation, reflect that there were at January 1, 1972, Representatives to the Imperial Council as follows:

	<i>Total Number*</i>	<i>Total Votes</i>
At Large	13	13
Ad Vitam	18	17
Emeritus	91	69
Elected	682	682
Total		<u>781</u>

*Includes Duplications

At the end of our last calendar year, the Temples Annual Reports showed a total of 886,500 Nobles on the active rolls of membership. Permanent Contributing Membership Certificates were held by 116,519 Nobles, which relieved them of paying the Annual Shriners Hospital Assessment.

The net gain in total Shrine Membership for the year 1971 was 8,487 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It will be noted that 68 Temples report a loss in membership, with 104 Temples reporting gains over the previous year, some of which are extremely small.

In spite of the fact that creations were up a bit in 1971 the suspensions were more than a thousand greater which wiped out most of the gains in creations. Temples must give more thought to maintaining their current members as well as getting new creations. More attention to all member-

ships details must be paramount in the minds of all Nobles if we are to reach our desired membership goals.

The responsibility that rests on the shoulders of the Imperial Officers continues to grow and increase with each passing year and any degree of success that we have been able to chalk up in the past is due to their sincere dedication. We are grateful to them for their many hours of service in our cause.

To Imperial Potentate C. Victor Thornton goes my sincere thanks for his dedicated service to the Shrine. His year of stewardship brings forth from his visitations an abundance of warm praise for his efforts. He is a devoted worker with great inspiration to all with whom he associates.

Our continued changing economic condition means even more dedicated effort on the part of the Imperial Officers, if we are to steer our beloved fraternity and its great philanthropy through these troubled times to a safe future for which we are all working hard.

Again we have many new faces in the ranks of the Temple Recorders and I want to welcome them to our service and extend to all Recorders and their staff members my sincere thanks for their splendid cooperation and dedication to Shrine service. If we can be of help to you in any way, please feel free to call upon us.

The publicity section of the Imperial Recorder's Office continues to operate along established procedures under the Chairman of the Committee. They strive to keep the proper Shrine image before the public and to help all Temples who request help. The continued fine work of this department is gratefully acknowledged and much appreciated.

The Accounting Department of the Central Office finds their work load on an even greater increase and with the problems appendant to the implementation of the procedures incident to the new Tax Reform Bill, we expect even greater activity in this department. The staff works hard and deserves the sincere appreciation of all for a job so well done.

My sincere thanks to Nobles Lewis K. Molnar who is in charge of the Accounting Office; Don Peirce, the Data Processing Office; Charles G. Cumpstone, Jr., Assistant to the Imperial Recorder and Robert E. Sconce of Public Relations Department. I am grateful to each of you.

This report cannot be concluded without a public thanks and appreciation to every one in the Central Office who has done so much to keep the work flowing smoothly through the office. They are all a great part of the success of the office function through their own loyalty, dedication and effort for the organization. They each deserve the very best in commendation for a job well done and the Shrine has grown in the minds of the public through their efforts. You are each and every one most wonderful folks and I am grateful to you.

Membership is a subject that is uppermost in our minds as we close the year's work. Each Temple is urged to devote more time and effort on developing a gain in membership. We are in our Centennial Year as a fraternal organization and we must apply more effort if we are to reach the million Nobles goal we have so fervently worked to attain.

"EACH ONE BRING ONE"

is not at all impossible if all Temples will "organize, delegate and supervise" the work of their Nobles. Every Noble can either bring in one new member by taking the petition of his friend into a Lodge and following him through to the Shrine—

OR get the petition of one who is now eligible for the Shrine—

OR secure a Noble by affiliation who lives in the area and is carrying a demit from his former Temple—

OR secure a Noble by reinstatement who has been suspended by his Temple.

See that they are all given something to do in Shrine work because busy Nobles are happy Nobles.

SHRINETENNIAL

Our fraternal organization is celebrating its 100th birthday this year since our first Shrine Temple started to work in September in the year 1872. We have made great progress down through the years and now we are nearing our goal of a million Nobles in good standing. We have in operation at the present time 172 Shrine Temples.

Our great charity work, Shriners Hospitals for Crippled Children, celebrates its 50th birthday this year with our first hospital opening September 16, 1922. We now operate a chain of 22 such Units located at strategic points throughout North America, 19 orthopedic units and 3 burns units, with one hospital in Honolulu, one in Mexico, 2 in Canada, and 18 in the United States.

Since our beginning in this great work we have treated without charge more than 200,000 underprivileged children as in-patients and as out-patients, and this regardless of race or creed. We as Nobles of the Mystic Shrine can take great personal pride in these accomplishments.

SHRINETENNIAL

Shrine work is our work and we take great pride in the dedication of our staff to all the details of helping Temples with their problems. We are happy to lend our help in improving our image with the public as well as with our Masonic Fraters.

Following you will find statistics that have been compiled for your use; study them and compare the history of membership of your Temple with others, your State with other States, and concern yourself with the statistics and history of membership of the principal Bodies of Masonry. We owe them our help.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport or railroad station:—

A Reception Committee appointed by the Potentate should be present at the airport or railroad station to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters:—

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. Certain rooms of same should be kept strictly private for the Imperial Potentate as his personal quarters. Such quarters should be separate and removed from a general parlor or reception room for visitors. The Potentate should assign to the Imperial Potentate, an Aide, who should be in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

(Note: When an Imperial Officer is assigned by the Imperial Potentate as his official representative at a meeting and another Imperial Officer of higher rank is also in attendance at the same meeting, the Imperial Potentate's representative is permitted to speak any appropriate remarks he cares to make. Banquet seating, parade order, etc., will follow usual protocol pattern.)

PARADES

Colors:

Singly, or massed Colors should precede the first uniformed marching unit.

(Since our organization has Temples under three National Flags, these three National Flags should head the Color Squad. The National Flag of the Unit itself takes the honor spot at the right and the other two National Flags are to the left.)

TEMPLE PARADES

Order of Automobiles:—

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present.
The Imperial Potentate will ride alone—or may invite any

distinguished male guest who may be in attendance at the function, to be a guest passenger. **ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.**

2. Imperial Officers other than the Imperial Potentate (by rank).
(One officer to a car—no guests.)
3. Past Imperial Potentates (by seniority in rank).
4. Host Temple Potentate and his Divan.
5. Distinguished Guests other than those in groups 1, 2, 3, or 4.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

IMPERIAL SESSION PARADES

Order of Parade Formation (Day Parade):—

1. Police escort.
2. Parade Marshal and his aides.
3. Colors singly or massed.
4. Director General.
5. Uniformed Units of Host Temple.
(Uniformed Units of other Temples in the State or Shrine Association will take their place elsewhere in the parade formation according to charter date only.)
6. Automobiles of Imperial Officers.
7. Uniformed Units of Imperial Potentate's Temple.
8. Uniformed Units of all Temples, except Host Temple, will form in order of charter date—oldest date first. Night Parade will follow the same formation except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (7) Uniformed Units of the Imperial Potentate's Temple.

RECEPTIONS

Ceremonial or Reception:—

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies:—

At receptions or other functions where only Ladies are present,

the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line:—

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests:—

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than the Most Worshipful Grand Master).
3. Past Imperial Potentates (in reverse order of their seniority rank).
4. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
5. Imperial Potentate.

The first order of business shall be the reception of the Grand Master of Masons of the State or Province. In the absence of the Imperial Potentate, the Grand Master shall be received by the ranking Imperial Officer present; if none be present, he will be received by the Potentate of the Host Temple.

Introduction of Imperial Potentate:—

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of.....
Temple,(City), (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

Seating at Banquet:—

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions:—

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands:—

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples.

When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

In accordance with the above, Shrine Association Officers will occupy position No. 5 in "Order of Automobiles," and position No. 2 in "Introduction and Reception of Guests."

DRESS

The Fez:—

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Moroccan Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, Recorders and Divan members, as well as official uniformed organizations, to have their titles embroidered in small letters in gold or silver bullion or silk or jewels on the front of the Fez beneath the emblem.

It is permissible to adorn the name of the Temple and the emblem with rhinestone jewels of a size no larger than that known as #12 by the fez makers. It is permissible to use one pin to hold the tassel in place, said pin to be either plain or jeweled.

The use of any other wording or devices than those mentioned above is prohibited.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Shrine Pins:—

The design of Shrine Pins worn by Imperial Officers may incorporate small stars as specified above.

Dress:—

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

ACCEPTED SALUTATIONS, ETC.

The Salaam:—

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:—

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:—

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance:—

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:—

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer:—

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate:—

The Potentate of the Host Temple should be present at the hotel and at the airport or railroad station when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the station.

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Potentates.
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

§ **322.3 Exhibit of charter.** The charter must be properly preserved and prominently displayed.

§ **322.4 Loss of charter.** If a charter is lost or destroyed, the Temple must immediately apply to the Imperial Council for a duplicate for which \$25 shall be charged.

ARTICLE 23

Temple Membership

§ **323.1 Temple; how constituted.** A Temple consists of its officers and as many members as it admits.

§ 323.2 Petition, form. Each petition for membership shall bear the written recommendation of two members of the Temple to which application is made.

§ 323.3 Prerequisite for membership.

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these By-laws. A Temple may not require that a candidate must be both a 32° Mason and a Knight Templar.

§ 323.4 Residence.

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the Temple to which he applies.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

§ 323.5 Balloting.

(a) Subsequent to a report on a candidate's petition, the ballot

is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

An application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

(c) Upon election of an applicant for associate membership, the second Temple shall notify the other of which the Noble is a

member that he has associate membership; and thereafter he shall be considered an active member of both Temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second Temple shall not affect his membership in the Temple to which he first belonged; but his suspension for nonpayment of dues to the first Temple shall ipso facto effect his suspension in the second. His suspension for any other cause or his expulsion from either Temple shall ipso facto effect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either Temple shall be given to the other Temple and to the Imperial Recorder.

(e) Each Temple in which a Noble holds associate membership shall collect and remit the hospital levy for an associate member unless he has been issued a Permanent Contributing Membership certificate by the Recorder of that Temple.

(f) Election of an associate member to life membership in one Temple does not constitute his election to life membership in the other.

(g) An associate member shall have all the rights and privileges of membership in both Temples except that he may not hold elective office in the second.

Amend. 1972

§ 323.8 Retention of membership.

(a) In order to retain membership in a Temple, a Noble must maintain the requirements of § 323.3(a).

(b) If a Noble holds membership in both prerequisite bodies, his membership in the Temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership, he loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

§ 323.11 Suspension for nonpayment of dues.

(a) A Temple may not carry a member on the books who is more than 2 years in arrears. The Temple must either suspend him or remit his dues.

(b) Whenever adopted, any order of suspension shall be effective as of December 31 of the last year of the delinquency.

(c) A Noble may be suspended for nonpayment of dues in the following manner:

- (1) He must be notified by first class mail that he is in arrears;
- (2) He must be given an opportunity to be heard;

- (4) A majority of members present at a stated meeting must vote to suspend him.

(d) One who has been suspended for nonpayment of dues may be restored in the following manner:

(d) Only those candidates who receive a majority vote shall be declared elected.

(e) Successive written ballots must then be taken in the same manner on other candidates until all Representatives are elected.

(f) If more candidates receive a majority vote than the number of representatives to be elected, then those receiving the greatest number of votes shall be declared elected.

(g) Blank ballots are not votes.

ARTICLE 28

Temple Jurisdiction and Waivers

§ **328.1 Sovereign.** Each Temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.

§ **328.2 Extent.**

(a) Unless otherwise determined in Part IV of these By-laws, the territorial jurisdiction of each Temple extends in all directions

to $\frac{1}{2}$ the distance by direct line between itself and the nearest Temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected.

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every Temple has exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city, not having a Temple, having a population of not less than 200,000 as determined by the official statement of the State Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between Temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.

§ 328.3 Change in jurisdictional lines.

(a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

(b) The Imperial Recorder must notify the Temples affected and give full information on the application so that objections to the change may be presented to the Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these By-laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, if it appears for the best interests of the Order to do so.

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.5 Another Temple may initiate.

(a) A Temple may request, under seal, another Temple to initiate an elected candidate as a favor to the requesting Temple.

(b) The Temple initiating the candidate must certify that fact, under seal, to the Temple in which the candidate was elected.

(c) The Temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that Temple.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

§ 328.7 Where Temple may hold ceremonials.

(a) A Temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the Temple.

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

(d) A Temple may hold a ceremonial session within the jurisdiction of another Temple upon written request and provided it obtains the written consent of the Temples affected within whose jurisdiction such ceremonial session is to be held.

§ 328.8 Affiliation by demit. The holder of a demit from a Temple is governed by the following:

(a) He may affiliate with a Temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

ARTICLE 29***Dispensation for New Temple*****§ 329.1 Requirements.**

(a) Dispensation for a new Temple may be granted only by the Imperial Council after a petition is filed.

(b) The petition must be signed by 1,000 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) The Imperial Council may grant a dispensation for a Temple in the Capital City of Canada or in unoccupied territory without regard to the restriction in (c).

(e) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

§ 329.2 Application, form and procedure.

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4 (b).

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefore must be at-

tached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

§ 329.3 Action by Imperial Council.

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple until it has been under dispensation for a period of at least the time elapsing

between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

(d) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter.

§ 329.4 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.5 Effect if dispensation or charter refused.

If the dispensation or charter is refused:

(a) All Nobles who signed the application are thereby restored to membership in the Temples of which they were members prior to the dispensation; and

(b) All members of the Temple created therein are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

§ 329.6 Status of Temple under dispensation.

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt By-laws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacancy in office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30

Discipline by Temple

§ 330.1 **Jurisdiction.** A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ 330.2 **Procedure.** Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain

and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) If any officer named in this section either files the complaint, is himself the accused, is related by blood or marriage to the Noble who files the complaint or the accused, or is in any way interested in the controversy, he shall be disqualified to act hereunder. No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancy with a disinterested Nobles.

Amend. 1970

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve.

Amend. 1970

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; and, if any other officer is disqualified, the Potentate shall appoint another officer or Noble to act in his stead.

Amend. 1970

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the Alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation

of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required.

The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which even the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting

331.1

BY-LAWS (IOWA)

after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ rds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.

Amend. 1967

ARTICLE 31

§ **331.2 Procedure.**

(a) Proposed By-laws or amendments must be presented in writing in the form of a resolution at a stated meeting.

(b) The resolution must be laid over to the next stated meeting or to a special meeting called for action thereon. The notice of the meeting must be sent to every member of the Temple and must recite the text or substance of the proposed By-laws or amendments.

(c) The Temple then may adopt the proposed By-laws or amendments.

(d) Upon the adoption of By-laws or amendments there must be sent to the Imperial Recorder:

(1) 3 copies thereof, together with a certificate of their adoption signed by the Potentate, attested by the Recorder, with the Seal of the Temple affixed,

(2) A copy of the notice given, and

(3) A copy of the Temple's current By-laws.

(e) He forthwith shall send them to the Committee on Jurisprudence and Laws. If the committee approves them they are so endorsed, one copy shall be retained by the Committee and 2 copies shall be sent to the Imperial Potentate for his approval. If approved by him, they at once become effective.

(f) Upon approval, the Imperial Potentate shall forward them

to the Imperial Recorder, who shall retain one copy for the records of the Imperial Council, and shall forward the other copy to the Temple.

§ **331.3 Time for filing.** All proposed Temple By-laws and amendments must be in the office of the Imperial Recorder at least 30 days before the session of the Imperial Council.

The following subsidiary breakdown of the Expense Accounts is not necessary unless the Temple desires to keep such a breakdown. ACCOUNT 200: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL LEVY

On January 1st of each year, every Temple pays to the Imperial Council \$5.00 for members on the roll December 31st, preceding, who are not permanent members of the hospital. This account is charged at the time the payment is made to the Imperial Recorder. If the cash basis of accounting is followed, then dues are collected. The \$5.00 for the hospital is credited to this account, and the account is charged when payment is made to the Imperial Recorder. As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 200 for the hospital levy, and credit Account 200-A for per capita due the Imperial Council. Accounts 200 and 200-A are charged as remittances are made to the Imperial Recorder. If the member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 200-A: ACCOUNTS PAYABLE—IMPERIAL COUNCIL

On January 1st, each Temple owes sixty cents per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. This account is charged at the time of the payment to the Imperial Recorder. Under the cash receipts basis of accounting, the dues are collected and sixty cents thereof credited to this account. For Temple Life Members, past Potentates, and delinquent members, a charge is made to Account 600, and a credit is made to this account at the end of the year to clear up the charges set up at the beginning of the year. All amounts due the Imperial Council are to be carried in this account. Unpaid balances of the installment option on Hospital Levy and the per capita dues would be carried here until paid. The same procedure as outlined under Account 110 and under the caption just preceding should be followed under 200-A.

ACCOUNT 207: DEFERRED REVENUE

This account will be credited for income received before it is due, from sources other than dues or initiation fees. The credits thus received will be closed out to the appropriate income account at the beginning of the next year. Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 27th day of the 10th month, Shauwal, 1392 (marked 66 in red) is the 5th day of December, 1972 (also marked 66 in red).

What day in the Mohammedan year is May 20, 1973?

Finding May 20, 1973 in the Gregorian calendar it is found to be marked 232 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 16th day of the 4th month, Rabi-ul-Akhar, 1393.

... Business was conducted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE THORNTON: I will recognize Robert Turley.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: I just want to get this completed while we are up here.

I have just been informed by Imperial Sir Charles J. Claypool that he is withdrawing his proposed amendment to Section 508.1 and 508.2 of the By-Laws of the Colorado Corporation, which appear on Page 27 of the Call. I move you, sir, that the Jurisprudence and Laws Committee be discharged from further consideration and from report on these proposals.

... The motion was severally seconded . . .

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, is there any discussion?

All in favor signify by saying "Aye"; those opposed "No". The motion is carried unanimously.

IMPERIAL POTENTATE THORNTON: I now call on a member of the Jurisprudence and Laws Committee, Noble Frank Cathey, to report on another item of legislation referred to them for consideration.

NOBLE FRANK CATHEY: Imperial Sir, Imperial Sirs and Fellow Representatives: The subject of this report will be found in the last sentence of Page 27 of the Call and the remainder of the first part of Page 28. It is a proposal to amend Article 10 of the By-Laws of the Colorado Corporation. The only changes are with reference to the inclusion of a subsection (4) in Section 510.1. It is the addition of a new section and the deletion of Section (c)(2). It transfers the Chairmanship of the Committee on Salaries, Pensions and Retirement from the Trustees to the Directors. It is quite long. I will be glad to read the whole thing; however, with your permission, I will only read the changes, the addition and deletion.

To the Members of Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws by Imperial Sir Peter Val Preda, Representative of Cairo Temple, a proposal to amend § 510.1 of Article 10 of the By-Laws of the Colorado Corporation so that said section will read as follows:

"§ 510.1 STANDING COMMITTEES: At the close of each annual meeting the following standing committees shall be appointed:

(a) By the Chairman of the Board of Directors who shall designate the Chairman of each:

(1) The Committee on Jurisprudence and Laws shall consist of not more than 7 members of this corporation who are learned and experienced in the law. To this Committee shall be referred all propositions to revise, alter or amend the Articles of Incorporation or By-Laws, and all other resolutions offered at any meeting of this corporation, and it shall report thereon in writing to the meeting.

(2) The Committee on Finance and Accounts shall consist of not more than 7 qualified members of this corporation. This Committee shall prepare the budget for the business and affairs of this corporation. The Board of Directors or Board of Trustees, or both, shall submit the budget to the annual meeting of this corporation for approval. This Committee shall report to the next annual meeting any departures from the budget and the reasons therefor.

(3) The Committee on Investments shall consist of 7 qualified Nobles. Two shall be Trustees; 2 others shall be Directors; but none of the remaining 3 shall be either a Trustee or a Director. All of them shall be knowledgeable and experienced in investments.

The term of office of those members of this Committee who are Trustees or Directors shall be for one year; and the terms of office of the other members of this Committee shall expire each year. Any appointment to fill a vacancy shall be for the unexpired term.

Appointments of members of this Committee shall be subject to the consent of a majority of the Board of Directors.

Notwithstanding the foregoing provisions of paragraph (3), all members of the Committee on Investments, as it was constituted immediately prior to the adoption of this amendment, shall continue to be members of this Committee until the expiration of the term for which they were appointed; provided only that all new appointments to this Committee, including those which might be required to fill vacancies, shall be made in conformity to the foregoing provisions of paragraph (3).

The duties of this Committee are:

- (i) To consider and approve depositories for trust and endowment funds;
- (ii) To scan and report to the Boards of Directors and Trustees on all assets, at least once each year, including comparative operating results of the investment

institutions, and appreciation, depreciation and income realized on invested funds;

(iii) To allocate and invest available funds, and determine the investment policies to be pursued with regard to all property and assets; and

(iv) To organize a sub-committee of 3 members of this corporation for the purpose of investigating and recommending corporate institutions exercising banking, trust and management powers from which the Investment Committee shall select institutions for the management of all funds of this corporation.

(4) The Committee on Salaries, Personnel and Retirement shall consist of 3 Directors and 2 Trustees who make recommendations to the Boards of Directors and Trustees with respect to salaries, personnel and retirements. No officer of this corporation shall be appointed to this committee. One of the Directors shall be appointed chairman of this committee.

(b) By the Chairman of the Board of Directors who shall appoint 3 members and by the Chairman of the Board of Trustees who shall appoint 4 members:

(1) The Committee on Buildings and Equipment shall consist of 7 members who investigate and make recommendations to the Boards of Directors and Trustees with respect to buildings, improvements and equipment. It is charged with the duty of, and responsibility for, supervising all building and equipment projects.

(2) The Chairman of this Committee shall be designated by the Chairman of the Board of Trustees.

(c) By the Chairman of the Board of Trustees who shall designate the Chairman of each:

(1) The Committee on Hospital Regulations shall consist of 3 Trustees who make recommendations to the Board of Trustees with respect to regulations for the operation of the Hospitals, the control and supervision of the staffs thereof, and standards to be observed."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

NOBLE FRANK CATHEY: Imperial Sir, I would move that this report be received and filed.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, that the report be received and filed. Is there discussion?

All in favor signify by saying "Aye"; opposed "No". The motion is carried.

I will now again call on Imperial Sir Peter Val Preda.

IMPERIAL SIR PETER VAL PREDA: Imperial Sir, Imperial Sirs and Representatives: This change, I would like to explain, concerns more than a change in the Chairmanship.

If you will notice, on Page 3 of this Call, and I will refer you to that if you have it with you, you will find that at the top of the page it says "Iowa Corporation, Officers, Members, Board of Directors", you will find that the Imperial Divan is the Board of Directors, and the, going to Page 23 which is the other corporation, you will find that most of the Imperial Divan, they are still the Board of Directors.

Now, what I am saying here is that the Board of Directors should assume their duties as "Directors" who vote the money, etc. and, therefore, should be on this

committee and appointed by the Imperial Potentate each year, enlarging it to five members for the purpose of continuity, so that they will know, as they come on through here and be able to make recommendations for these salaries, retirement, etc.

Aside from this, our two corporations are so intertwined that every time a recommendation is made in the Colorado Corporation, it automatically affects the Iowa Corporation. I feel it is necessary to change this by law to read as stated here, so that we can better administer our duties.

I would make a motion for the acceptance of this proposed change.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that the proposed legislation be adopted. Is there discussion?

... The question was called for ...

IMPERIAL POTENTATE THORNTON: The question has been called for. All those in favor signify by saying "Aye"; opposed "No". The motion is carried.

I will now call upon the Chairman of the Hospital Evaluation Committee, Imperial Sir Warren F. Weck, Jr.

IMPERIAL SIR WARREN WECK, JR.: Imperial Sir, Imperial Sirs, Illustrious Sirs, fellow Representatives and Nobles:

We all applaud the progress made in medical science during the century we now live in. We earnestly hope for even more progress in health care during the remaining twenty-eight years before 2000 A.D. Within our lifetime, we have seen polio conquered, other contagious diseases eradicated, and great progress made in the treatment of burns, cancer and heart diseases. The Shriners Hospitals for Crippled Children and the Burns Institutes have each made substantial contributions. The patient who comes to us is confident in all of the skills, equipment and medical care to be found in a modern hospital. Our concern for the patients' total well being has led us to seek the support and talents of many, other than physicians and surgeons.

Many of you were not Representatives in 1970 and 1971 and those of you that were may not recall the resolution requesting the Study Committee to report to the Representatives concerning the Orthopedic Units and the Burns Institutes. In order to refresh your memories, and to put this report in proper perspective, we would like to refer to the original resolution which was adopted in Indianapolis in 1970 and referred to in the minutes of the 1971 Imperial Session. It reads as follows:

"To acquire, correlate and analyze such information as is necessary to evaluate each of our Orthopedic and Burns Units in the light of presently existing and probably future needs of the area served by such hospital.

"Develop specific recommendations, as to each of our Orthopedic and Burns Units, with respect to its continued operation or disposition in some manner, consistent with the purposes of Shriners Hospitals for Crippled Children as the world's greatest philanthropy.

"Study the feasibility of setting up in our Orthopedic Units of areas or wards, as may be necessary, for the care of burned patients; no research to be performed in this area.

"Study the challenge of our basic policies, the number of Orthopedic Hospitals and the question of duplication of research in the Burns Institutes.

"Report its findings, conclusions, and recommendations in writing to the members of the Colorado Corporation as soon as practicable."

The Study Committee made its report to the Representatives at the 1971 Imperial Session. At that time it was reported that sufficient information was not available to permit the committee to prepare a factual and meaningful report to the Burns Institutes.

Since the resolution does not present the matters to be reported on, in either order of relative importance, nor in a completely logical sequence, your committee has taken the liberty of putting the questions raised in the resolution into what we

consider proper perspective, by reporting the least important, but by no means unimportant, matters first.

1. "Study the feasibility of setting up in our Orthopedic Units of areas or wards, as may be necessary, for the care of burned patients, no research to be performed in this area."

This approach to the care of burned patients is completely impractical and unworkable. Neither the physical plant, nor medical equipment in our Orthopedic Units is of the type required for the care of burned patients. While it would be technically possible to remodel and equip the Orthopedic Units for such care, it is not economically feasible. With few exceptions, our Orthopedic Hospitals are at least thirty to forty years old, and were designed especially for the care of crippled children. It would be cheaper to demolish the Orthopedic Hospital and construct a completely new building, designed specifically for the care of the burned child.

More important, however, is the fact that we do not have the medical staff for the treatment of burns, nor is it practical to recruit such a staff in geographical areas where most of the Orthopedic Units are located. It was only after considerable investigation and negotiation of affiliation agreements with outstanding medical schools that the sites of the three Burns Institutes were selected. On the positive side, however, we would like to report, that where qualified surgeons are available, reconstruction and plastic surgery is being done in the Orthopedic Units.

2. "To acquire, correlate and analyze such information as is necessary to evaluate each of our Orthopedic and Burns Units in the light of presently existing and probably future needs of the area served by such hospital."

The cost of building Burns Institutes, and more important—the annual cost of operating such institutes, puts a limit on the ability of the Shrine to care for the burned child. If we were to close all of our nineteen Orthopedic Units, we still only have operating funds for five more Burns Institutes. This assumes no increase in the operating costs of individual institutes. The addition of such Burns Institutes would not provide a significant number of additional beds in relation to the number of burned children. At the time we built our first Burns Institute in Galveston, there were practically no hospital beds devoted exclusively to the care of the burned patient. Since that time, a substantial number of beds have become available. With the probable passage of legislation providing for government health insurance of medical care, additional physical facilities will probably be available.

Again, on the positive side, we can report that our medical staff and physical facilities are recognized as the most knowledgeable and advanced in the entire world. We are the acknowledged leaders in the field of burn care. We intend to remain the leader, but that does not mean that it is necessary to indiscriminately build additional physical facilities. Reason and prudence dictate that we first determine what our respective governments are going to provide in the field of health care. It is quite likely that our greatest contribution will be through research and development of new methods of treatment which will be used in hospitals throughout the world.

3. "Develop specific recommendations as to each of our Orthopedic and Burns Units, with respect to its continued operation or disposition in some manner consistent with the purposes of Shriners Hospitals for Crippled Children, as the world's greatest philanthropy."

It is quite obvious from the high census that there is a great need for the Burns Institutes. In addition, the great progress made in medical research in the treatment of burns has enabled other doctors and health care centers to successfully treat great numbers of patients. Since this medical knowledge is available to all doctors throughout the world, it is probably of more value to society than the actual care we are able to give the children admitted to the Burns Institutes.

4. "Study the challenge of our basic policies, the number of Orthopedic Hospitals and the question of duplication of research in the Burns Institutes."

It is difficult to identify, and almost impossible to prevent, duplication of research in the Burns Institutes, since all of them are dealing with the same problem—the care of the burned child. Perhaps, it would be unwise to prevent duplication of research even if we were able to identify and prevent it. There is no one individual, or group of individuals working together who have the knowledge or ability to

obtain and develop all the information available from any particular type of research. As a practical matter, this is a rather academic question, as each of the Burns Institutes have made very significant contributions to medical science in the treatment of burns, but each in totally different areas.

Cincinnati—The use of pig skin for grafting.

Boston—A system of germ free environment-skin grafts.

Galveston—A special bath tub and system of irrigation and dressing of burns.

In addition, the members of our medical staff have presented countless papers on the treatment of burns to medical meetings all over the world.

At this point, we would like to give you some specific facts about our hospitals, and the finances of the Colorado Corporation with particular emphasis on the Burns Institutes. As we all know, inflationary pressures from wages and prices were relentless in the over-all national economy during the past ten years and 1971 in particular. If it hadn't been for the August 15th action by the government, I think all of us are aware, that the cost of operating our hospitals, and the Burns Institutes in particular, would be substantially greater.

Prior to 1968, our hospitals operated with a rather substantial excess of income over expenditures. Here are the figures for the past seven years:

	Income	Expense	Surplus (Deficit)
1965	14,872,000	10,239,000	4,633,000
1966	16,125,000	12,024,000	4,101,000
1967	17,828,000	14,448,000	3,380,000
1968	18,945,000	19,198,000	(253,000)
1969	20,074,000	21,962,000	(1,888,000)
1970	21,806,000	22,394,000	(588,000)
1971	23,659,000	24,336,000	(677,000)

From these figures, you can understand the reasons why in 1970 the Trustees and Board of Directors made the difficult decision in the face of continued budget pressure, to identify the causes of softness in our performance, and to take steps to counteract them. This was a painful decision, but one we felt good business management required. Accordingly, as part of our continuing effort to increase efficiency and productivity during the past two and one half years, we have been able to slow the relentless annual increase in our operating costs. As the result of the action of your Trustees and Board of Directors, the operation of the hospitals and Burns Units are now on a sounder basis.

Accurate measurement of the relative efficiency of the Burns Units is difficult, if not impossible, since a substantial amount of research and teaching is being done in these Units, and at the present time, these expenses cannot be completely separated from the expense for patient care.

We have developed a number of facts about the Burns Institutes which your Study Committee would like to present to you, not only as a matter of interest, but also to enable you to vote knowledgeably on the matters relating to these Units. The expenditure for capital purposes, land, buildings and equipment for the three Burns Institutes since their inception is:

Boston	\$ 4,767,885
Cincinnati	3,603,098
Galveston	4,247,250
Total	\$12,618,233

Operating expenses have increased from a low of \$1,538,831 in 1966, the first year that all three Units were operating to a budgeted \$7,508,800, in 1972. Total operating expenses of the Burns Institutes since the Galveston Unit opened in 1963 is \$33,106,398.

We have prepared a comparison of the current daily cost for acute and re-construction patient care, however, we again want to call your attention to certain factors which make an exact mathematical comparison impossible.

1. Difference in operating costs.
2. Difference in research costs which are impossible to separate from patient care.
3. Differences in affiliation agreements as to services provided by affiliated institutions.

The following figures do not purport to compare the relative efficiency between the Units, and are only the current daily cost of patient care:

	Acute	Reconstruction
Boston	\$312	\$255
Cincinnati	239	191
Galveston	279	230

Because of the limited capacity of each Unit, the patient mix between acute burned patients and reconstruction patients can substantially change the cost for each type of care, however, the above figures were developed from a relatively comparable patient mix and thus are comparable.

The number of burned children we have helped is probably of more importance than the dollar that we have spent, as this is the true measure of our achievement. Since their inception, we have treated 1,258 children in Galveston, 559 in Boston and 958 in Cincinnati. This is a total of 2,765 children.

Medicine and surgery are dynamic fields of endeavor. New knowledge and advances in the technology of medical practice constantly require investments in new facilities and equipment. Such physical resources seldom wear out; rather, they become obsolete. Prudent long range financial planning indicates future need for considerable revenue for replacement, modernization and expansion of buildings and equipment and thus, the strengthening of financial reserves for these purposes. Your Directors and Trustees strive to achieve the optimum balance between what you have defined as our social responsibility, and the resources that are available to provide such service.

Mr. Chairman, I recommend that the report of the Study Committee be received and I would so move.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that the report of the Study Committee be received and filed. Is there discussion?

All those in favor signify by saying "Aye"; those opposed "No". The motion is carried.

MORNING SESSION

THURSDAY, JULY 20, 1972

NINE O'CLOCK A.M.

The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Statler Hilton Hotel, Dallas, Texas, on July 20, 1972, at nine o'clock a.m., Imperial Potentate C. Victor Thornton presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE THORNTON: I will now call on Past Imperial Potentate Marshall M. Porter for a report in connection with our Hospitals.

IMPERIAL SIR MARSHALL M. PORTER: Imperial Potentate, Imperial Sirs, Illustrious Sirs and Representatives all: There is a report in the hands of the Jurisprudence and Laws Committee on two resolutions which we will be asking you to consider and we hope that if you will pass them that they, in turn, will put us in shape to take care of the two hospitals in Canada with regard to doing for crippled children what they have done all through these years, adding to that activity research in the field of crippling and in the prevention of crippling on terms that our expenditure

there for both care and research cannot exceed what it would have been had we carried on in the old way with care alone.

The Committee on Jurisprudence and Laws will report on these resolutions and it will be unnecessary, therefore, to read them twice.

NOBLE WALTER S. JEFFRIES: (Reading)

To the Members of Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws by the Board of Directors of the Colorado Corporation and by the Board of Trustees of the Colorado Corporation through Past Imperial Potentate, Marshall M. Porter, a Resolution which reads as follows:

"WHEREAS, in the Miami Session a Resolution was adopted authorizing the Boards of Directors and Trustees of the Colorado Corporation to contract with the Health Commission of the Province of Quebec for the continued operation of our Montreal Unit in keeping with the Health Services Act of the Province; and

"WHEREAS, an agreement has been negotiated with the Office of Commissioners of Health of the said Province; and

"WHEREAS, to implement said agreement it is necessary to form a corporation in the Province of Quebec for the purpose of operating our Montreal Unit;

"THEREFORE, BE IT RESOLVED that the appropriate officers of the Colorado Corporation or the Canadian Corporation, as the case may require, be authorized to cause a corporation to be formed for the purpose of managing and operating our Montreal Unit; and

"FURTHER RESOLVED, that the Corporation to be formed may adopt By-Laws consistent with the By-Laws of the Colorado Corporation; and

"FURTHER RESOLVED, that the appropriate officers of the Colorado Corporation or the Canadian Corporation, as the case may require, be authorized to execute all instruments, including leases, in form approved by General Counsel of the Colorado Corporation, which may be necessary to implement the agreement with the Province of Quebec."

This Committee reports that the Resolution is in proper and legal form and will not conflict with any of the Articles of Incorporation or By-Laws of the Corporation.

Respectfully submitted,

NOBLE WALTER S. JEFFRIES: I move that this report be accepted.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second. Is there discussion?

All in favor signify by saying "aye"; those opposed "no." The motion is carried. I will now again recognize Imperial Sir Marshall M. Porter.

IMPERIAL SIR MARSHALL M. PORTER: Imperial Sir and Fellow Representatives: I do not propose, unless you desire that I do so, to reread the Resolution that is offered. This was all discussed last year at Miami and you will find it in the record of last year's Proceedings on page 17.

This arises out of the enactment of total Medicare in Canada. It affects us in two places—Montreal and Winnipeg.

Total Medicare provides that every man, woman and child in Canada shall have free medical care, including hospitalization and medical services and that it shall be paid for by the state.

Now, you will readily see that with the advent of that law, the state was liable to pay for every child that we might heretofore have taken because he was impecunious and we were in effect without customers.

This had become apparent as long ago as our meeting in Washington, when Title XIX was passed by your Congress, applicable to children under 16 years of age who could not pay. We could see that it was coming in Canada. As you now can see, the same thing is going to come in the United States because each of the parties that is going into the on-coming election has a program to provide just this sort of thing and, therefore, this is why we were concerned about the future of the hospitals—what could we do to carry on this great charity?

There was a report made to you by the Study Committee, in which it was said that while the state was moving into the field that we had occupied, there was still a great unmet need of crippled children in the field of research into the causes of crippling and research in the clinical area, into treatment of crippling.

Your two Boards, your Board of Directors and your Board of Trustees of the Colorado Corporation, with the guidance of the medical advisors, have been working on schemes and plans to involve some method by which we can carry on this work if total Medicare comes.

Last year at Miami we asked you for authority to negotiate with the Province of Quebec and we have been negotiating since then and we have arrived at what I believe to be a satisfactory arrangement, which I will endeavor to shortly explain to you.

They are going to make us a grant in money of so much per bed per day with which we will run the hospital. We are going to match their grant with money for research into the causes of crippling and into the clinical conduct with respect to crippling.

We are going to retain complete control of our hospitals. We will have the say-so as to who can come in. We will want to take in those classes of cases that are fit for the research that we desire to do.

We are going to be masters of the research that is undertaken, although we have said that we will run our hospitals at the standards required by the Medical Health Board and we will submit our research information as to priorities.

Now, to carry this out, we are going to make an affiliation with the University of McGill and perhaps with one or two of the others of the great medical schools that are there.

The work is thus far pretty well planned.

We have a new advisory board of skilled men. One of them is a medical man and the other two are in other disciplines. One is a pathologist. They are going to advise us in the area of research into the causes of crippling.

We have a new board of orthopedic surgeons who will be advising us in the area of clinical research. They will have at their service the skills of various disciplines ancillary to the medical field in these universities and with the funds which we have spent operating these hospitals in the treatment of crippling diseases we will have a fund which we believe will make a magnificent contribution to the study of crippling and its causes that will go on to inure to the benefit of thousands and thousands of children everywhere that the medical profession serves under the glory of this institution and at a magnitude that it has not yet even attained.

Now, to accomplish this, we have to enter into an agreement with the Province of Quebec. They have written saying that they are prepared to enter into an agreement, the terms of which we have laid down. I have the correspondence here but I will not bother to read it to you.

However, there is one thing I should tell you because it does indicate how, when you are trying to do something worthwhile, there always seems to be a way to do it.

We should bear in mind that the Province of Quebec is a Catholic province—that it is a French-speaking province and that there is probably not as much under-

standing of our philosophy as we would find in the other places. Nevertheless, when it became apparent that this act was going to preclude us from functioning unless we functioned as other hospitals were going to do, they gave us a special "out", although it doesn't look like it. I am going to explain it to you because I do think that it is a sample of the kind of tolerance that we so often talk about and that we hope and see is coming more and more into our social area.

The program that they used to bring their hospitals under government control was simply to say that all hospitals operated by a not-for-profit corporation should become the property of and be operated by the state. They were not going to be operated by the government—they were going to be operated by local Boards.

We made representations that we could not give up control of our hospitals under any circumstances, first because we could not expect people to give us money to run the hospitals which we, in turn, would just hand over to some government and, next, because, by the language of the statutes of incorporation, we must continue to control these hospitals.

The bill went back into the House and when it came back there was another clause in it. There had been no ballyhoo about this and it had not even been proposed by us, but it said that a for-profit-corporation may enter into an agreement with the Minister and he may pay them for looking after patients and, well, it did not take long for those of us with legal training to realize that a "for-profit-organization" with a capital of one dollar was something we could form pretty handily. As a matter of fact, it was rather interesting that my letter to George Klepper, your Legal Counsel, and his letter to me, crossed one another saying this and so it is.

Therefore, this resolution asks you to authorize us to form a "for-profit-corporation" up there. We then advised Quebec we would form a "for-profit corporation" and then they found that they had created for themselves a problem. Many of these hospitals in Quebec are run by religious orders, principally orders of nuns, and if we could form a "for-profit" corporation, so could they and they could carry on and thus the whole attempt to bring health under some kind of uniform control would be destroyed.

The Minister in Quebec said, "I will have to think about this some more." I finally received a letter from him saying "We are only going to give you eighty cents on the dollar of your costs."

I took a look at that. He also said, "This is the only way we see to narrow this to cases of merit such as yours."

I telephoned him and said, "If you give us eighty cents on the dollar for our maintenance, we will only spend eighty cents on the dollar on research." He said, "You've got yourself a deal." So it is that this resolution asks us to form a "for profit corporation" that will involve our grant being eighty cents and our expenditure will be co-extensive with our grant and not in any event more than we would be spending if we were running the hospital as if the Medicare Act had not been passed.

Now, gentlemen, I know this is an involved matter—I know that it is technical. I have endeavored to explain it to you. I will be glad to answer any questions that I can.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Marsh. Are there any questions before the matter is put before you?

NOBLE CHARLES P. MASON (Cairo Temple): Imperial Potentate, Imperial Sirs, that was a very excellent presentation on the status of the Montreal Unit.

May I ask a question on the status and prognosis of our Winnipeg Unit, especially in view of Medicare?

IMPERIAL POTENTATE THORNTON: That matter will come up immediately following disposition of this matter.

Are there any questions regarding the Montreal matter?

Now, Marsh explained it very well for all of you lawyers but for us plain old engineers, what he is saying is that we will put up there about the same amount of money we have been putting up there, we will take care of all of the kids with what the government gives us plus what we add to it. Anything left will go into research.

Now, is there further discussion on this matter? Just a second, Marsh, have you made a motion with regard to the adoption of this resolution?

IMPERIAL SIR MARSHALL M. PORTER: No, I have not. I move the adoption of this resolution.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that the resolution as submitted in the report of the Jurisprudence and Laws Committee be adopted. Is there further discussion?

IMPERIAL SIR JACK M. STREIGHT: I would like, Imperial Sir, to second this motion because, Nobles, I want to explain to you that this took a great deal of effort and I think that Marsh Porter did a most outstanding job to save our hospital in Montreal and Canada. I do hope that this will be given your unanimous approval because the people of Canada desire to leave to us monies under their wills and they wish to make donations and they want to maintain the Shriners Hospitals for Crippled Children in Canada. Therefore, on this basis, it is a pleasure for me to second the motion.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Imperial Sir Jack Streight.

... The question on the motion was severally called for ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, is there further discussion?

If not, all those in favor of the adoption of the resolution as presented indicate by saying "aye"; those opposed "no." The motion is unanimously carried.

Now, Marsh, would you like to present the matter of the Winnipeg Hospital?

NOBLE ROBERT M. MCCARRELL (Montreal): Imperial Sir, may I have a moment to speak?

IMPERIAL POTENTATE THORNTON: Marshall Porter has the floor. Would you like to speak after he finishes?

NOBLE ROBERT M. MCCARRELL: Imperial Sir, I would speak now if you don't mind.

IMPERIAL POTENTATE THORNTON: Imperial Sir Marshall Porter has the floor and will continue. We will call on Noble Bob McCarrell at a later time.

IMPERIAL SIR MARSHALL M. PORTER: I am just asking the Chairman of the Montreal unit to wait until we get Winnipeg through with because the remarks he has to make relate to both of them and I don't think they will affect the results.

There is a similar resolution, with some differences, which I will explain, that are in the hands of the Jurisprudence and Laws Committee and if they will now report the matter out, I will move adoption in due course.

NOBLE WALTER S. JEFFRIES: (Reading)

To the Members of Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws by the Board of Directors of the Colorado Corporation and by the Board of Trustees of the Colorado Corporation through Past Imperial Potentate, Marshall M. Porter, a resolution which reads as follows:

"WHEREAS, authority having been previously given your officers of the Colorado Corporation to enter into contracts for the operation of the Winnipeg Unit, and

"WHEREAS, an affiliation agreement has been entered into with the University of Manitoba for the conduct of research and teaching activities, and

"WHEREAS, final negotiations have been consummated with the Government of the Province of Manitoba for the continued operation of our Winnipeg Unit as heretofore, and the conduct of clinical and fundamental research into crippling and its causes,

"THEREFORE, BE IT RESOLVED that the officers of our Colorado Corporation or our Canadian Corporation, as the case may require, be authorized to execute and deliver such documents as are necessary in the opinion of our General Counsel

to implement the arrangement with the Government of Manitoba and the University of Manitoba; and

"FURTHER RESOLVED THAT, if for any reason said agreement cannot be consummated with said parties, the Board of Directors and Board of Trustees are hereby authorized to close the Winnipeg Unit and to dispose of the property in a manner consistent with the purpose of Shriners Hospitals for Crippled Children."

This Committee reports that the Resolution is in proper and legal form and will not conflict with any of the Articles of Incorporation or By-Laws of the Corporation.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND
LAWS

NOBLE WALTER S. JEFFRIES: Imperial Sir, I move for the acceptance of this report.
... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that the report regarding this matter just presented be accepted. Is there discussion? If not, all those in favor of accepting the report please signify by saying "aye"; opposed "no." The motion is carried.

I will now recognize Imperial Sir Marshall M. Porter.

IMPERIAL SIR MARSHALL M. PORTER: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives all: This case is a little different from Montreal.

Medicare first occurred some five years ago in the Province of Saskatchewan, which lies to the west of Manitoba, where this hospital is located.

Saskatchewan was contributing about forty percent of the census of this hospital in Winnipeg and we had to take into account then the full input of patients. This led us to consider earlier than elsewhere what could be done to carry on.

We affiliated with the University of Manitoba. They agreed to put on our staff the doctors who are on the University staff and it was felt that by this means we would continue to get a census that would justify us in operating the hospital.

This body authorized us to take Third Party Pay and to have the patients paid for by the state in those cases where that was available.

We got an affiliation agreement made, we got it to working but we did not get the doctors appointed because almost a year intervened while we were making some physical changes in order to give us two operating rooms and then, of course, a political upheaval occurred between the doctors, amongst the doctors, which led to an inquiry about the assignment of beds, which, in turn, made it unwise for us to appoint doctors to our hospitals and, all in all, we lost several years, nearly two years in regard to our efforts to make that place work.

Fortunately we were able to maintain a census without the scheme that we have worked out. However, total Medicare has now come and so we face in Manitoba the same problem that we faced in Montreal.

We have entered into an agreement with the Province of Manitoba to give us a grant per bed per day, just as we have in Montreal. The amount of this is subject to negotiation and will be settled when we get back there.

We have agreed that we will enter upon a research program. Indeed, that has been underway in a small way for two years and it deals with particular fields, an example of which you are going to see here today and which I think will satisfy you that the kind of thing we contemplate doing in the future will bring us as much glory and bring children to us as much as anything we have ever done.

Now, I was one of those at Washington some four or five years ago who was

very much concerned about the future of our hospitals, especially when the sweep of Medicare became apparent.

Bob Turley at that time said to me "Don't be upset, this is good work and we will see it through." The experience we have had with these two most difficult cases in Canada leads me to say that in my judgment you can all go home and go back to work finding children, raising money. We now have a bigger job and a bigger opportunity to serve children than we ever had and we have the capabilities and the money to do it.

... Applause ...

Imperial Sir, I would move for the adoption of this resolution.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: It has been moved and seconded that this resolution be adopted. Is there discussion?

IMPERIAL SIR WARREN F. WECK, JR.: Imperial Sir, Imperial Sirs and Representatives: Being from the midwest area and having a very fine relationship with the Temple at Winnipeg and other Temples in this area, I have naturally been very much interested in this hospital and what they are doing there.

I am very familiar with this and, therefore, it gives me a great deal of pleasure to second this motion.

IMPERIAL POTENTATE THORNTON: Again, you have heard the motion and the second. Is there further discussion?

... The question was severally called for ...

IMPERIAL POTENTATE THORNTON: The question has been called for. All those in favor please signify by saying "aye"; those opposed "no." The motion is unanimously carried. Thank you.

I will not recognize Imperial Sir George Mattison, Jr.

IMPERIAL SIR GEORGE MATTISON, JR.: Imperial Sirs and Nobles: This is such a real landmark decision that you have demonstrated today in connection with our hospitals that, Imperial Sir, I would like to see this floor give a rising vote of thanks to Marsh Porter and his committee for the work he has done so well.

... The Representatives arose and applauded ...

IMPERIAL SIR MARSHALL M. PORTER: Thank you from the bottom of my heart. I don't deserve it. I had the help of every Shriner from whom I sought aid. I had the help of our two Boards and the help of every man on them. This has been a team job. We have all worked together. The Boards of the local Temples have made a great contribution because they did not go off half-cocked and chatter to the newspaper men because, remember, if this thing had gotten into the press with their usual mixture of half truth and opinion (laughter and applause) the confusion would have been so great that there could not have been a result.

Now, as Bob Turley has so well put it, "This is God's work, we are his children," and I, as one of them, appreciate your praise. However, I do know how little I deserve it.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Marsh. I don't know how you got the floor back again. (Laughter) I think a word from north of the border reflecting what George Mattison has said for some of us between the two borders might be appropriate now.

I would now like to call on the Chairman of the Montreal Hospital Board, Noble Robert McCarrell.

NOBLE ROBERT MCCARRELL: Thank you, Imperial Sir. I just seem to have been beaten out but I am still going to speak my piece. (Laughter)

Imperial Sir C. Victor Thornton, Officers of the two Boards and fellow Representatives: Through most of the year since the 1971 Imperial Session in Florida, Imperial Sir Marsh Porter, together with officers of the Imperial Divan and Board of Trustees, along with Noble Ross McAllister, Q.C., a member of the Montreal Board of Governors, have had a most difficult and complicated problem in seeking a solution to the future of the Montreal Unit. In addition to being complicated, the

task was vital to our hospitals. It was also, to a large extent, a trail blazer, a trail-blazing task in some form or other, as the same problems may arise with each of the other hospitals as Medicare or Medicaid spreads throughout North America.

The problems and obstacles are now well known by the Directors and Trustees of our noble Order and I will not take any further time to elaborate.

As Chairman of the Montreal Board of Governors, therefore, I wish to take this opportunity, on behalf of all the Temples associated with our hospitals, to express to Imperial Sir Marsh Porter and all those who have assisted him in achieving the happy solution of which you have just heard and voiced approval.

New and broader opportunities have been opened up for greater service to crippled children through the addition of our new research facility and, therefore, we leave this 1972 Imperial Session with happy hearts and the assurance that we will do everything within our power to fulfill this challenge and further advance the great philanthropy of our noble Order.

Thank you very much.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Noble McCarrell.

I will now yield the floor to Past Imperial Potentate O. Carlyle Brock.

IMPERIAL SIR O. CARLYLE BROCK: Imperial Sir, Imperial Sirs and Representatives: I have a stake in Canada, having been born there and still owning property there. I am elated at the change of outlook of the hospital situation in Canada and, in particular, within the Province of Quebec.

There are, I believe, approximately 19,000 Masons in the Province, in spite of its great Catholic population, and this Masonic population is an opinion-making group and certainly does a worthwhile job.

The sale or the closing of the Montreal Hospital would have been catastrophic, not only to the Shrine but to Masonry in general. I am glad to see that the philosophy of gloom, despair and negative thinking that we have heard so often and for so many years in this Imperial Council has changed to optimism and hope and outlook for an even greater future.

Thank you very much.

... Applause ...

IMPERIAL POTENTATE THORNTON: Thank you, Imperial Sir. Next I will call upon Past Imperial Potentate Robert Gardiner Wilson, Jr. for a presentation.

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: Imperial Potentate and Nobles: The very important action you have just taken with reference to the two Canadian Hospitals call for comment with reference to the proposed amendment which appears and does appear on page 27, which I suppose would popularly be referred to as having something to do with third party pay.

I think I should comment and make clear that the motive for the presentation of this particular amendment was the fact that in the period of one year we find in Boston that some seventy-five percent of all the patients admitted into the Boston Burns Unit had Blue Cross or Blue Shield or other medical insurance, and to that extent we are continuing, merely, of course, to subsidize the insurance companies of North America.

Just to make it even more clear regarding the situation we are in, in Massachusetts we have the so-called "no fault" automobile insurance. A child was burned in Massachusetts incident to an automobile accident but since there was no hospital or medical bill under the Massachusetts Law amounting up to at least \$500, there could be absolutely no recovery whatsoever for the excruciating pain and suffering of the child because, of course, there was no hospitalization or medical bill. However, we are assured that within a matter of months or, certainly, within a year or two, the Congress of the United States will pass such health and welfare legislation as will follow the earlier Canadian legislation, with the result that there will be no such thing as a medically indigent child in North America—which will make it inevitable that an amendment somewhere along the line of this proposed amendment will be made and must be made to our By-Laws and presumably to our charter in the Colorado Corporation.

Incidentally, also bear in mind that of the three million dollars appropriated from unrestricted Endowment Funds on the motion of Past Imperial Potentate Seay by the Imperial Council, I think, two years ago, some one million dollars of that money still remains available and, therefore, I state that while such legislation as the proposed amendment on page 27, whether you like it or not, is inevitable, I agree that perhaps this year the legislation is absolutely premature, and for that reason I would withdraw the amendment.

... Applause ...

NOBLE ROBERT J. TURLEY: Imperial Sir, in view of the withdrawal of this proposal by Past Imperial Potentate Wilson, I move you, Sir, that the Jurisprudence and Laws Committee be discharged from further consideration and report on the matter.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, is there any discussion?

If not, all in favor indicate by saying "aye"; those opposed "no." The motion is carried.

... Business was conducted in the Iowa Corporation at this time ...

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at twelve-forty o'clock p.m. ...

AFTERNOON SESSION

THURSDAY, JULY 20, 1972

ONE-THIRTY O'CLOCK P.M.

The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Statler Hilton Hotel, Dallas, Texas, on July 20, 1972, at one-thirty o'clock p.m., Imperial Potentate C. Victor Thornton presiding.

IMPERIAL POTENTATE THORNTON: Nobles, ten years ago, at Toronto, in 1962, it was my privilege to attend the Imperial Council Session. It was the privilege, I am sure, of many of you to be there. Many of you also were not there. It was a great convention and a great decision was made—the decision to embark on our Burns program.

There was one individual who had a lot to do with that decision and who made a great presentation to all of the Representatives. I don't know whether that was salesmanship but we were all sold and it was a decision which all of us, in these ten ensuing years, have been very grateful for.

It is now my pleasure to present this man again. He is the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, Past Imperial Potentate Harvey Beffa.

... Applause ...

IMPERIAL SIR HARVEY BEFFA: Thank you, Imperial Potentate.

Imperial Potentate, Imperial Sirs, Grand Masters, Dignitaries, Noble Sirs, Representatives all to this Ninety Eighth Imperial Council Session: We are today in the great Lone Star State of Texas, where hospitality abounds in all its glory and where, to bask in the "Sunshine of the Shrine" (Texas style) is indeed a delightful experience for all of us who have journeyed to this oasis. To our Texas Imperial Sir and the wonderful Nobles "thanks a million."

Since assuming the chairmanship of this, the world's greatest philanthropy, at the last session, last July in Miami, the months have rolled by very quickly. Much, we believe, has been accomplished. Certainly much remains to be done.

It has been my desire to visit each of our Units, time permitting, and sit with the local Board of Governors and staff to discuss our common problems, to learn and, hopefully, to make a contribution. Thus far I have visited St. Louis, Galveston, Houston, Philadelphia, Los Angeles and the Greenville Units, and I look forward to a personal visitation with all of our Units.

In visiting those Units and to explain such a visitation is an experience that defies ability to explain. To see and witness the dedication of each and every one is an inspiration, and then, to visit with our little guests whose wrecked and burned bodies are being mended and on their way to being placed back in the race of life—well, I can understand the true meaning when we refer to our Units as “Temples of Baby Smiles.”

I have often said that if each and every Noble would some day take time off, for just a few hours, to visit their “Temple of Baby Smiles” and really see—to fully understand the privilege that is ours to wear the Red Fez as the sponsor of the world's greatest philanthropy, he would leave with a heart so full of pride and joy that he would be prepared to tell the world, that others may hear and to those who are qualified may desire to join with us, to be part of our great work, and eventually I believe that our membership would number many more than we have today.

It was a great and enlightening experience for me to attend a meeting of all our Chief Surgeons at Los Angeles in October of 1971. I was accompanied at this meeting by our Imperial Recorder, George M. Saunders, and our Medical Advisors, Dr. Carroll Larson and Guy A. Caldwell. We were privileged to answer part of the questions of the Chief Surgeons, as well as to explain to them the rules and regulations by which our program is operated. We were able to gain a lot of information about the problems of the doctors, as well as to impart to them much information that was of great benefit to them in their work with us. It was most rewarding to all concerned.

And speaking of our surgeons, I would like to repeat the philosophy of our surgeons, so aptly and marvelously expressed by two great surgeons who it has been my privilege to personally work with during the years and I quote them:

“Children come to Shriners, some with deformities, some crippled from the waist down, from the knees down, from the neck down. They each come with one hope—‘can Shriners help me walk?’ In my years, not one has failed to walk, perhaps with braces or crutches but they stand and walk. We think we have the greatest hospitals in the world because we care for the so-called ‘impossibles’. Many cases need surgery first, then braces, therapy, etc. When a child starts to walk, the family is happy, the child is delighted and God's work is accomplished. Every patient is a challenge. To me, Shriners Hospitals are the greatest proof of charity in the world. They are a living symbol, a living proof—you can see it, feel it, touch it.”

This is the philosophy in the words spoken by Shrine Surgeons Dr. John Royal Moore and Dr. Howard H. Steel of the Philadelphia Unit, speaking, I am sure, for all of our surgeons.

May God bless these great men of miracles.

Generally speaking, presentation of statistics are rather dull; however, I believe any facts that bespeak the accomplishments in our great work should be inspiring. Therefore, let's go.

Your Orthopedic Units, nineteen of them, contain 1,015 beds. In 1971, we discharged 8,121 patients, with 324,000 patient days. The cost per patient day, all expenses, in all Units was \$48 per day. The cost per patient, all expenses, was \$1900.

Now, we go to the Burns Units, three of them.

Boston officially opened on November 2, 1968, Cincinnati on February 19, 1968 and Galveston on March 20, 1966.

These three Units have a total of ninety beds. Patients discharged are 1,004. Patient days are 30,000. Cost per patient day, all expenses, is \$245 and cost per patient, all expenses, is \$7,419.

The operating budget for 1971, for the nineteen Orthopedic Units and three Burn Units was \$23,116,900, and with the efficiency of operation by our local Boards and their staffs, total actually expended was \$22,907,765—\$209,135 less than the approved budgets. Congratulations to the Board and Staff for their cost consciousness and still retaining the best in the services rendered.

The figures I have indicated to you will give you a bird's eye view of your operations. The annual report, in your hands, will relate all financial figures of

income, outgo, etc. In order to conserve time, I would refer you to these published facts.

Now, it would be rather difficult to endeavor to place in these words the deep appreciation that we all have for the Nobles of all Temples of Shrinedom for their devotion in the many, many fund raising projects that have made a sizable contribution to much needed funds. Nobles, keep up this fine work. I am sure we all realize how the success of these undertakings are so rewarding.

To our Wills and Bequests Committee, under the leadership of Imperial Sir Woody Bennett and his tremendous committee members who have and are yearly, through their dedication of efforts, so successfully indelibly implanting into the heart and soul of so many of our benefactors who are financially perpetuating our great philosophy, to this great group of Nobles, carry on. The results of your labors of today will materialize for years and years to come.

To the committee who has, through the years, secured the Permanent Contributing Memberships and Voluntary Contributing Memberships, that fund which now totals in excess of \$25 million, and of which the principal is securely locked in, the yearly income, for time in memoriam, will contribute to our operating costs, and we are indeed most thankful.

The One Hundred Million Dollar Club Membership Program was launched this past year by Imperial Potentate C. Victor Thornton as a part of the Shrinetennial celebration activity and is to be continued by our incoming Imperial Sir Henry B. Struby. This One Hundred Million Dollar Program, under the leadership of Norm Dunham, was directed at every one of the nearly one million Nobles of the Order. It was felt that if we could only get the story down to the grass roots Noble that he would be glad to secure one of the very beautiful membership certificates by paying at least \$100 for it, or by making a provision in his will that would benefit Shriners Hospitals for Crippled Children by at least \$100 or more.

We know that if we can get all Temple Officers to get the story of this program out to every one of their Nobles it will be completely successful in our One Hundredth Anniversary Year as a fraternal organization and also help in celebrating the Fiftieth Anniversary of our Shriners Hospital program.

We solicit the sincere cooperation of every single Shriner in this project.

To all the members of the Board of Directors of the Iowa Corporation, Board of Directors of the Colorado Corporation, Board of Trustees, for their guidance, help and assistance and their confidence, I shall always be deeply grateful.

A special word of thanks to the fine Nobles of the following important committees—Investment, Finance, Budget, Rules and Regulations, Salary, Personnel and Retirement, Jurisprudence and Laws, Medical Records and the National Shrine Hospital Day.

To the Building Committee, under the chairmanship of Imperial Sir George Mattison, Jr., which has the tremendous task of handling requests of all of our Units, a big thank you for a job so well done.

To our Imperial Treasurer, Noble Robert Melham, for his tireless efforts and for his help—thanks a million.

To our Director of Public Relations, Noble Robert Sconce, and his staff, my appreciation for their help and assistance.

To Dr. Carroll Larson, our Director of Medical Affairs; Dr. Guy Caldwell, our Medical Chairman Emeritus, and to our Executive Administrator, Miss Eleanor Baird, for their work with the many details of our operations, for your help and advice, I am grateful.

To the members of the Medical Advisory Board of the Orthopedic and Burns Institutes, for their dedication to our philanthropy—their great talent extended to us being beyond our ability to find words to say “thanks”, nevertheless, my deep thanks and appreciation to you.

To Imperial Sir Marshall Porter, Chairman of the Research Committee and his medical personnel who comprise this important function, for their dedication we are truly grateful.

To our Controller, Lew Molnar, for his efficiency of operation, many thanks.

To our General Counsel, Imperial Sir George Klepper, and his staff, Paul Ibach and his associates, we are deeply indebted.

To all of our Units, made up of Chairmen of the local Board of Governors and their associates, Chief Surgeons, Administrators and their staffs, to all men and women who daily devote their lives to the care of our patients, and to the ladies groups, such as sewing, fund raising and many other varied activities that continue to contribute—through their devotion they have given to we Shriners the privilege of boasting that in fifty years of our great philanthropy we have placed in the race of life with an equal chance approximately 200,000 boys and girls, many of whom are now men and women who daily say “thanks Mr. Shriner”—we extend to them our everlasting heartfelt thanks.

To our Imperial Potentate, C. Victor Thornton, for his great leadership, for his help and assistance, his guidance and his inspiration—he has always been a ray of sunshine and his messages to the Nobility of North America have meant much—likewise our heartfelt thanks. I am sure that Imperial Sir Vic's initiation of the One Hundred Million Dollar Club Program will mean so much to all of us and will, in the years to come, be of great benefit to the Shrine.

To my good friend of many years, Imperial Sir Henry Struby, who has been, all these years saturated in the work of the Shriners Hospitals, I look forward with a great deal of happiness to working with this great Noble who is about to lead our Shrine as our Imperial Potentate.

To a great Noble, our Imperial Recorder, George M. Saunders, who has meant so much to me through these many years by his always willingness to help and assist—I shall always be greatly indebted.

We of the Shrine who wear the Red Fez and are privileged by Him to help and assist in placing back in the race of life many, many crippled and burned children—endeavoring to name each individual of this great team who dedicates his efforts in this work and who are reaching for the same objective—becomes an impossibility. So, to endeavor to overcome the possibility of missing someone, I am going to ask you to do me a favor right now. I want to ask each of you to stand up. Will you do that for me? I am now going to ask you to take that big right hand of yours, turn to your neighbor, squeeze it and congratulate him for the job he has done.

... Laughter and applause ...

Thank you, Nobles.

As we stand on the threshold of fifty years of operations, we can look back to the years when Nobles with foresight launched upon what is now the world's greatest philanthropy, and thanks to them who preceded us for the solid foundation that they have built our charity upon, giving to us the opportunity to look forward with great enthusiasm to the next fifty years—to build upon that foundation a greater superstructure in helping mankind.

Much history has been recorded of our achievements. The millions of dollars that we have invested in mankind has returned to us many golden dividends in the terms of men and women who now have become useful citizens and daily are making their contributions to mankind—all because a group of Nobles who wear the Red Fez really cared. We can all thank our Almighty for giving us this rare privilege.

Reams of history making statistics could be presented to you of the achievements, the break-through of medical significance credited to our Shrine Hospitals' daily operation that again we can all be truly proud of be grateful to our dedicated staff. Being a layman, I was tremendously impressed by a specific accomplishment that occurred recently at your Winnipeg Unit and I want to tell you about it.

I am going to talk about a little lady, Miss Rebecca from Winnipeg, Canada. Rebecca was born with the lower part of her left forearm missing. She was fitted initially with a conventional hook type prosthesis at the age of seven years at the Shriners Hospital in Winnipeg.

At the age of fourteen, Rebecca was at the point of rejecting her conventional prosthesis, mainly due to the discomfort of harnessing necessary to activate the mechanical hand she was wearing at the time. She was assessed for a myoelectric

fitting and subsequently provided with her new powered prosthesis, in May, 1971. She has been wearing the myoelectric arm successfully for about one year, with only a few minor problems.

Now, I am going to tell you more about Rebecca by asking you to look at a few slides and then I want to carry on after you have seen the slides.

[Slide]: Here we have Rebecca at the age of fourteen years.

[Slide]: This shows a close-up of her stump in the fully flexed position.

[Slide]: Here she is wearing her conventional prosthesis.

[Slide]: This slide shows the troublesome harness worn outside her clothes.

[Slide]: This slide shows you the myoelectric prosthesis, artificial limb that she now wears.

[Slide]: This shows Rebecca with her new artificial limb doing fine needle work. Isn't that something? (Applause)

[Slide]: Then we have Rebecca grasping a glass of water and also illustrating the similarity between her artificial and normal hands.

Now, those are pictures of Rebecca. Will you turn on the house lights. I would like to say that Rebecca is with us and at this time I would like to have her escorted up here to the podium.

... Rebecca was escorted to the podium ...

IMPERIAL POTENTATE THORNTON: Rebecca, with the love of every one of our almost 900,000 Shriners, may I present to you these yellow roses of Texas.

... Presentation of roses and applause ensued ...

IMPERIAL SIR HARVEY BEFFA: You are now seeing Shrinedom in action. I am now going to ask Rebecca to say a few words to you at this time if she so desires. (Applause)

MISS REBECCA FOURNIER: I wish to thank all of you for your help and assistance. Of course, each step has been more successful than the last and my limb is improving. I just don't know how to thank all of you. It is hard to put things in words and "thank you" seems such little words to use with such a tremendous success. However, from the bottom of my heart, I do thank all of you.

... Rising applause ...

IMPERIAL SIR HARVEY BEFFA: Thank you, Rebecca.

Now, Rebecca, you have come a long way from Canada and before I proceed I want to introduce our Administrator, Miss Patricia Shanski, who came with Rebecca. (Applause)

Now, I want to present to you these two ladies who are stylists at Tiche's Department Store. We asked them to pick out a wardrobe for Rebecca to take with her as she goes back home again. Here, Nobles and ladies, is the wardrobe that was picked.

... Presentation of wardrobe ensued ...

IMPERIAL SIR HARVEY BEFFA: Now, Nobles and ladies, Rebecca is going to perform a little bit. She is going to pour some water over there and she wants to make a toast to us.

... At this point, Rebecca poured water into a glass, raised the glass with her artificial limb in the manner of a toast ...

MISS REBECCA FOURNIER: I would like to make this toast to all of the Shriners at this time. Thank you for all of the memories of yesterday and thank you for a brighter tomorrow that you present to the millions of children across the world. Thank you, Mr. Shriner. (Applause)

IMPERIAL SIR HARVEY BEFFA: I am going to ask Rebecca to walk through the audience and, as she does so, I hope you will all look at that beautifully formed artificial hand.

... Whereupon, Rebecca was escorted through the audience ...

IMPERIAL SIR HARVEY BEFFA: Almost ten years ago, plus a few days, as Chairman of the Burns Unit Committee, I appeared before you on the stage of the O'Keefe Theater Auditorium in Toronto, Canada, during the Imperial Council Session meet-

ing of Imperial Sir Marshall M. Porter. It was a glorious Fourth of July, 1962, when the Eighty Eighth Imperial Council approved the recommendations of the committee to build and operate three Burns Units. Much has been accomplished since then. Many lives have been saved. Much has been done to mend the burned bodies. Much has been accomplished through research. Many doctors have been trained. Yes, all the objectives that were contained in that recommendation, to a great degree, have been accomplished. Much is to be done and great progress is daily occurring.

Today your Shrine has and is daily operating the only exclusive hospitals that render medical assistance to burned children. Many fine hospitals in this country are doing great work in burns therapy and in connection with burns wards, but the Shrine are the only ones that own and operate exclusive burns units. Again, your Shrine has led the way in burn therapy, as it did fifty years ago in leading the way in orthopedics.

Much, oh so much can be said of this progress that has been made, certainly much more is and will be done.

Our doctors tell me that surgeons from all parts of the world have visited these fine Burns Units and have returned to their native lands singing the praises of the Shrine which has pioneered this great need of burn therapy. Again, Nobles, we can be mighty proud of these accomplishments.

Let us together review a bit of July 4, 1962, by a few pictures from the stage of the O'Keefe Theater Auditorium at Toronto, Canada. Let's talk about Billy Roach, born January 9, 1954.

A Noble heard about Billy who, by falling into a pile of burning leaves in his backyard, after he was rescued from this fire, heard his doctor diagnose that the right leg required amputation above the knee. However, when this particular Noble arranged for Billy to be examined by our Shrine surgeon, the Shrine surgeon said, "No, no amputation, give me Billy and, God willing, we shall endeavor to save that leg." Billy's parents agreed and Billy came to our Shrine surgeon. And now, let's take a look at the course of events.

[Slide]: This is Billy's grandmother, Mrs. Webb, on August 12, 1960, carrying him to the front entrance door of the St. Louis unit.

[Slide]: Nurse, Miss Schumann, greets grandma and Billy with the wheel chair.

[Slide]: Billy's leg that the doctor said should be amputated—not the Shrine doctor, because he said, "No, sir, no amputation."

[Slide]: Here we have the week of Mother's Day, May 12, 1961, almost ten months later, when Billy walks out of the St. Louis Unit on both legs.

[Slide]: Here we have July 4, 1962, as Billy walks to the center of the stage and kicks a football to the Representatives with the leg that was to have been amputated. We can also see proud Grandma Webb watching with happiness and certainly tears of joy.

[Slide]: Billy presents to the Chairman of the Committee that famous Toronto resolution.

[Slide]: Here we have the Chairman of the Committee reading that resolution with little Billy standing by.

[Slide]: And what did Billy say? Just a few words—"Thank you, Mr. Shriner."

[Slide]: Billy arrives home from Toronto with a group of happy Moolah Shriners who insist that he again kick the football.

[Slide]: Here we again have Billy on July 4, 1962, with that famous resolution in hand—that famous document signed by all of the Representatives and now safely tucked away for future generations who may see the wisdom of the Shrine on that auspicious day.

Now, such is the story and review of the case of Billy. I might say that we also have Billy with us today and at this time I would like to have him escorted to the podium.

... Whereupon, Billy was escorted to the podium ...

IMPERIAL SIR HARVEY BEFFA: I want to tell you at this point that he is now

eighteen years of age. He is going to tell you a little bit more about himself a little later. However, I want to tell you something about him.

He lives about forty miles outside of my home.

I was down in that area not too long ago and we went to visit the Roach family. There were ten or eleven in the family, all very nice people. We asked Billy and his mother if he would come to Dallas and they were thrilled to come.

I want to tell you something else about him. He came in yesterday and he had an extra ticket that the Imperial Potentate gave him so that he could attend the banquet. He went out and rented a tux and you should see him as he was dressed in that tux last night. He said to me, "Can I take a picture of this? I have never been dressed like this before."

Now, Billy, with that, I want you to come over here to the microphone and tell these Nobles and ladies what you are doing today.

MR. BILLY ROACH: About twelve years ago, the Shriners cured my leg and since then I have been able to use my leg just as if it had not been hurt at all. I play softball, football, run and now I don't even pay any attention to the way it is.

I am presently working as a stock boy and my leg gets great use in this job. I have the Shriners to thank for making me such an able-bodied man now. Thank you, Mr. Shriner. (Applause)

IMPERIAL SIR HARVEY BEFFA: You know, Billy mentioned that he didn't have a watch and somebody probably heard about that and so, Billy, I am happy to present you with this watch. This comes from some Shriners who do not desire to have their names mentioned—they just want to be able to help you.

... Presentation of watch and applause ensued ...

Now, Billy has meant so much to us and that football has been an inspiration to me, sort of symbolic, and so, at this time, I am going to request two Past Imperial Potentates and the present Imperial Potentate to come over here just a moment. I will tell you what I would like to have you do for me.

Now, what I have here are three footballs symbolic of the three Burns Units now operating. I am going to ask Billy to go over there with the Imperial Potentate and I am going to ask him to kick that football into the audience and whoever catches it, please hang on to it, because I want to tell you something about it afterwards.

... At this point Billy kicked two footballs into the audience ...

IMPERIAL SIR HARVEY BEFFA: Now, Nobles and ladies, let me tell you about those two footballs that Billy kicked into the audience.

One comes from that great team from down under, I think they call them the Dallas Cowboys. (Laughter) They have autographed that football.

The other football was brought here from St. Louis and is autographed by the Big Red, our football team at St. Louis.

Now, the third football is being held by our great Imperial Potentate, C. Victor Thornton and this football that Billy is about to kick is autographed by the Trustees and the Imperial Divan and is symbolic of the third Burns Unit.

... At this point, Billy kicked the third football into the audience ...

IMPERIAL SIR HARVEY BEFFA: Just a moment now, Will the three Nobles that caught these footballs each come up here with the football.

... The three Nobles catching the footballs presented themselves at the podium ...

IMPERIAL SIR HARVEY BEFFA: Here is what I am going to suggest to you Nobles. Here is what I would like to have you fine Nobles do with the football that each of you have caught. I want you to take that football back home with you and display that in your Temple, also to tell all concerned the symbolic nature of it, and then I want you to do everything you can with that symbolic football to promote the Shrine philanthropic work of both Orthopedics and Burns and then I also want you to come back and at the next session next year tell all the Nobles what you did, through the use of that football, in the way of promoting our great philanthropy.

... Cheers and applause ...

Now, I also want to tell you something in addition in relation to Billy. Billy is going to graduate next May from high school. He has fine grades in high school. He is inclined toward electronic work and things of this type.

I have been talking to some folks and, Billy, I want to tell you what we are going to do. These others here don't have to listen but I, as I say, have talked to an anonymous donor and I have been told that when you go back home that you are going back with a four-year scholarship. (Applause) Of course, you are not going to go to Harvard, Yale or Princeton, (laughter) but, this anonymous donor is going to pay for it. Thank you, Billy, for appearing before us. (Applause)

Nobles, there isn't much more that I can say. I appreciate your patience. I am grateful for the opportunity to serve my Shrine. I trust I have made, to the best of my ability, some small contribution to our beloved Shrine.

Finally, I would like to repeat a few words that I would believe is the philosophy and the spirit of Shriners everywhere:

"I shall pass through this world but once; any good, therefore, that I can do or any kindness that I can show any human being, let me do it now. Let me not defer or neglect it, for I shall not pass this way again."

May God bless all of you. I remain your humble servant.

Imperial Sir, I would move for the adoption of this report.

. . . The motion was severally seconded and the assembly arose and applauded . . .

IMPERIAL POTENTATE THORNTON: Imperial Sir, Harvey Beffa, I am convinced that the report has been adopted unanimously. Thank you. (Applause)

IMPERIAL SIR HARVEY BEFFA: Fellow Nobles, in years past it has always been a delightful pleasure to witness the great group of Nobles who come before your Imperial Potentate and your Chairman and make the valuable gifts and contributions that permit us to carry on our great work. This year we have endeavored to add to the glory of these Temples and individuals by meeting them prior to this period and having publicity pictures taken to forward back to their individual communities so that the fine folks back home who have so graciously helped to make their projects a financial success will see just what their financial help has accomplished. I trust that you will agree.

However, I do want this report to be so recorded, that the Nobles and their Temples will be recognized in this official Proceeding and, therefore, the following are recorded with our gracious thanks and deep appreciation and the hope and prayer that they will continue to render such fine support in the years to come.

IMPERIAL SIR HARVEY BEFFA: Gentlemen, those are the folks that came and wanted their pictures taken so that they could get publicity back home.

If there is anyone desiring to come forward in the usual fashion, we will be delighted to have you.

Here is a check in the amount of \$1,000.00 from the National Shrine Clowns Association. Thank you very much.

NOBLE HAROLD E. VOSS (Aladdin Temple): In Columbus we tried something new this year, called the Penny Walk. This was because of our hundredth anniversary. We asked each Noble in our Temple to donate one penny for each year of Shrinedom. To date I have presented a check for a little over \$3,000.00 and we will have more to come.

IMPERIAL SIR HARVEY BEFFA: Thank you very, very much.

NOBLE JOHN B. WESLEY (Kerbela Temple): Imperial Sir, on behalf of Illustrious Sir John R. Jones and Kerbela Temple in Knoxville, Tennessee, in behalf of our over five thousand Nobles, we are happy to report that we have raised, to date, \$205,508.84 in connection with our May paper sale.

IMPERIAL SIR HARVEY BEFFA: Thank you very much and God bless you.

NOBLE O. I. CARROLL (Karem Temple): Through the hard work of our Temple we are, for the fourth time, able to increase our donation to our Shrine Hospitals for Crippled Children. We are donating this year \$5,740.26 from a lot of hard work.

IMPERIAL SIR HARVEY BEFFA: Thank you very much and God bless you all.

NOBLE FLOYD F. GRAHAM (Alzafar Temple): From Alzafar Temple at Phoenix, Arizona, in connection with our first blood bank, we are donating \$1.00 for every member of our Temple, a check in the amount of \$5,400.00, plus our first baseball game, which wasn't too good out there. This is for \$600 and there is another \$400 coming.

IMPERIAL SIR HARVEY BEFFA: Thank you and God bless you and thank all of your Nobles.

NOBLE WILLARD I. MILLER (Sabbar Temple): On behalf of Sabbar Temple, Tucson, Arizona, from our baseball game, we present to you this check, Imperial Sir.

IMPERIAL SIR HARVEY BEFFA: Thank you very much. The check is for \$1,184.50.

NOBLE O. F. BARNETTE (Kosair Temple): Imperial Sir, I want to make a report. My name is Barney Barnette and I am a Past Potentate and Emeritus Representative from Louisville.

Illustrious Sir L. Porter, Past Potentate of Syrian Temple in Cincinnati, and Director of the Hundred Million Dollar Club, through the Potentate of Kosair Temple, appointed me Chairman and I, in turn, appointed the Kosair Oriental Guide. We have signed up a goodly number of members, which includes all of the Kosair Temple Divan and nearly all of the Past Potentates. We will get all of those before we get through. These two groups form the Executive Committee of our Temple.

Kosair Temple is the only Temple in Shrinedom insofar as I know that operates its own hospital. We are presently spending two million dollars to modernize our one-hundred-bed hospital. Fourteen years ago I originated and started the One Thousand Dollar Club for the Kosair Crippled Childrens Hospital with the same guidelines as the One Hundred Million Dollar Club, with two small exceptions. The One Thousand Dollar Club for the Kosair Hospital costs \$100 and up for membership and a minimum of \$100 each year to remain a member, while the One Hundred Million Dollar Club for the Shrine Hospitals for Crippled Children is a one-shot deal and can be a cash donation or a bequest in your will. Of course, Kosair Hospital solicits donations by wills and bequests but that has nothing to do with the One Thousand Dollar Club.

The One Hundred Million Dollar Club is most worthy and necessary and I hope all Representatives who can afford it will join and encourage others to join as the hospital chain needs the money, as you well know.

Imperial Sirs Thornton and Struby, I am proud to make this report on behalf of the Illustrious Potentate, W. C. Fisher, Jr., of Kosair Temple and its Nobility.

IMPERIAL SIR HARVEY BEFFA: Thank you very much, Noble Barnette.

NOBLE JUDSON RODMAN (Khedive Temple): Traditionally, we have presented a check from our annual Oyster Bowl Game. Our twenty-fifth Oyster Bowl Game was held in October of 1971, and \$45,000 was contributed to our Greenville Unit. I want this to be a matter of record for this One Hundredth Anniversary Year of Shrinedom. We will do better on the 28th of October of this year, Sir. I thank you.

IMPERIAL SIR HARVEY BEFFA: Thank you for the fine work you are doing.

NOBLE CORUM DEMOSS (Tadmor Temple): Imperial Sir, I have with me a copy of a check reported to the Imperial Council at Chicago for \$70,000 as a partial payment in the estate of Eleanor Horns.

IMPERIAL SIR HARVEY BEFFA: Thank you very much.

NOBLE CHESTER SATTLER (Tripoli Temple): On behalf of the nine thousand Nobles of Tripoli Temple, I would like to have you all know that since the inception of the Midwest Shrine Game in 1950, we have contributed \$791,041 to Shriners Hospitals for Crippled Children and that this year, if the Chicago Bears will field another football team, we will add another game.

IMPERIAL SIR HARVEY BEFFA: Thank you very much.

NOBLE ROBERT W. BEACHLER (Antioch Temple): For the last twenty years we have sponsored a horse show. Last year our proceeds to the hospitals were \$43,750.00. Over the last twenty years we have given \$633,000.00. The date of the horse show this year is July 31 through August 5 and anyone that has horses and cares to attend, we will welcome them. Thank you.

IMPERIAL SIR HARVEY BEFFA: Thank you for your continued support.

NOBLE FRED C. BARNETT (Aloha Temple): Our check has just been sent to this great organization for the sum of \$21,000.00. We hope to do better this year.

IMPERIAL SIR HARVEY BEFFA: Thank you, God bless you, my friend.

REPRESENTATIVE (El Zaribah Temple): Imperial Sir, we are happy to present a check for \$5,268.00 representing more than one dollar for each member of our Temple.

IMPERIAL SIR HARVEY BEFFA: Great work—thanks to all of the boys back home.

NOBLE EDWARD COWARD (Abba Temple): The Chairman reported that we sent in a check for \$6,800. This is true but we sent in a check for \$833.00 to the Imperial Recorder. The checks were made out directly to Shriners Hospitals for Crippled Children and we would like our total recorded as \$7,548.76. This is our first attempt and we are so proud of it and we hope next year it will be ten times as much.

IMPERIAL SIR HARVEY BEFFA: That is the spirit of Shrinedom. Thank you very much.

NOBLE JOSEPH SAMPSON (El Kahir Temple): Each year we have contributed the first \$5,000.00 right off of the top of what we take in.

IMPERIAL SIR HARVEY BEFFA: Thank you very much and thank the Nobility.

Imperial Sir, that completes the report.

IMPERIAL POTENTATE THORNTON: Thank you. This is one report which I am sure will be received and put into the bank.

Thank you again. (Applause)

Thank you, Harvey, for two great reports and for the marvelous work you are doing for our great philanthropy. (Applause)

Now we will resume with our regular meeting. If those who are not Representatives will please move behind the barrier we will resume work on legislation. Let me thank all of you for being present here and assisting with this program.

While the Representatives are assuming their seats, I would like to mention one thing, bring one thing to your attention, and that is that I want you to know that the Dallas Cowboys really did win that title last year legitimately. Two of those footballs that were kicked out were caught by the Potentates of Texas Temples. (Applause)

IMPERIAL POTENTATE THORNTON: At this time I would like to call upon our Imperial Recorder, George M. Saunders, for an item of business.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, in accordance with the provisions of Section 504.2 of Shrine Law, and this has to do with the Colorado Corporation, I would move that all of the Representatives who have failed to sign the rolls for the last two years be dropped from membership in the Colorado Corporation.

... The motion was severally seconded ...

IMPERIAL POTENTATE THORNTON: You have heard the motion and the second, is there any discussion? All those in favor signify by saying "aye"; those opposed "no." The motion is carried.

IMPERIAL POTENTATE THORNTON: I will next recognize Illustrious Noble Robert Vetter, Chairman, Finance and Accounts Committee, for his report.

NOBLE ROBERT VETTER: (Reading)

This will enable you to review the operations before coming to the session. We received no inquiries, so we assume there are no objections. However, we shall be happy to answer any questions presented. If there are no objections, Imperial Sir, I move the approval and adoption of the reports.

Now, we have two resolutions which need to be passed. I will call upon our Imperial Recorder to present them.

ANNUAL REPORT OF GEORGE M. SAUNDERS
SECRETARY

*Imperial Potentate, Chairman of the Board of Trustees, Officers and
Members of the Imperial Council, A.A.O.N.M.S., and Shriners
Hospitals for Crippled Children.*

Chicago, Illinois

GREETINGS:

Your Secretary respectfully submits the following detailed statements of the transactions of the Secretary's Office for the fiscal period January 1, 1971 to December 31, 1971 both dates inclusive.

The schedules in the Report of the Imperial Auditor which follow reflect the details of the business transacted during the past year, and in them you will note the continued growth in the work of your Shriners Hospitals for Crippled Children.

It is to be regretted that the continually rising operation cost of our Units exceeds our available operating income. This fact has forced a budget request reduction in order to balance the operation books in income and expense. The cooperation of the Local Boards and management in paring down costs deserves a vote of sincere gratitude.

The work of the Endowment-Wills and Gifts Committee continues to reflect great effort expended in bringing the problem of financial need to the Nobility. This fine Committee deserves the thanks of all for their continued cooperation. The Board of Trustees has always worked on the policy that only the income produced on the funds received from estates, games and most donations would be available for the operating account.

Uncle Sam is faced with a similar problem at times and it is felt that certain minor adjustments may be made in operating costs that will bring us within the appropriations approved. We cannot too strongly encourage the interest of all Nobles in these problems. Experience tells us that we are faced with an operation cost for our Burns Units of 30 beds each of more than five times the cost of operating an orthopedic Unit of 60 beds, and this with only one half the bed capacity. It is all costly work that is constantly increasing in cost.

This is a very serious problem that dictates the deep study and consideration of all Nobles in our plans for the future. The Planning Committee under the capable leadership of Past Imperial Potentate George M. Klepper has been wrestling with this subject for past years and deserves our very best help and consideration.

THE 100 MILLION DOLLAR CLUB

This program was developed as a program to quickly add to our endowment funds for Shriners Hospitals for Crippled Children additional funds which in accordance with our adopted policy from the very beginning of our charity work, would provide more income to be used in the operation of our hospital program.

This program gives every Noble and his friends the privilege of helping provide the much needed increase in operating fund money to help cover the drastically increasing hospital operating costs that have been experienced in this country in the last ten years. This coupled with the spiraling inflation that has known no curb, has been our greatest concern of late.

We are so glad to report that all reports on this special club activity are very encouraging. We find where Temple Officers get the word out to their grass roots Nobles they will all respond at once and lend their help in this most worthwhile endeavor.

100 MILLION DOLLAR CLUB

The sincerely dedicated members of the Board of Trustees and Board of Directors as well as the Boards of Governors and the staff members at each Shriners Hospital Unit, deserve the undying gratitude of all Nobles for their personal devotion to this noble cause, the World's Greatest Philanthropy. It is a glorious work.

The several committees of the Joint Boards are Nobles who have made a great personal contribution to the work that is far beyond the call of duty. I know that I speak for every child either completely cured or materially helped by their visits to our merciful Temples of Baby Smiles, in expressing sincere thanks to each and every one of you.

It seems that each passing year brings a much greater work load on everyone of the Central Office staff. More and still more effort is required from each and every one of them to keep pace with the work. My sincere thanks goes to them all for their understanding and their unselfish help in caring for the unceasing detail of our Central Office work. Their loyalty and devotion to the work of Shriners Hospitals for Crippled Children earns for each of them the heartfelt thanks and appreciation of all with whom they come in contact as they carry out their assigned task. Especial thanks goes to General Counsel, Past Imperial Potentate George M. Klepper, and his staff members for their fine work.

The many years of past service of these great Hospitals have actually reflected the very soul of the Shrine and made us in the eyes of the world a great fraternity of Nobles who possess big hearts filled to overflowing with compassion for crippled children along with a real desire to prosper the organization to which they belong and with which they work. Our thanks to you as Nobles and may God's richest blessings attend you.

Cordially yours in the Faith,

GEORGE M. SAUNDERS
Secretary

THE BOARD OF DIRECTORS

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

We have examined the combined statement of assets and liabilities of Shriners Hospitals for Crippled Children, Colorado, Canadian, Massachusetts, Texas and Pennsylvania Corporations and Mexican Association, as of December 31, 1971 and the related combined summary of financial activities and combined statement of changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Hospitals maintain their accounts principally on the cash basis of accounting. Income is not recorded until actually received and expenses, other than administrative expenses, are not recorded until actually paid.

In our opinion, the accompanying combined statements present fairly the assets and liabilities of Shriners Hospitals for Crippled Children as of December 31, 1971 and the revenues realized, expenses incurred and changes in fund balances for the year then ended, on the basis described in the preceding paragraph, which basis is consistent with that of the preceding year.

NOTES TO COMBINED FINANCIAL STATEMENTS

ASSET CARRYING VALUES

Assets are recorded at cost, if purchased, or at estimated market value at date of receipt by gift or bequest. Valuations are not recorded for bequests to the Hospitals that are in the process of administration. Income earned on bequests prior to the receipt of the bequest is considered as a part of principal.

ENDOWMENT FUNDS

The endowment funds include funds restricted by the Boards of Directors of the Corporations as well as those restricted by devisees and donors. In accordance with a resolution adopted by the membership of the Colorado Corporation \$3,000,000 was transferred in 1970 from the endowment fund to the general fund to be used for operations.

PLANT FUNDS

Prior to January 1, 1968, land, buildings and equipment were carried at original cost without depreciation being provided for in the cost of operations. In lieu of depreciation, normal replacements to buildings and equipment were charged to operations. Beginning with the year ended December 31, 1968 provision for depreciation has been charged to the hospitals' operations. The depreciation provision was funded in 1970 and 1971 by a transfer of funds from operations to the capital reserve fund. Total depreciation expense for 1971 amounted to \$1,763,195. Buildings are being depreciated at rates from 2.5 to 3.5% and equipment 6.25 to 8.8%.

The capital reserve fund has been reimbursed from the endowment funds for construction at the Houston and Erie Units in the amounts of \$170,122 and \$847,854, respectively. As of December 31, 1971 additional reimbursement was due from the Erie Unit in the amount of \$71,834.

RETIREMENT FUNDS

The employees of the Hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. Funds for the retirement of United States employees are held in trust in the Northern Trust Co. in Chicago. Funds for the retirement of Canadian employees are held in trust in the Canada Permanent Trust Company of Winnipeg, Canada. Funds for Mexican employees are held in trust in the Banco De Comercio, S. A. of Mexico. The Mexican Plan was funded in 1971 but was made effective retroactive to July 1, 1969. Past service cost of \$16,810 and normal cost for the period July 1, 1971 to June 30, 1972 in the amount of \$10,067 were paid and charged to operations of the Mexico City Unit in 1971. The contribution to the retirement fund for U. S. and Canadian employees for the year ended June 30, 1971 amounted to \$670,426.

The retirement fund assets held in the Northern Trust Co., the Canada Permanent Trust Company and Banco De Comercio, S. A. at December 31, 1971 were as follows (excluding the 1971 contributions not paid but included in general funds accounts payable at December 31, 1971).

	<i>Northern Trust Company</i>	<i>Canada Permanent Trust Co.</i>	<i>Banco De Comercio S. A.</i>	<i>Total</i>
Cash	\$ 2,530	\$ 101,288	\$ 10,071	\$ 113,889

As of June 30, 1971 the market value of the retirement plan assets exceeded the accrued liability for employees' vested benefits.

OTHER CORPORATIONS

The assets of the Shriners Hospitals for Crippled Children, California Corporation were transferred in 1970 to the Colorado Corporation. In 1971, the California and Georgia Corporations (inactive) were merged into the Colorado Corporation.

THE BOARDS OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN
COLORADO, CANADIAN, MASSACHUSETTS, TEXAS
AND PENNSYLVANIA CORPORATIONS AND
MEXICAN ASSOCIATION

We have examined the statements of assets and liabilities of Shriners Hospitals for Crippled Children, Colorado, Canadian, Massachusetts, Texas and Pennsylvania Corporations and Mexican Association, as of December 31, 1971 and the related statements of revenue and expenditures and statements of changes in fund balances for the year then ended. Our examination of each entity was made in accordance with generally accepted auditing standards and, accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Hospitals maintain their accounts principally on the cash basis of accounting. Income is not recorded until actually received and expenses, other than administrative expenses, are not recorded until actually paid.

In our opinion, the accompanying statements present fairly the assets and liabilities of the aforementioned entities as of December 31, 1971 and the revenues realized, expenses incurred and changes in fund balances for the year then ended, on the basis described in the preceding paragraph, which basis is consistent with that of the preceding year.

COLORADO CORPORATION
NOTES TO FINANCIAL STATEMENTS

ASSET CARRYING VALUES

Assets are recorded at cost, if purchased, or at estimated market value at date of receipt by gift or bequest. Valuations are not recorded for bequests to the Hospitals that are in the process of administration. Income earned on bequests prior to the receipt of the bequest is considered as a part of principal.

ENDOWMENT FUNDS

The endowment funds include funds restricted by the Board of Directors of the Corporation as well as those restricted by devisees and donors. In accordance with a resolution adopted by the membership of the Corporation \$3,000,000 was transferred in 1970 from the endowment fund to the general fund to be used for operations.

PLANT FUNDS

Prior to January 1, 1968, land, buildings and equipment were carried at original cost without depreciation being provided for in the cost of operations. In lieu of depreciation, normal replacements to buildings and equipment were charged to operations. Beginning with the year ended December 31, 1968 provision for depreciation has been charged to the hospitals' operations. The depreciation provision was funded in 1970 and 1971 by a transfer of funds from operations to the capital reserve fund. Total depreciation expense for 1971 for the Colorado Corporation amounted to \$1,328,357. Buildings are being depreciated at rates from 2.5 to 3.5% and equipment 6.25 to 8.8%.

The capital reserve fund is to be further reimbursed from the endowment fund of the Pennsylvania Corporation for certain construction advances. The remaining amount to be reimbursed amounted to \$71,834 at December 31, 1971.

RETIREMENT FUNDS

The employees of the hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan.

REPORT OF THE FINANCE AND ACCOUNTS COMMITTEE
COVERING COMBINED BUDGETS OF HOSPITAL
CORPORATIONS FOR YEAR 1971

Imperial Potentate, Chairman of the Board of Trustees, Officers and Members of the Imperial Council, A.A.O.N.M.S., and Shriners' Hospitals for Crippled Children:

We submit for your approval the Departures, Revisions and Adjustments to the Hospital Corporations' Budget for the year ended December 31, 1971.

OPERATIONS

Income for Operations was estimated at \$23,330,000.00; actual income amounted to \$23,658,655.00, or \$328,655.00 in excess of estimate.

Operating expenditures for 1971 were originally budgeted at \$24,545,900.00, and approved by the Imperial Council in Miami, Florida. Subsequently, the Board of Trustees increased the budget for the Wills and Gifts Committee by \$25,000.00, thereby making a total budget of \$24,570,900.00.

Actual expenditures for the year amounted to \$24,335,892.00, being \$235,008.00 less than appropriated.

While many of the Orthopedic Hospitals were considerably under their budgets (Burns unit at Cincinnati was \$312,578.00 under), others, including two Burns Units, exceeded their budgets by sizable amounts. We list below the locations of actual departure or increase in expenditures:

	Budget	Actual	Increase or Decrease
Orthopedic Hospital Expense.....	\$15,733,900	\$15,459,124	(\$ 274,776)

	<u>\$24,570,900</u>	<u>\$24,335,892</u>	<u>(\$ 235,008)</u>

The Departures were:
